AGENDA

Monday, April 18, 2022 - 4:00 P.M.

County-City Building

Fourth-Floor Council Chambers

www.tinyurl.com/southbendplancommission

PUBLIC HEARING:

A. REZONINGS

1. **Location:** 2413 PRAIRIE AVE PC#0091-22
Petitioner: HOMELAND VILLIAGE LLC
Requested Action:
Rezoning: From S1 Suburban Neighborhood 1 to C Commercial

2. **Location:** 3400 NORTHSIDE BLVD PC#0095-22
Petitioner: THE RIVER GARDENS LLC
Requested Action: Terminate Written Commitments associated with the original rezoning in 2007

B. MAJOR SUBDIVISIONS - None for consideration

C. TEXT AMENDMENTS - None for consideration

D. DEVELOPMENT PLANS

1. RESOLUTION OF THE SOUTH BEND PLAN COMMISSION APPROVING A RESOLUTION OF THE SOUTH BEND REDEVELOPMENT COMMISSION TO AMEND THE BOUNDARIES OF THE RIVER EAST DEVELOPMENT AREA AND APPROVING THE AMENDED AND RESTATED DEVELOPMENT PLAN FOR THE RIVER EAST DEVELOPMENT AREA PC#0096-22

ITEMS NOT REQUIRING A PUBLIC HEARING:

