(1) Environmental Restrictive Covenant – Former Studebaker Museum Facility Identification (FID) 24951

Ann Kolata presented the Environmental Restrictive Covenant. Ann states where the old Studebaker Museum was located in the 500 block of S. Lafayette, there was an underground storage tank that was removed and determined to be leaking when the building was torn down. There was a petroleum release on the site, which has since been remediated. However, there are still some chemicals of concern in the ground water and soil. According to IDEM the chemicals of concern are at an acceptable level. IDEM has requested that an environmental restrictive covenant be recorded, so when the property transfers, this covenant will run with the land and show up in title reports. The only restriction is to not use the ground water.

Upon a motion by Vice President Varner, seconded by Commissioner Ferlic the motion carried 4-0, the Commission approved Environmental Restrictive Covenant – Former Studebaker Museum Facility Identification (FID) 24951 submitted September 15, 2016.

(2) First Amendment to Development Agreement – JMS Development LLC

Aaron Kobb presented the First Amendment to Development – JMS Development LLC. On December 10, 2015 the Redevelopment Commission approved a Development Agreement with JMS that called for a \$7.6 million private investment towards the renovation of the downtown JMS Building. The First Amendment details the local public improvements being procured. The improvements include the annex roofing, the store front facade and exterior emergency exit tower on the outside of the building.

Upon a motion by Vice President Varner, seconded by Commissioner Ferlic the motion carried 4-0, the Commission approved the First Amendment to Development Agreement – JMS Development LLC submitted September 15, 2016.

(3) First Amendment to Development Agreement – Great Lakes Capital Ignition Park

Jitin Kain presented the First Amendment to the Development Agreement – Great Lakes Capital Ignition Park. Last year a budget was set aside for Phase II at Ignition Park. As part of the completion, we are moving a pile of dirt that can be utilized as foundations for future buildings in the park. We are moving the dirt pile from the corner of Sample and Franklin to the west side of the new Ignition Park Drive. The dirt pile was temporarily placed on the east side to assist with the two multi-tenant buildings, however, it's also become an obstruction to their current operations. The amendment states that we are moving this dirt pile to facilitate better visibility for Great Lakes Capital, however, when they need dirt

for their future projects, we will not move it for them; they will be in charge of moving it and any cost involved.

Upon a motion by Vice President Varner, seconded by Commissioner Ferlic the motion carried 4-0, the Commission approved the First Amendment to Development Agreement – Great Lakes Capital Ignition Park submitted September 15, 2016.

(4) Resolution No. 3361 – Wayne St. Garage Transfer to BPW and Leighton & Wayne Street Garages Associated Leases Transfer to Board of Public Works.

David Relos presented Resolution No. 3361, which transfers the Wayne Street Garage and Leighton and Wayne Street Garages Associated Leases from the Redevelopment Commission to the Board of Public Works. Last year we hired Rich and Associates to conduct a downtown parking study, and one of their recommendations is to have all parking facilities be considered one overall system. State statute provides that the Board of Public Works has control over parking facilities, so it is relevant to have the parking garages in their name. This Resolution will allow us to have all of the leases and garages in the name of the Board of Public Works. Revenues will still fall under the parking garage fund. There are currently funds set aside for maintenance and repairs on the garages.

Ben Dougherty added that this will streamline the agreements with the City and outside providers. The day to day operations will remain with the Department of Community Investment.

Upon a motion by Commissioner Ferlic, seconded by Secretary Inks the motion carried 4-0, the Commission approved Resolution No. 3361 – Wayne St. Garage Transfer to BPW and Leighton & Wayne Street Garages Associated Leases Transfer to Board of Public Works submitted September 15, 2016.

(5) Resolution No. 3346 – Disposition Offering Price 331-335 S. Main Street

David Relos presented Resolution No. 3346 for the Disposition of 331 – 335 S. Main Street. This will set the offering price of the property at the corner of Main and Western. The offering price is the average of the two appraisals.

