Distribution

Mayor Chief of Staff Deputy Chief of Staff Common Council Department Heads Fiscal Officers Pete Buttigieg Laura O'Sullivan Suzanna Fritzberg

Purpose of Report

The purpose of the Cash Reserve Summary Report is keep track of whether the City's funds are meeting their cash reserve requirement. Cash reserve requirements are set for each fund by the City of South Bend or other governing body (e.g. bond counsel, Century Center Board of Managers).

Cash Reserve Requirements

Cash reserve requirements are typically based on fund type.

- Most City funds are assigned a cash reserve requirement of a percentage of the fund's annual expenditures.
- The Rainy Day Fund (102) has a reserve requirement of 3% of the City's prior year expenditures.
- Some funds have a set dollar amount as the reserve requirement, such as the Police Take Home Vehicle Fund (278) and the Century Center Capital Fund (671).
- Capital project funds, grant funds, and bond capital funds do not have reserve requirements as they are spent down to zero.
- The IT/Innovation/311 Call Center Fund (279) does not have a reserve requirement because it is an internal service fund, reimbursed by departments within other City funds. Its budgeted revenues are equal to its budgeted expenditures.
- Debt service reserve funds are required to hold all reserves until the respective debt has been paid in full. The amount is often defined in bond covenants.

Pooled Cash

The City utilities pooled cash, the majority of the City's money being held in a single bank account. Although the money is in a single account, each fund retains ownership of its own cash. Any interest earned on the bank account is distributed amongst the funds based on each funds' cash balance.

Trustee Cash

The City also has cash maintained by trustee financial institutions and expended upon the provision by the City of a proper claim form and invoice. These funds are typically for debt service payments, debt service reserves, or capital project expenditures.

Negative Cash Balances

Due to the timing of revenue and expenditures, certain funds will not meet cash reserve requirements and may even have a negative cash balance at different times throughout the year. Although a fund has a negative cash balance, the City does not have negative cash overall. Pooled cash can cover those funds so necessary expenditures can be made even if revenues have not been received yet.

Fund 265, 312, 313, 377, 701, and 702 have negative cash balances.

- The Local Road & Bridge Grant Fund 265 will receive an interfund transfer from the LOIT Special Distribution Fund 257. The Community Crossing Grant was received in Fund 257. The grants monies and the City's matching portion need to be transferred to Fund 265.
- The 2017 Parks Bond Debt Service Fund 312 and the Hall of Fame Debt Service Fund 313 receive property tax revenue in June and December, but still have to make a debt payments in January and July.
- The Professional Sports Development Area Fund 377 hasn't received its PSDA revenue yet, but still had to make debt payments in January and July.
- The Firefighter's Pension Fund 701 and Police Pension Fund 702 haven't received the second bi-annual reimbursement from the State, but still had to make payments to pensioners. Reimbursement is received in June and September.

Changes in Cash Balance

Property taxes are received in June and December of each year and this will cause the cash balances to fluctuate for total cash, redevelopment fund cash and civil city fund cash. Enterprise fund cash balances will fluctuate based on the receipt of bond proceeds and the spending down of cash on capital projects. Redevelopment fund cash accounts will vary based on capital spending on projects in tax increment financing (TIF) funds.

Questions

If you should have additional questions, please contact the Department of Administration & Finance by calling 311.