A. MINOR SUBDIVISIONS – None for consideration

B. OTHER BUSINESS –

1. Initiate Text Amendment – Use Table Update

C. FINDINGS OF FACT – March 21, 2022

D. UPDATES FROM STAFF

E. MINUTES – March 21, 2022

F. ADJOURNMENT

Property Information

Location: 2413 PRAIRIE AVE
Owner: HOMELAND VILLIAGE LLC

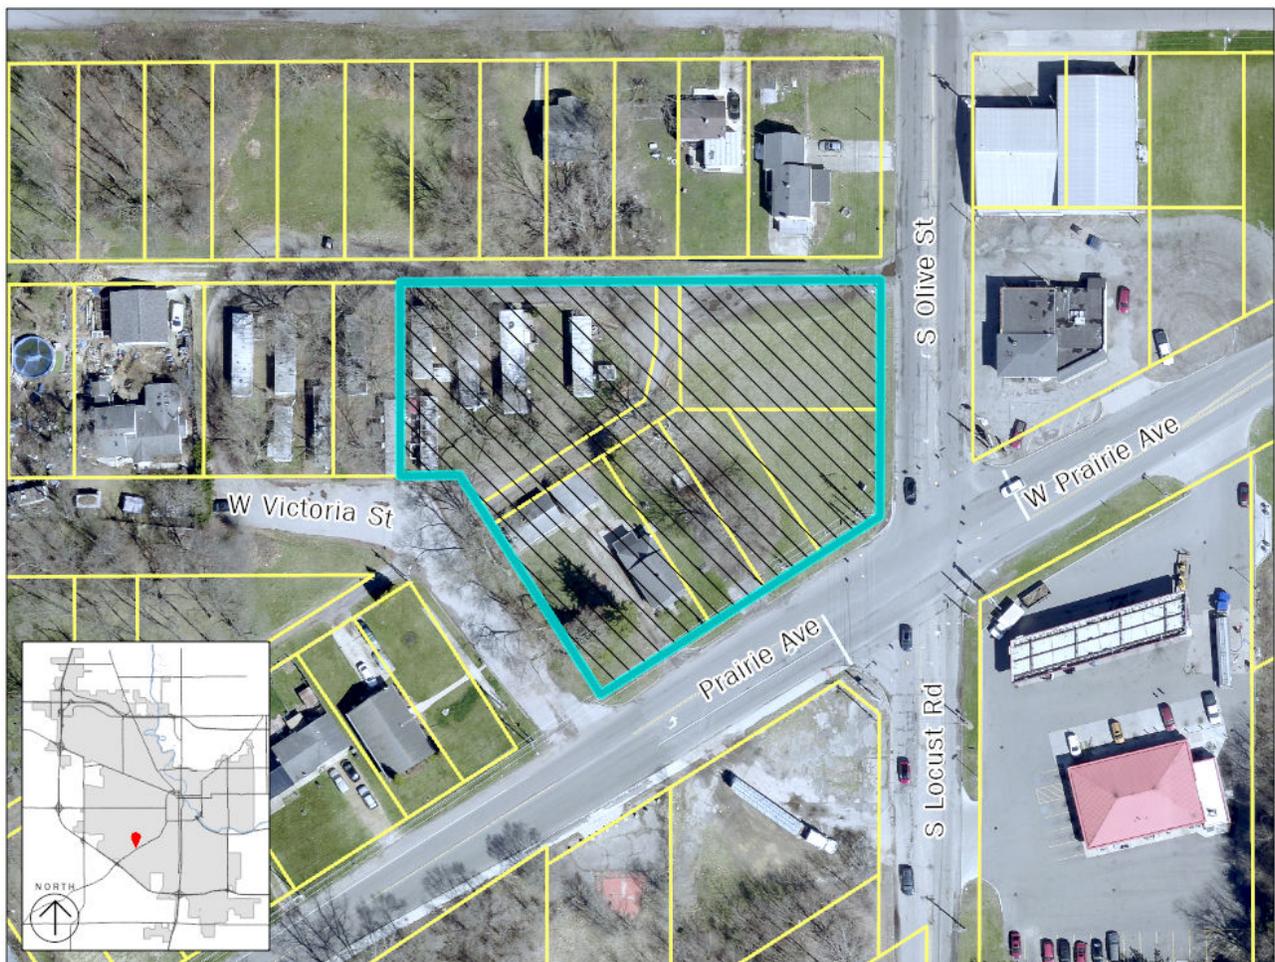

Requested Action

Rezone from S1 Suburban Neighborhood 1 to C Commercial

Project Summary

The project will consist of the rezoning of six lots from S1 Suburban Neighborhood 1 to C Commercial for the establishment of a Convenience Store / Filling Station.