Upon a motion by Secretary Inks, seconded by Commissioner Ferlic the motion carried 4-0, the Commission approved Resolution No. 3346 – Disposition Offering Price 331-335 Main Street submitted September 15, 2016.

(6) Approval of Bid Specifications and Design Considerations – 331-335 S. Main Street

David Relos presented the Bid Specifications and Design Considerations of 331 – 335 S. Main Street. The Bid Specifications outline the uses and development requirements that will be considered for this site.

Upon a motion by Secretary Inks, seconded by Commissioner Ferlic the motion carried 4-0, the Commission approved Approval of Bid Specifications and Design Considerations – 331-335 Main Street submitted September 15, 2016.

(7) Request to Advertise – 331-335 S. Main Street

David Relos presented the Request to Advertise 331 – 335 S. Main Street. This disposition property will be advertised in both the South Bend Tribune and the Tri-County News on September 23 and September 30, 2016.

Upon a motion by Secretary Inks, seconded by Commissioner Ferlic the motion carried 4-0, the Commission approved the Request to Advertise – 331-335 Main Street submitted September 15, 2016.

(8) Staff Update

Sarah Heintzelman presented a staff update for an agreement that will be brought back to the Commission at their next meeting. Funding in an amount not to exceed \$250,000, for infrastructure work, parking lot, sidewalk and right of way is expected to be requested. The developer will be investing approximately \$6,000,000 to bring a downtown building to Class A office space.

The purchase price for the Property shall be One Dollar (\$1.00) (the “Purchase Price”), payable by the Developer to the Commission in cash at the closing described in Section 3.4 below (the “Closing,” the date of which is the “Closing Date”).

3.2 **Due Diligence.** The Developer’s obligation to complete the purchase of the Property is conditioned upon the Developer’s examination, in the Developer’s discretion and at the Developer’s sole expense, of zoning and land use matters, environmental matters, real property title matters, and the like, as applicable (the Developer’s “Due Diligence”). The Developer will have a period of ten (10) days following the Effective Date of this Agreement to complete its examination of the Property (the “Due Diligence Period”). In the event the Closing does not occur, the Developer will immediately return all such reports and documents to the Commission with or without a written request by the Commission. If at any time within the Due Diligence Period the Developer determines, in its sole discretion, not to proceed with the purchase of the Property, the Developer may terminate this Agreement by written notice to the Commission.

3.3 **“As-Is” Transaction.** The Developer agrees to purchase the Property “as-is, where-is” and without any representations or warranties by the Commission as to the condition of the Property or its fitness for any particular use or purpose. The Developer’s acceptance of the Property from the Commission at Closing will be subject to all matters and encumbrances of record.

3.4 **Closing.** Unless this Agreement is earlier terminated, the Closing will be held at the offices of Meridian Title Corporation (the “Title Company”), and the Closing Date will be a mutually agreeable date not later than twenty (20) days after the end of the Due Diligence Period. At Closing, the Developer will deliver the Purchase Price to the Commission, conditioned on the Commission’s delivery of a quit claim deed, in the form attached hereto as **Exhibit D**, and possession of the Property to the Developer. The Developer will pay all of the Title Company’s closing and/or document preparation fees, any costs associated with procuring an owner’s or lender’s policy of title insurance, and all recordation or other costs associated with the transaction contemplated in this Agreement.

3.5 **Grant of Easement.** At the Closing, the Developer will grant to the Commission a temporary, non-exclusive easement on, in, over, under and across any part(s) of the Property (the “Easement”) in the form attached hereto as **Exhibit E**, to permit the Commission to fulfill its obligations under this Agreement, including the construction, equipping, inspection, and delivery of the Local Public Improvements. The Easement shall (a) inure to the benefit of the Commission and the Board of Works or any contractors acting on behalf of the Commission in connection with the construction, equipping, inspection, and delivery of the Local Public Improvements; (b) shall

bind the Developer and its grantees, successors, and assigns; and (c) shall terminate no later than upon completion of the Local Public Improvements, as determined by the Board of Works.

