#### 2018 Significant Changes/Challenges/Opportunities

- Morris staff are collaborating with Venues, Parks and Arts staff to reduce expenditures in building maintenance and promotions.
- Morris Bistro Dinner prior to shows have been discontinued. Morris staff are collaborating with the contracted caterer staff to transform the the space for a new food and beverage use on show nights. Staff and promoters are working with downtown restaurants to create Morris dinner/show packages and special offers from the restaurants to Morris patrons.
- Booking major national acts continues to be a challenge because the number of similar competing venues across the country exceeds the number of major acts on the road to play them. Booking deals continues to be complicated, and venues across the country are being asked to assume some financial risk of the show as well as guarantee money to the artist and split of the profits. Venues are being asked to do a lot more and take more financial risk than ever before. We are working on funding/promoting a few events during 2018.
- Morris staff continue to be proactive in soliciting events by attending national conferences, meeting with promoters and tour managers.
- The Morris Entertainment Inc. fundraised and installed 4 new 3'x6' digital display boards to replace existing paper posters.

Fund Purpose:

The Morris Performing Arts Center and Palais Royale Marketing Fund was established as a separate, non-reverting fund to receive monies from solicitation of funds for commercial promotion sponsorships such as commercial ads on ticket envelopes and Morris Marque sponsorships; and to accept donations to The Morris Performing Arts Center and Palais Royale. All sums so collected and deposited in this fund are to be used for the sole purpose of assisting with continued promotions of and within both the Morris Performing Arts Center and Palais Royale.

Explain Significant Revenue and Expenditure Changes/Variances Below:

Revenue for this fund is collected through donations and sponsorships and used to assist with continued promotions of and within the Morris Complex. Starting in 2013, the City was able to not only advertise on the local area ditigal billboards, but also secure sponsorships to help fund the advertising displayed on them.

Types: output, efficiency, effectiveness, quality, outcome, technology

#### 2018 Significant Changes/Challenges/Opportunities

- Palais continue to collaborate with Double Tree Hotel staff to negotiate special room rates to help entice new clients to hold events at the Palais Royale
- Revenues has increased yearly towards being self sufficient. Since February 2016, Navarre Hospitality has been the in-house food and beverage provider at the Palais Royale. The name recognition is expected to increase the revenue generated by increasing the number of events/rental, hence, catering commission.
- The hotel rooms generated is under reported as we are unable to get exact numbers from other hotels, but the numbers we do capture are excellent.
- The Palais Royale receives NO financial support from the Hotel/Motel Tax Board.