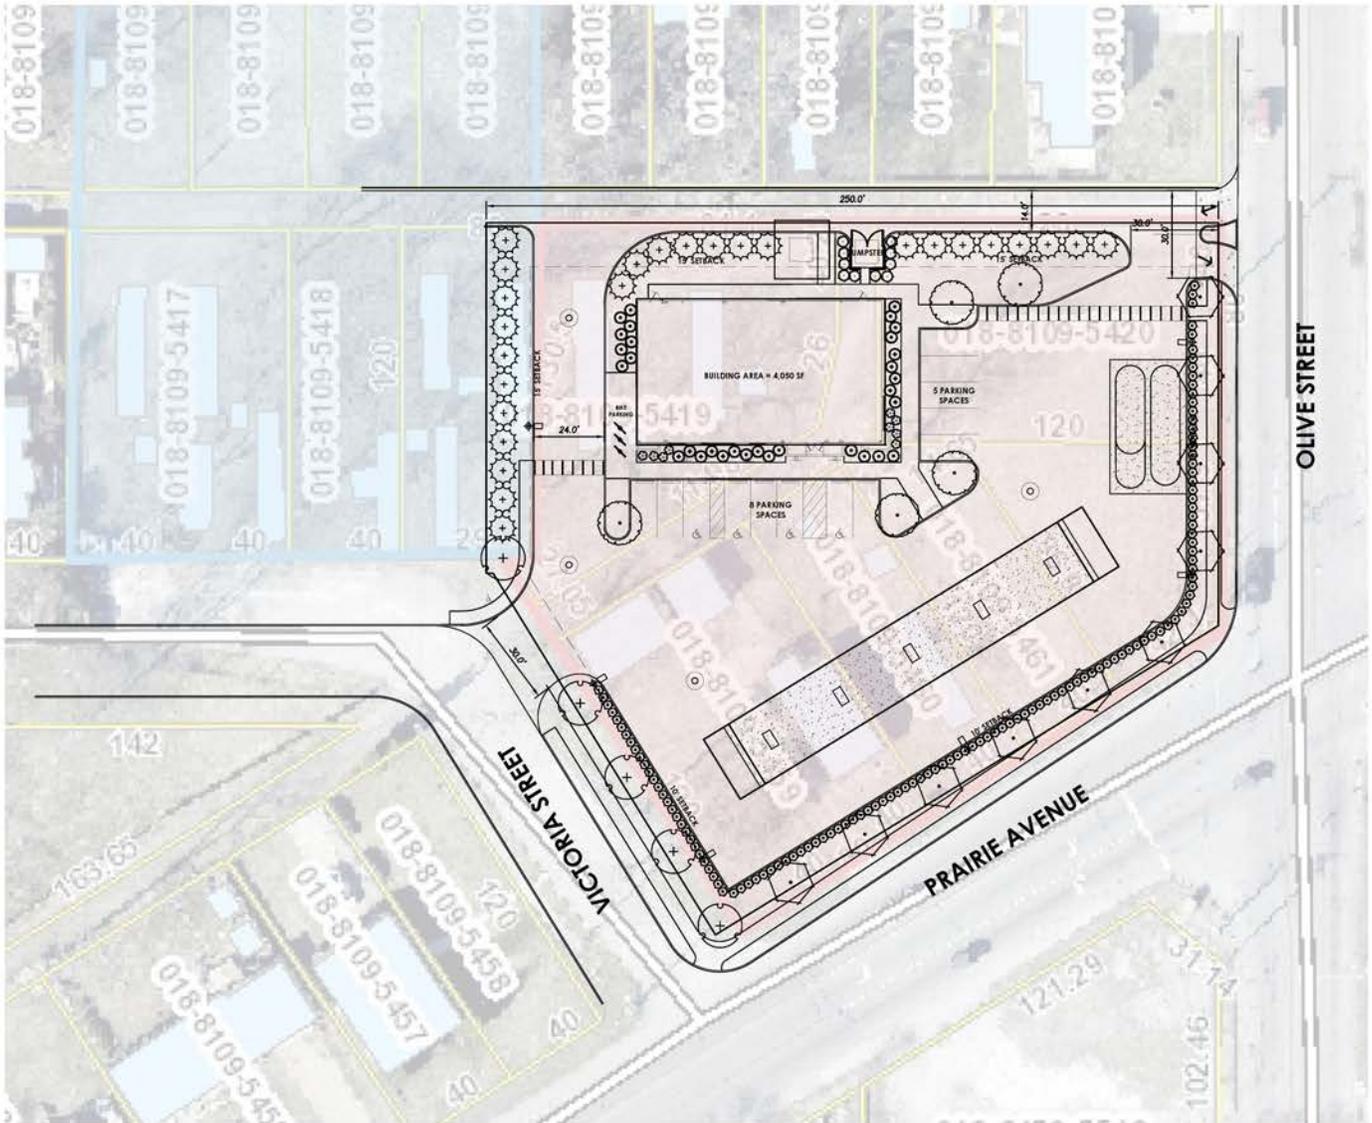

Location Map

Recommendation

Staff Recommendation: Based on the information available prior to the public hearing, the staff recommends the Plan Commission send the rezoning petition to the Common Council with a favorable recommendation.

Proposed Site Plan

Site & Context

Land Uses and Zoning:

On site: On site is currently a single dwelling unit and multiple vacant lots.

North: To the north, across an alley, are single unit dwellings zoned S1 Suburban Neighborhood 1.

East: To the east, across Olive Street, is a restaurant zoned NC Neighborhood Center.

South: To the south, across Prairie Ave, is a vacant lot zoned C Commercial.

West: To the west, across Victoria Street, is a single unit dwelling zoned S1 Suburban Neighborhood 1.

District Intent:

The C District is established to provide a location for medium- to high-intensity commercial uses that are auto-oriented, typically located along major corridors at the fringe of the City or as small groupings located outside of neighborhood centers.

Site Plan Description:

The site plan shows the construction of a new gas station and convenience store located in the northwestern portion of the site with the gas canopies along Prairie Avenue. The site plan demonstrates the vacation of the alley which currently runs through the property.

Zoning and Land Use History and Trends:

The far south western portion of the city was developed slowly during the middle of the 20th Century with small suburban ranch homes and small scale commercial along Prairie. With the construction and expansion of the Four Winds Casino in the past decade, there has been an increase in small commercial activity along Prairie.

Traffic and Transportation Considerations:

Prairie avenue is a two lane State-Highway with no on-street parking. Olive Street is a two lane street with no on-street parking. Victoria Street is rural in nature and will require being upgraded to current engineering standards.

Agency Comments

Agency Comments:

Victoria Street will need to be improved to commercial standards for the full width of the road and the depth of the lot. The access point will be limited to a right-in-right-out turning movement. A traffic impact study or other information may be needed prior to the approval of any construction plans.

Staff Comments:

Commercial activity along the lot may be beneficial to the surrounding neighborhood if developed in a manner compatible with the other small scale commercial properties nearby. While staff does not normally support the demolition of residential structures for commercial growth, this home faces a highly traveled State highway across from commercially zoned properties. Ensuring the property does not encroach into an established residential neighborhood is critical.

Criteria for Decision Making

Rezoning

Per State Law, the Plan Commission and Common Council shall pay reasonable regard to:

1. Comprehensive Plan:

Policy Plan:

The petition with City Plan, South Bend Comprehensive Plan (2006), Objective LU 2.2 Pursue a mix of land uses along major corridors and other locations identified on the Future Land Use Map.

Land Use Plan:

The future land use plan identifies this area as low density residential.

Plan Implementation/Other Plans:

The neighborhood and City Planning Staff are in an ongoing planning process for the greater Rum Village Neighborhood. The planning process has identified the desire for an increased commercial presence along Prairie Avenue if well designed and integrated into the surrounding areas.

2. Current Conditions and Character:

The current character of the area is small scale suburban commercial properties and small single family homes.

