South Bend Redevelopment Commission Regular Meeting – April 22, 2021

Mr. Corcoran thanks Dave for all of his hard work on the planning team. Dave has been a mentor to many throughout his career and we just cannot replace Dave. The knowledge that he brings, and history of the projects is invaluable. I appreciate all of the hard work and effort making things work smoothly. Dave has a keen eye for detail, and I wish him the best of luck.

President Jones hopes Dave keeps in touch at least for gardening and cooking.

Mr. Buckenmeyer mentions that Dave has become one of his favorite co-workers and is a great historian in South Bend. There are not enough where-as's out there to relay the exceptional work you have done. Thank you.

Commissioner Warner relays on behalf of the city, thank you for your work. The list of the projects that were listed is great and we thank you for your dedication to the city.

Mr. Relos states that he enjoyed working with Don over the years. It has been a privilege to serve the Commission for the past 12 years.

Mr. Garces states he has only worked for Dave for a few months the 2<sup>nd</sup> time around but back in 2013 he worked with Dave on several projects and thanks him for his knowledge. They worked together on TIF realignment and remember the best Doha's in South Bend were made by him. Thank you for all that you have done for South Bend and for me.

Mary Brazinsky thanks Dave for everything he has done since they met and is at a loss for words. You will be severely missed.

Commissioner Wesley thanks Dave for all he has done for the city.

Andrew Netter states he started 3 years ago, and Dave Relos has been his mentor. He appreciates all the time he has spent with me and continually answering my sometimes-redundant questions. I appreciate it and unfortunately for you Dave, I have your phone number and will be calling it.

Conrad Damian on behalf of the public states that Dave has always been helpful and forthcoming. He hears from others in the public that he is that way with everyone. That is great with working with South Bend is that people are helpful and giving; he thanks Dave very much and we will miss you.
