The Department of Community Investment is asking for the Redevelopment Commission to approve the resolution, accepting the transfer of 2 lots along Walnut St. and Chestnut St. from the Board of Public Works.

The Board of the Public Works acquired these properties several years ago. With increased interest in redevelopment of property within this area of the West Washington Chapin Development area, the Department of Community Investment feels that it is within the best interest of the City to transfer the property to the Redevelopment Commission for eventual disposition.