3. Most Desirable Use:

The most desirable use for the land would be commercial uses which fit into the small scale suburban character of the surrounding area.

4. Conservation of Property Values:

With proper buffering and design, the proposed development should not have significant impact on surrounding property values.

5. Responsible Development and Growth:

It is responsible development and growth to allow for the limited commercial development close to a major thoroughfare.

Analysis & Recommendation

Commitments: There are no commitments proposed at this time.

Analysis: Rezoning the property to C Commercial will allow for commercial growth along Prairie Avenue. The intersection of two major corridors – Olive and Prairie – make this a logical node for commercial activity. Provided the site meets all the proper buffering and improvements required for commercial development, the impact should be minimized as much as possible. Ensuring the property does not encroach into an established residential neighborhood is critical. In recent planning process (fall of 2021), the neighborhood has indicated a desire for commercial uses that are compatible with the surrounding neighborhood without negatively impacting property values.

Recommendation: Based on the information available prior to the public hearing, the staff recommends the Plan Commission send the rezoning petition to the Common Council with a favorable recommendation.

Property Information

Location: 3400 NORTHSIDE BLVD
Owner: THE RIVER GARDENS LLC

Requested Action

Request to terminate written commitments associated with the original rezoning in 2007

Location Map

Recommendation

Staff Recommendation: Based on the information available prior to the public hearing, the staff recommends the Commission modify the written commitments as follows: 1) A 10' minimum side setback shall be required on the east and west property lines; 2) Apartment House and Stacked Flat Building Types shall not be permitted, 3) The developer/owner will install a 6 foot high opaque fence along the East and West property lines of the project site in the area where the buildings and pavement are proposed to be located to screen them from the adjacent properties ; and 4) All buildings shall be limited to 2.5 stories and 35' in height.

Site & Context

Land Uses and Zoning:

- On site: Is a vacant wooded lot zoned U3 Urban Neighborhood 3
- North: To the north, across Northside Blvd, are single family homes zoned U1 Urban Neighborhood 1
- East: To the east is a single family home zoned U1 Urban Neighborhood 1
- South: To the south is the St. Joseph River
- West: To the west is a single family home zoned U1 Urban Neighborhood 1

Zoning and Land Use History and Trends:

The property was rezoned in 2007 to allow for townhome style development. The following written commitments were included as conditions to the rezoning:

- 1). That the Single-family attached homes fronting along Northside Blvd. will be setback a minimum distance of 50 feet from the Centerline of the Right-of-way of Northside Blvd.;
- 2). That as shown on the Preliminary site plan which is attached for reference, there shall be a minimum side-yard setback along the East and West project property lines to the North tier of Single-family attached buildings of at least 22 feet;
- 3). That as shown on the Preliminary site plan which is attached for reference, there shall be a minimum side-yard setback along the East and West project property lines to the South tier of Single-family attached buildings of at least 12 feet;
- 4). That the developer/owner will plant evergreen trees of at least a height of 15 feet along the East and West property lines of the project site in the area where the Buildings and pavement are proposed to be located to screen them from the adjacent properties;
- 5). That the developer/owner will install a 6 foot high opaque fence along the East and West property lines of the project site in the area where the Buildings and pavement are proposed to be located to screen them from the adjacent properties;
- 6). That this single-family attached home project will be a gated Community with a 4 foot high ornamental fence running along the Northside Blvd. frontage of the project site as allowed by the Zoning Ordinance of the City of South Bend;
- 7). The maximum height of the single-family attached homes shall not exceed 30 feet;
- 8). The maximum number of single-family attached homes built on the project site shall be limited to 24 dwelling units.

The site has gone undeveloped since the rezoning in 2007. In the replacement zoning map that took affect on January 1, 2020, the property was designated as U3 Urban Neighborhood 3. The written commitments remain with the property until such time as they are amended or terminated. The property owner is requesting the written commitments be terminated. The development standards in the current Ordinance, including the requirements of the U3 Urban Neighborhood 3 District and the Building Standards, would apply to the site.

Agency Comments

Staff Comments:

In order to be consistent with the original intent of the property and the basis by which the original rezoning was approved, the staff suggests the commitments get modified as follows:

- 1) A 10' minimum side setback shall be required on the east and west property lines.
- 2) Apartment House and Stacked Flat Building Types shall not be permitted.

3) The developer/owner will install a 6 foot high opaque fence along the East and West property lines of the project site in the area where the buildings and pavement are proposed to be located to screen them from the adjacent properties.

4) All buildings shall be limited to 2.5 stories and 35' in height

The site will be required to meet all other development standards for the site, including tree preservation, minimum setbacks, building standards, etc.

