Annual Procurement Forecast

OFFICE OF DIVERSITY AND INCLUSION |  
DEPARTMENT OF PURCHASING

FY 2019

## HOW TO USE THIS PROCUREMENT FORECAST

This forecast depicts potential new contracting opportunities with the City of South Bend during Fiscal Year 2019. This report is NOT a comprehensive list of projected construction projects, procurement opportunities, nor a guarantee these projected projects will go to bid in the upcoming fiscal year. This report is intended to be a forecast of likely procurement and or contracting opportunities based on departmental spending in previous fiscal years, and are subject to change or be cancelled due to funding and or resources. The budgets below are broken down by City department and reflect both a mixture of historical purchasing data as well as approved budget amounts per category. The opportunities are listed by City department.

It should be noted that the categories for expenditures are broad and based on North American Industry Code System (NAICS) code. The most frequently used NAICS code descriptions by the City of South Bend are listed below. The City of South Bend encourages interested and prospective companies capable of performing work requested by the City of South Bend to actively check the Board of Public Works website for bidding and quoting opportunities and to contact the City of South Bend's Purchasing and/or Mayor's Office of Diversity and Inclusion to let them know of your business and interest in partnering with the City of South Bend in 2019.