3.6 Taxes. The Developer, and its successors and assigns, shall be liable for any and all real property taxes assessed and levied against the Property with respect to the year in which the Closing takes place and for all subsequent years. The Commission shall have no liability for any real property taxes associated with the Property, and nothing in this Agreement shall be construed to require the proration or other apportionment of real property taxes resulting in the Commission's liability therefor.

SECTION 4. DEVELOPER'S OBLIGATIONS.

4.1 Generally. The Parties acknowledge and agree that the Commission's agreements to perform and abide by the covenants and obligations set forth in this Agreement are material consideration for the Developer's commitment to perform and abide by the covenants and obligations of the Developer contained in this Agreement.

4.2 The Project.

(a) The Developer will perform all necessary work to complete the improvements set forth in the Project Plan attached hereto as Exhibit B and the plans and specifications delivered to the Commission pursuant to Section 4.8 of this Agreement, which improvements shall comply with all zoning and land use laws and ordinances.

(b) The Developer will expend the Private Investment to complete the Project in accordance with the Project Plan attached hereto as Exhibit B and the plans and specifications delivered to the Commission pursuant to Section 4.8 of this Agreement.

4.3 Cooperation. The Developer agrees to endorse and support the Commission's efforts to expedite the Local Public Improvements through any required planning, design, public bidding, construction, inspection, waiver, permitting, and related regulatory processes.

4.4 Obtain Necessary Easements. The Developer agrees to obtain, at its sole cost, any and all easements from any governmental entity and/or any other third parties that the Developer or the Commission deems necessary or advisable in order to complete the Local Public Improvements, and the obtaining of such easements is a condition precedent to the Commission's obligations under this Agreement.

4.5 Timeframe for Completion. The Developer hereby agrees to complete the Project and any other obligations the Developer may have under this Agreement by the date that is twenty-four (24) months after the Effective Date of this Agreement (the "Mandatory Project Completion Date"). Notwithstanding any provision of this Agreement to the contrary, the Developer's failure to complete the Project or any other obligations the Developer may have under this Agreement by the Mandatory Project Completion Date will constitute a default under this Agreement without any requirement of notice of or an opportunity to cure such failure.

4.6 Certificate of Completion; Reversion Upon Default. Promptly after the Developer completes the Project and has satisfied its obligations under this Agreement, the Developer may

request from the Commission a certificate acknowledging such completion and releasing the Commission's reversionary interest in the Property (the "Certificate of Completion"). The Parties agree to record the Certificate of Completion immediately upon issuance, and the Developer will pay the costs of recordation. In the event the Developer fails to perform any of its obligations under this Agreement, including the Developer's obligation to complete the Project by the Mandatory Project Completion Deadline, or satisfactorily prove such performance, then the Commission shall have the right to re-enter and take possession of the Property and to terminate and re-vest in the Commission the estate conveyed to the Developer at Closing and all of the Developer's rights and interests in the Property without offset or compensation for the value of any investments or improvements made by the Developer after the Closing Date. The Parties agree that the Commission's conveyance of the Property to the Developer at Closing will be made on the condition subsequent set forth in the foregoing sentence.

4.7 Reporting Obligations.

(a) Upon the letting of contracts for substantial portions of the Project and again upon substantial completion of the Project, the Developer hereby agrees to report to the Commission the number of local contractors and local laborers involved in the Project, the amount of bid awards for each contract related to the Project, and information regarding which contractor is awarded each contract with respect to the Project.

(b) On or before June 30 and December 31 of each year until substantial completion of the Project, the Developer shall submit to the Commission a report demonstrating the Developer's good-faith compliance with the terms of this Agreement. The report shall include the following information and documents: (i) a status report of the construction completed to date, (ii) an update on the project schedule, and (iii) an itemized accounting generally identifying the Private Investment to date.