Analysis & Recommendation

Analysis: The homogeneous nature of the proposed building types limits the overall appeal of the project. One building type repeated over and over does not cater to a broader potential market of home owners or address urban design issues that could make the project safer and more attractive which would contribute to the long term value of the homes of this unique property. However, the property as a whole is well suited for medium density housing. Modifying the written commitments to allow for additional site options and layout could further the development of the site and allow for construction of a medium density development adjacent to the river amenity.

Recommendation: Based on the information available prior to the public hearing, the staff recommends the Commission modify the written commitments as follows: 1) A 10' minimum side setback shall be required on the east and west property lines; 2) Apartment House and Stacked Flat Building Types shall not be permitted, 3) The developer/owner will install a 6 foot high opaque fence along the East and West property lines of the project site in the area where the buildings and pavement are proposed to be located to screen them from the adjacent properties; and 4) All buildings shall be limited to 2.5 stories and 35' in height.

Requested Action

RESOLUTION OF THE SOUTH BEND PLAN COMMISSION APPROVING A RESOLUTION OF THE SOUTH BEND REDEVELOPMENT COMMISSION TO AMEND THE BOUNDARIES OF THE RIVER EAST DEVELOPMENT AREA AND APPROVING THE AMENDED AND RESTATED DEVELOPMENT PLAN FOR THE RIVER EAST DEVELOPMENT AREA

Project Summary

On April 14, 2022, the South Bend Redevelopment Commission approved and adopted its Resolution No. 3548 entitled “Resolution of the South Bend Redevelopment Commission Amending the Boundaries of the River East Development Area and the River East Development Area Allocation Area No. 1, Amending and Restating the Development Plan for Said Area and Regarding Related Matters”.

The current resolution incorporates the following amendments:

- Tax Increment Financing Expansion
- Adding Certain parcels of property to the River East Area property acquisition list
- Approve an amended and restated development plan for the River East Area

The River East Development Area has seen significant investment in the past ten years. These new investments provide opportunities to make sure the growth in the River East Area is equitable and well distributed.

The Northeast Neighborhood has also been in the process over the past year of developing a new neighborhood plan for the area which has identified key areas of concerns and prospects for the area. To both capture the value of new investments and make sure the added revenue is invested into the neighborhood as identified in the neighborhood plan, these amendments will help to permit the Redevelopment Commission to proceed with the redevelopment and economic development of the River East Area.

Recommendation

Staff Recommendation:

Based on the information available prior to the public hearing, the staff recommends the Commission approve the resolution.

RESOLUTION NO. _____

**RESOLUTION OF THE SOUTH BEND PLAN COMMISSION
APPROVING A RESOLUTION OF THE SOUTH BEND
REDEVELOPMENT COMMISSION TO AMEND THE BOUNDARIES OF
THE RIVER EAST DEVELOPMENT AREA AND APPROVING THE
AMENDED AND RESTATED DEVELOPMENT PLAN FOR THE RIVER
EAST DEVELOPMENT AREA**

WHEREAS, the South Bend Area Plan Commission (the “Area Plan Commission”), is the body charged with the duty of developing a general plan of development for the City of South Bend, Indiana (the “City”); and

WHEREAS, the South Bend Redevelopment Commission (the “Commission”), the governing body of the South Bend Department of Redevelopment (the “Department”) on April 14, 2022, approved and adopted its Resolution No. 3548 entitled “Resolution of the South Bend Redevelopment Commission Amending the Boundaries of the River East Development Area and the River East Development Area Allocation Area No. 1, Amending and Restating the Development Plan for Said Area and Regarding Related Matters” (the “River East Declaratory Resolution”); and

WHEREAS, the River East Declaratory Resolution (i) designated and declared certain areas within the City to be redevelopment areas and an allocation area for purposes of tax increment financing to expand the existing River East Development Area; (ii) added certain parcels of property to the River East Area property acquisition list; and (iii) approved an amended and restated development plan for the River East Area (the “River East Plan”); and

WHEREAS, the Plan Commission desires to approve the River East Declaratory Resolution (the “Declaratory Resolution”) and the River East Plan; and

WHEREAS, the Commission has submitted the Declaratory Resolution and the River East Plan to the Plan Commission for approval pursuant to the provision of Indiana Code 36-7-14, as amended (the “Act”), which Declaratory Resolution and River East Plan are attached hereto and made a part hereof; and

WHEREAS, pursuant to the provisions of the Act, the Plan Commission desires to issue its written order approving the Declaratory Resolution and the River East Plan;

NOW, THEREFORE BE IT RESOLVED by the South Bend Plan Commission, as follows:

1. The Declaratory Resolution and the River East Plan conform to the plan of the development of the City.
2. The River East Plan is in all respects approved, ratified and confirmed.

