Purpose of Report

The City of South Bend maintains certain cash balances with bank trustees in connection with bond and capital lease financing agreements that have been approved by the Common Council, Redevelopment Commission, and the Board of Public Works. The cash reserves are restricted and may not be used for general city operations. Rather, trustee cash reserves must be used as provided for in the debt documents including for capital projects, debt service payments, debt service reserves and operating reserves. The bank trustee accounts are also used for the defeasance of prior debt that has been refunded. The primary bank trustees used by the city are US Bank and Wells Fargo Bank. The debt service payments on bonds and capital leases are included in the regular city budget.

Current Activity

The current trustee cash accounts include capital project money for the Smart Streets bond and the Parks/EDIT bond. Cash in capital project accounts is spent down as work is completed on projects. Trustee cash accounts also includes proceeds from lease purchase agreements for the replacement of certain city vehicles and equipment on a regular basis.

During February 2017, the 2005 Erskine Village bonds were paid off early. \$561,229 in trustee cash was paid back to the City of South Bend and deposited into Fund 430. During March 2017, the remaining interest earned was paid back to the City and deposited into Fund 430 and the associated Wells Fargo bank accounts were closed.

Additionally, the final payment on the 2009 MPAC bonds was made on February 1 and \$735,235 in trustee cash was paid back to the City of South Bend and deposited into Fund 408. During March 2017, the remaining interest earned was paid back to the City and deposited into Fund 408 and the associated Wells Fargo bank accounts were closed.

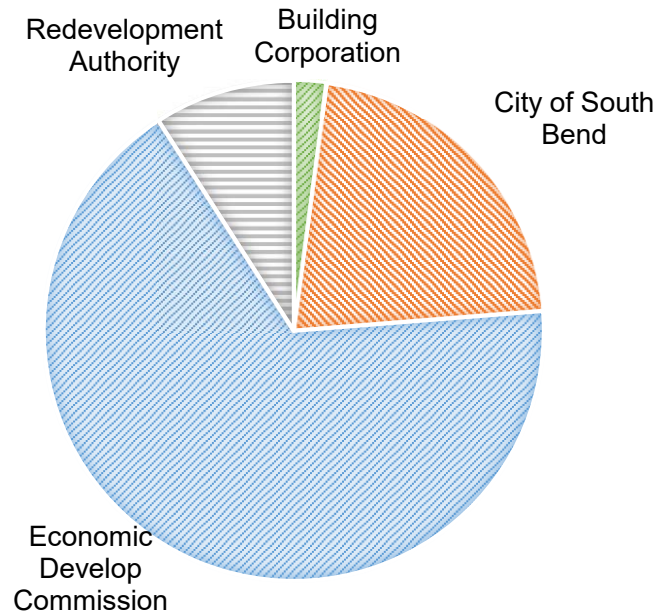

On August 14, 2017, the 2017 Eddy Street Commons Phase II bonds were closed. The par value was \$25 million: \$396,250 was spent on bond closing costs and \$2.5 million was set aside as debt service reserve per the bond covenants. The first debt service payment is due on February 15, 2018 and the final payment is due February 15, 2037.

If you should have any questions regarding this report, please contact the Department of Administration & Finance.