4.8 Submission of Plans and Specifications for Project. Promptly upon completion of all plans and specifications for the Project, or changes thereto, the Developer shall deliver a complete set thereof to the Commission.

4.9 Costs and Expenses of Construction of Project. The Developer hereby agrees to pay, or cause to be paid, all costs and expenses of construction for the Project (including legal fees, architectural and engineering fees), exclusive of the Local Public Improvements, which shall be paid for by the Commission by and through the Funding Amount subject to the terms of this Agreement.

4.10 Specifications for Local Public Improvements. The Developer will be responsible for the preparation of all bid specifications related to the Local Public Improvements, and the Developer will pay all costs and expenses of such preparation, provided, however, that if the Commission pays any costs or expenses of such preparation, then the amount paid by the Commission will be deducted from the Funding Amount. The Developer will submit all bid specifications related to the Local Public Improvements to the City of South Bend Engineering Department (the "Engineering Department"). The Engineering Department may approve or disapprove said bid specifications for the Project in its sole discretion and may request revisions or amendments to be made to the same.

4.11 Non-Interference. Developer hereby agrees to use commercially reasonable efforts to minimize disruption for those living and working near the Property during construction of the Project.

4.12 Insurance. The Developer shall purchase and maintain comprehensive insurance coverage as is appropriate for the work being performed with respect to the Project. The Developer shall provide proof of such adequate insurance to the Commission and shall notify the Commission and the City of any change in or termination of such insurance. During the period of construction or provision of services regarding any Local Public Improvements, the Developer shall maintain insurance in the kinds and for at least the minimum amounts as described in Exhibit E attached hereto and the Commission and the City shall be named as additional insureds on such policies (but not on any worker's compensation policies).

4.13 Information. The Developer agrees to provide any and all due diligence items with respect to the Project reasonably requested by the Commission.

SECTION 5. COMMISSION'S OBLIGATIONS.

5.1 Generally. The Parties acknowledge and agree that the Developer's agreement to perform and abide by the covenants and obligations set forth in this Agreement is material consideration for the Commission's commitment to perform and abide by the covenants and obligations of the Commission contained in the Agreement.

5.2 Completion of Local Public Improvements.

(a) The Commission hereby agrees to complete (or cause to be completed) the Local Public Improvements described in Exhibit C attached hereto on a schedule to be reasonably determined and agreed to by the Commission and the Developer, as may be modified due to unforeseen circumstances and delays.

(b) Before any work on the Local Public Improvements will commence, (a) the Commission will have received satisfactory plans and specifications for the Project in accordance with Section 4.8 of this Agreement, and (b) the Engineering Department will have received satisfactory bid specifications for the Local Public Improvements and approved the same in accordance with Section 4.10 of this Agreement.

(c) The Local Public Improvements will be completed in accordance with all applicable public bidding and contracting laws and will be subject to inspection by the Engineering Department or its designee.

(d) Notwithstanding anything contained herein to the contrary, in the event the costs associated with the Local Public Improvements are in excess of the Funding Amount, Developer, at its sole option, may determine to pay to the Commission the amount of the excess costs to permit timely completion of the Local Public Improvements by the Commission, or an agent of the Commission, which amounts shall be applied for such purpose. If Developer chooses not to pay any such excess costs of the Local Public Improvements (above the Funding Amount), the Commission may reduce the scope of the Local Public Improvements to the amount which may be funded with the Funding Amount.

In no event will the Commission be required to spend more than the Funding Amount in connection with the Local Public Improvements.

5.3 Cooperation. The Commission agrees to endorse and support the Developer's efforts to expedite the Project through any required planning, design, permitting, waiver, and related regulatory processes, provided, however, that the Commission will not be required to expend any money in connection therewith.

5.4 Public Announcements, Press Releases, and Marketing Materials. The Commission hereby agrees to coordinate all public announcements and press releases relating to the Project with the Developer.

SECTION 6. COOPERATION IN THE EVENT OF LEGAL CHALLENGE.