3. The River East Declaratory Resolution (i) designating and declaring certain territory to expand the existing River East Area; (ii) adding certain property to the River East acquisition list; and (iii) approving the River East Plan is in all respects approved, ratified and confirmed.

4. This Resolution hereby constitutes the written order of the Area Plan Commission approving the Declaratory Resolution and the River East Plan pursuant to Indiana Code 36-7-14-16.

5. The Secretary of the Plan Commission is hereby directed to file copies of the Declaratory Resolution and the River East Plan with the minutes of this public meeting.

PASSED, ISSUED AND APPROVED by the South Bend Plan Commission this
_____ day of April, 2022.

Purpose

The purpose of the River East Development Area Plan is as follows:

- To provide a broad vision and strategy for the economic and physical revitalization of the River East Development Area, and
- To establish a framework for ongoing collaborative planning efforts involving residents and other property owners, business owners, civic associations, institutional partners, and local government.
- To promote high quality, impactful projects consistent with best practice planning principles.

History of River East Development Area

The South Bend Redevelopment Commission designated the East Bank Development Area in 1980 [Declaratory Resolution No. 626 and Confirming Resolution No. 630]. This development area was merged with the Central Downtown Urban Renewal Area and the Monroe Sample Development Area [Declaratory Resolution No. 727 and Confirming Resolution No. 729] in 1985 to create the South Bend Central Development Area. The Northeast Neighborhood Development Area was created in 2003 [Declaratory Resolution No. 2016 and Confirming Resolution No. 2021] In 2014, the portion of the South Bend Central Development Area located east of the St. Joseph River was merged with the Northeast Neighborhood Development Area and was expanded southeast along the river to the Farmers Market area to create the River East Development Area. [Declaratory Resolution No. 3228 and Confirming Resolution No. 3255]

Location of River East Development Area

The River East Development Area includes all or most of the Northeast, East Bank, and Howard Park neighborhoods and the Farmers Market area. The development area boundary is more specifically represented by the boundary map in Appendix A and in the legal description found in Appendix B.

Development Area Activities

The goals and objectives for the River East Development Area will be accomplished through a combination of public and private actions. Public actions may be any redevelopment activities permitted by state law, including, but not limited to, the following:

1. Provision for public works improvements to infrastructure, such as streets and roads, sidewalks, curbs, water mains, storm drains, sewers and other utilities, lighting, traffic controls, and landscaping of public spaces and rights-of-way;
2. Vacation and dedication of public rights-of-way;
3. Provision for other public facilities and improvements such as: fire stations, public safety, public educational facilities, and parks;
4. Property acquisition and the assemblage of properties for the siting of new development;
5. Relocation of individuals, households, or businesses;
6. Disposition of assembled sites, rehabilitated structures, and other properties;
7. Rehabilitation or demolition of built structures;

8. Environmental study and remediation of properties;
9. Pre-development activities, such as engineering, architectural work, planning, professional services, traffic analysis, market area analysis, marketing, program development, title, survey, appraisal, and legal work; or
10. Any other activity pertaining to planning and implementing the River East Development Plan.

Activities, as well as goals and objectives, may be further detailed in adopted neighborhood and master plans for areas within the River East Development Area. These plan documents are listed in Appendix D.

The following are the goals and objectives for the River East Development Area:

Goals / Objectives

1. *Land Use and Growth*: Encourage sustainable growth that preserves and enhances the character of the City of South Bend (the “City”) and ensures compatibility of land uses in the community.
 - a. Support the use and redevelopment of land in accordance with established plans.
 - b. Prioritize development in established areas over development at the edge of the city.
 - c. Promote high quality neighborhoods, especially those that offer neighborhood-scale commercial services, employment opportunities, and community spaces.
 - d. Foster urban density, including among residential uses.
 - e. Support mixed-use development, especially when concentrated downtown or in neighborhood centers.
 - f. Facilitate the creation of development sites.
 - g. Promote projects that best maximize the assessed value of the property.
 - h. Reinforce connectivity between University of Notre Dame and East Bank / Downtown South Bend
2. *Transportation*: Provide a balanced transportation system that is integrated locally and regionally and employs Complete Streets principles.
 - a. Design a transportation network for all users that supports access, mobility, and health by providing streets that are safe, convenient, accessible, and attractive.
 - b. Provide a transportation system that improves mobility, especially by connecting residents to centers of commerce, employment, and recreation.
 - c. Partner with businesses, private developers, institutions, and other governmental agencies to develop transportation facilities that provide better access within and beyond the City’s borders connecting to other regional metropolitan areas.

