Purpose of Report

The City of South Bend maintains certain cash balances with bank trustees in connection with bond and capital lease financing agreements that have been approved by the Common Council, Redevelopment Commission, and the Board of Public Works. The cash reserves are restricted and may not be used for general city operations. Rather, trustee cash reserves must be used as provided for in the debt documents including for capital projects, debt service payments, debt service reserves and operating reserves. The bank trustee accounts are also used for the defeasance of prior debt that has been refunded. The primary bank trustees used by the city are US Bank and Wells Fargo Bank. The debt service payments on bonds and capital leases are included in the regular city budget.

Current Activity

The current trustee cash accounts include capital project money for the 2015 Smart Streets bond, the 2015 Parks/EDIT bond, and the 2017 Eddy Street Commons Phase II bond, and the 2018 Economic Development Revenue Bond (Potawatomi Zoo project). Cash in capital project accounts is spent down as work is completed on projects. Trustee cash accounts also include proceeds from lease purchase agreements for the replacement of certain city vehicles and equipment on a regular basis.

In 2018, the City issued the 2018 Economic Development Revenue Bonds to fund the Potawatomi Zoo project. The principal balance of the bonds was \$3.44 million.

In 2018, three debts were paid off:

- The 2001/2011 Century Center Refunding Bonds (debt schedule #7) were paid off on 2/1/18. The remaining cash balance at the trustee bank (\$324,170.83) was deposited into COIT Fund 404.
- The 2000/2011 Hall of Fame Refunding Bonds (debt schedule #8) were paid off on 2/1/18. The remaining cash balance at the trustee bank (\$26,043.94) was deposited into HOF Debt Service Fund 313.
- The 2008/2015 Eddy Street Commons Refunding Bonds (debt schedule #54) were paid off early. The final payment was 2/15/18. The remaining cash balance at the trustee bank (\$60.85) was deposited into Fund 436.

The City has several vehicle/equipment lease purchase agreements. These agreements are used to purchase vehicles and equipment for various City departments. The purchases are paid off over 5 years.