6.1 Cooperation. In the event of any administrative, legal, or equitable action or other proceeding instituted by any person not a party to this Agreement challenging the validity of any provision of this Agreement, the Parties shall cooperate in defending such action or proceeding to settlement or final judgment including all appeals. Each Party shall select its own legal counsel and retain such counsel at its own expense, and in no event shall the Commission be required to bear the fees and costs of the Developer's attorneys nor shall the Developer be required to bear the fees and costs of the Commission's attorneys. The Parties agree that if any other provision of this Agreement, or this Agreement as a whole, is invalidated, rendered null, or set aside by a court of competent jurisdiction, the Parties agree to be bound by the terms of this Section 6.1, which shall survive such invalidation, nullification, or setting aside.

SECTION 7. DEFAULT.

7.1 Default. Any failure by either Party to perform any term or provision of this Agreement, which failure continues uncured for a period of thirty (30) days following written notice of such failure from the other Party, shall constitute a default under this Agreement. Any notice given pursuant to the preceding sentence shall specify the nature of the alleged failure and, where appropriate, the manner in which said failure satisfactorily may be cured. Upon the occurrence of a default under this Agreement, the non-defaulting Party may (a) terminate this Agreement, or (b) institute legal proceedings at law or in equity (including any action to compel specific performance) seeking remedies for such default. If the default is cured within thirty (30) days after the notice described in this Section 7.1, then no default shall exist and the noticing Party shall take no further action.

7.2 Reimbursement Obligation. In the event that the Developer fails (a) to complete the Project by the Mandatory Project Completion Date, or (b) to expend the full amount of the Private Investment by the Mandatory Project Completion Date, then upon the written demand of the Commission, the Developer will repay the Commission One Hundred Fifty Percent (150%) of the portion of the Funding Amount expended by the Commission in furtherance of the Local Public Improvements as of the date of the Commission's demand.

7.3 Force Majeure. Notwithstanding anything to the contrary contained in this Agreement, none of the Parties shall be deemed to be in default where delays in performance or failures to perform are due to, and a necessary outcome of, war, insurrection, strikes or other labor

disturbances, walk-outs, riots, floods, earthquakes, fires, casualties, acts of God, acts of terrorism, restrictions imposed or mandated by governmental entities, enactment of conflicting state or federal laws or regulations, new or supplemental environments regulations, contract defaults by third parties, or similar basis for excused performance which is not within the reasonable control of the Party to be excused (each, an event of “Force Majeure”). Upon the request of any of the Parties, a reasonable extension of any date or deadline set forth in this Agreement due to such cause will be granted in writing for a period necessitated by the event of Force Majeure, or longer as may be mutually agreed upon by all the Parties.

SECTION 8. NO AGENCY, JOINT VENTURE, OR PARTNERSHIP; CONFLICT OF INTEREST; INDEMNITY.

8.1 No Agency, Joint Venture or Partnership. The Parties acknowledge and agree that:

(a) The Project is a private development;

(b) None of the Commission, the Board of Works, or the Developer has any interest or responsibilities for, or due to, third parties concerning any improvements until such time, and only until such time, that the Commission, the Board of Works, and/or the Developer expressly accepts the same; and

(c) The Parties hereby renounce the existence of any form of agency relationship, joint venture or partnership between the Commission, the Board of Works, and the Developer and agree that nothing contained herein or in any document executed in connection herewith shall be construed as creating any such relationship between the Commission, the Board of Works, and the Developer.

8.2 Conflict of Interest; Commission Representatives Not Individually Liable. No member, official, or employee of the Commission or the City may have any personal interest, direct or indirect, in this Agreement, nor shall any such member, official, or employee participate in any decision relating to this Agreement which affects his or her personal interests or the interests of any corporation, partnership, or association in which he or she is, directly or indirectly, interested. No member, official, or employee of the Commission or the City shall be personally liable to the Developer, or any successor in interest, in the event of any default or breach by the Commission or for any amount which may become due to the Developer, or its successors and assigns, or on any obligations under the terms of this Agreement. No partner, member, employee, or agent of the Developer or successors of them shall be personally liable to the Commission under this Agreement.