3. *Public Infrastructure and Facilities:* Provide efficient and progressive public infrastructure and facilities that accommodate future growth and meet the community's changing needs.
 - a. Construct and plan for the long-term maintenance of street, streetscape, parking, utility, and other basic infrastructure improvements that stimulate private development, especially in already established areas of the City.
 - b. Support the development of conventional and emerging technology-based infrastructure, particularly in ways that maximize aesthetics and mitigate any negative impacts.
 - c. Provide well maintained parks, trails, and other recreational and cultural facilities that are easily accessible to the community.
 - d. Provide municipal buildings and facilities necessary to serve the community.

4. *Housing:* Achieve a thriving housing market within the City that offers appealing neighborhoods with diverse housing choices.
 - a. Encourage housing options for all household types, abilities, age groups, and income levels.
 - b. Facilitate a full range of housing types, varying in size, arrangement, style, and amenity.
 - c. Support the renovation of existing housing stock to meet the community's housing needs.
 - d. Promote the development of workforce housing.

5. *Economic Development:* Promote a healthy, diversified, and inclusive economy that fosters a competitive business environment and offers opportunities for employment and entrepreneurship.
 - a. Stimulate the creation, retention, and expansion of business, particularly in expanding and export industries.
 - b. Market the City to businesses and developers through a deliberate strategy.
 - c. Encourage economic opportunities in geographies across the City.
 - d. Encourage the use of arts and culture as an economic generator.
 - e. Protect and increase the personal and real property tax base of the area.

6. *Sustainability and Environmental Management:* Promote sustainable environmental management that enhances the quality of air, water, and land resources, and preserves the St. Joseph River as an irreplaceable resource.
 - a. Utilize principles of sustainable design, development, and practice.
 - b. Facilitate the productive reuse of brownfield properties.
 - c. Expand the role of the St. Joseph River and other waterways as centers for recreation and natural habitat.
 - d. Encourage the preservation and expansion of the urban tree canopy.
 - e. Support the development of projects that promote the health of city residents.

7. *Placemaking and the Built Environment*: Promote an attractive public realm that preserves and enhances the City’s history and built environment.
 - a. Support walkable urban development.
 - b. Encourage urban design that creates or enhances a sense of place, provides vibrancy, incorporates arts and culture, and fosters safety.
 - c. Integrate parks and trails into the city using urban design principles.
 - d. Prioritize projects that preserve and rehabilitate existing buildings over ones of new construction.
 - e. Support development that is context sensitive and conserves the historical, architectural, and social fabric of the City.

8. *Education & Training*: Provide educational and training opportunities that support people of all ages to participate successfully in the economy.
 - a. Ensure a strong match between job skills among the population and present and future needs of employers.
 - b. Partner with organizations and institutions to enhance educational opportunities for youth from early childhood, pre-K to Grade 12, post-secondary and higher education.
 - c. Partner with organizations that offer internships, co-ops, apprenticeships, continuing education, lifelong learning, and other job training programs.

Tax Increment Financing (“TIF”) District

The South Bend Redevelopment Commission may implement the use of TIF within a redevelopment area pursuant to state law (I.C. 36-7-14).

TIF districts target blighted areas in order to transform them into viable areas making the community more appealing and attractive for economic development, which creates a better quality of life for the districts’ residents. TIF districts are powerful and effective tools that may provide financing for infrastructure improvements within redevelopment projects which may, in turn, entice market dollars back into abandoned and dilapidated areas. The lifespan of a TIF district varies based upon the time of its creation.

TIF creates revenues for improvements without raising taxes, offers incentives for businesses and developers, and builds communities. TIF works by capturing additional property tax revenue due to the revitalization of a designated area. The assessment rate of the year in which the TIF is established is used as the base year, and tax revenues generated due to the increase in assessment over the base year assessment of properties within the TIF district are set aside for use in that TIF district. Thus, no new taxes or increases in tax rates occur, rather TIF funds are generated when property values improve due to the overall improvement of the TIF district.

Statutory Findings

The River East Development Area Plan meets the following required findings by the Redevelopment Commission pursuant to State Law (36-7-14-15(a)):

1. The River East Development Area is an area in the territory under its jurisdiction and is an area needing redevelopment;
2. The conditions described in state law (I.C. 36-7-1-3) cannot be corrected in the River East Development Area by regulatory processes or the ordinary operations of private enterprise without resorting to state law (I.C. 36-7-14);
3. The public health and welfare will be benefitted by the amendment of the resolution or plan, or both, for the River East Development Area; and
4. The amendment is reasonable and appropriate when considered in relation to the original resolution or plan for the River East Development Area and the purposes of state law I.C. 36-7-14; and
5. The resolution or plan, with the proposed amendment, conforms to the comprehensive plan for the City.

Acquisition of Real Property in the River East Development Area

In connection with the accomplishment of this River East Development Plan, the South Bend Redevelopment Commission shall include all parcels with the boundaries set forth above on the acquisition list attached as Appendix C and shall follow the procedures set forth in state law (I.C. 36-7-14-19 or I. C. 36-7-14-19.5).

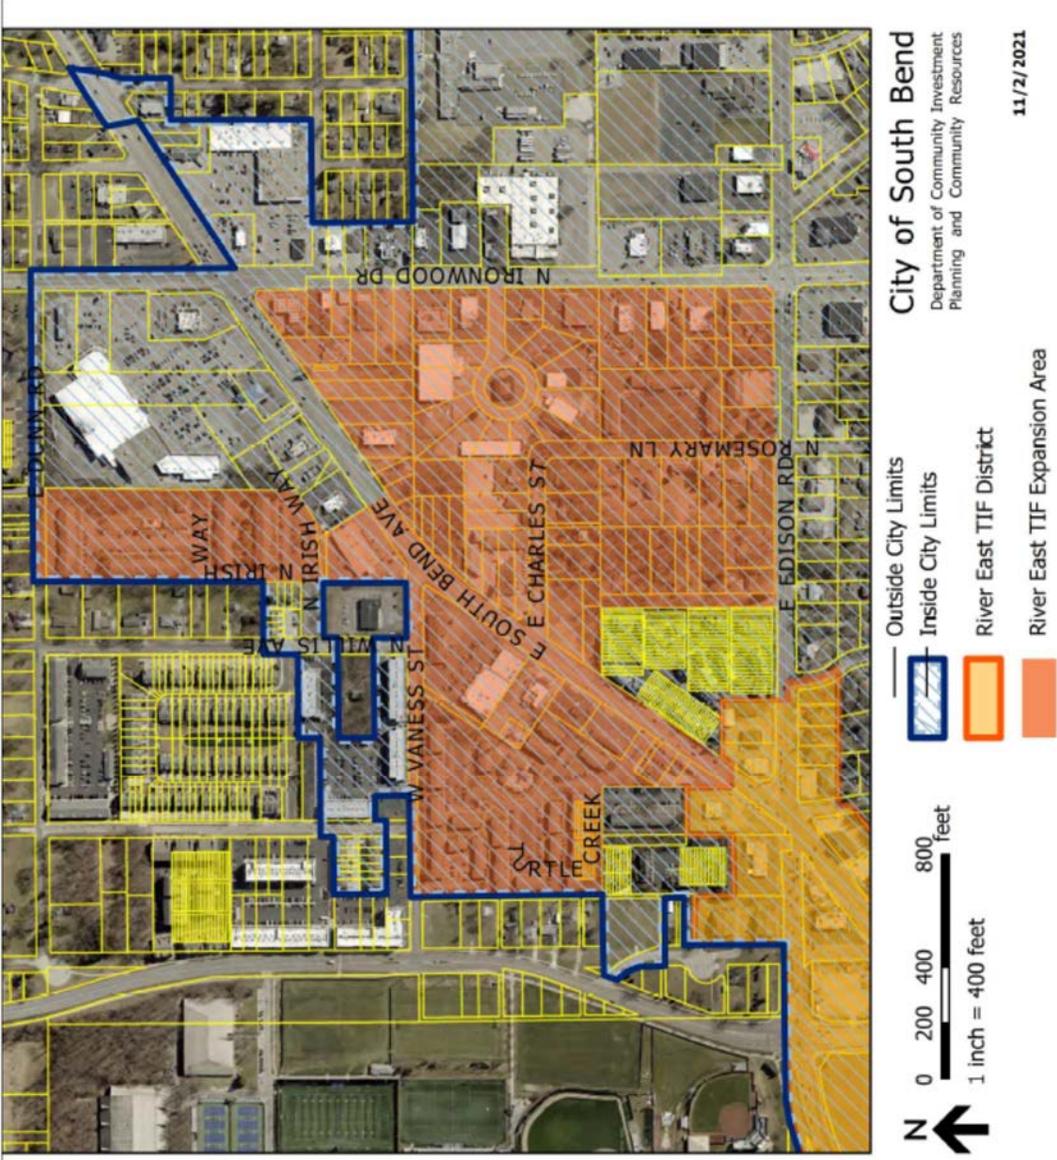

Procedure for Amendment of the River East Development Area Plan

The River East Development Area Plan may be amended by resolution of the South Bend Redevelopment Commission in accordance with state law (I.C. 36-7-14-17.5), which currently has requirements for Council and public input and comment. Any change affecting any property or contractual right may be made only in accordance with applicable state and local laws.