8.3 Indemnity. The Developer agrees to indemnify, defend, and hold harmless the Commission and the City from and against any third-party claims suffered by the Commission or the City resulting from or incurred in connection with the Local Public Improvements or the Project, except to the extent caused by the negligence of the Commission or its contractors.

SECTION 9. MISCELLANEOUS.

9.1 Severability. If any term or provision of this Agreement is held by a court of competent jurisdiction to be invalid, void, or unenforceable, the remaining terms and provisions of this Agreement shall continue in full force and effect unless amended or modified by mutual consent of the parties.

9.2 Other Necessary Acts. Each Party shall execute and deliver to the other Parties all such other further instruments and documents as may be reasonably necessary to accomplish the Project and the Local Public Improvements contemplated by this Agreement and to provide and secure to the other Parties the full and complete enjoyment of its rights and privileges hereunder. Notwithstanding the foregoing, the Parties understand and agree that certain actions contemplated by this Agreement may be required to be undertaken by persons, agencies, or entities that are not a party to this Agreement, including, but not limited to certain permits, consents, and/or approvals (to the extent they have not yet been obtained and completed), and that any action by such third parties shall require independent approval by the respective person, agency, entity, or governing body thereof.

9.3 Dispute Resolution; Waiver of Jury Trial. Any action to enforce the terms or conditions of this Agreement or otherwise concerning a dispute under this Agreement will be commenced in the courts of St. Joseph County, Indiana, unless the Parties mutually agree to an alternative method of dispute resolution. The Parties acknowledge that disputes arising under this Agreement are likely to be complex and they desire to streamline and minimize the cost of resolving such disputes. In any legal proceeding, each Party irrevocably waives the right to trial by jury in any action, counterclaim, dispute, or proceeding based upon, or related to, the subject matter of this Agreement. This waiver applies to all claims against all parties to such actions and proceedings. This waiver is knowingly, intentionally, and voluntarily made by both Parties.

9.4 Attorneys' Fees. In the event of any litigation, mediation, or arbitration between the Parties regarding an alleged breach of this Agreement, none of the Parties shall be entitled to any award of attorney's fees.

9.5 Equal Employment Opportunity. The Developer, for itself and its successors and assigns, agrees that during the construction of the Project:

(a) The Developer will not discriminate against any employee or applicant for employment because of race, color, religion, sex, or national origin. The Developer agrees to post in conspicuous places, available to employees and applicants for employment, notices setting forth the provisions of this nondiscrimination clause; and

(b) The Developer will state, in all solicitations or advertisements for employees placed by or on behalf of the Developer, that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, or national origin.

9.6 Counterparts. This Agreement may be executed in separate counterparts, each of which when so executed shall be an original, but all of which together shall constitute one and the same instrument. Any electronically transmitted version of a manually executed original shall be deemed a manually executed original.

9.7 Notices and Demands. Any notice, demand, or other communication required or permitted under the terms of this Agreement may be delivered (a) by hand-delivery (which will be deemed delivered at the time of receipt), (b) by registered or certified mail, return receipt requested (which will be deemed delivered three (3) days after mailing), or (c) by overnight courier service (which will be deemed delivered on the next business day) to each Party's respective addresses and representatives stated below.

FROM: David Relos, Economic Resources *DR*
SUBJECT: Funding Request – Bowen Street Project Area

Bowen St. is a short public street that leads west from Miami and dead ends near Martin's in Erskine Plaza, on the south side of South Bend. This street and immediate area has a history of flooding because it sits at a low spot, with rain and snow melt flowing from both the north and south from Miami.

To study engineering possibilities and correct this street's flooding, staff requests a project budget of \$300,000 from the South Side Development Area.
