Public Media Statement
For Immediate Release: Monday November 7, 2022

Tuesday marks just the 2nd General Election for our community using Vote Centers. Vote Centers are still a new experience for most voters who've spent decades or more voting down the street from their home at their neighborhood church, school or community center.

"When the change was made 3 years ago, there was a fear that Vote Centers would result in voter suppression. Vote Centers will only result in voter suppression if we do not show up on Tuesday. Voting is too important to our City and our Democracy. South Bend needs to you get out and vote! South Bend residents should have a voting plan; before you go to bed on Monday, know when and where you are going to vote on Tuesday.

Give yourself plenty of time, don't expect to walk in and right out, and please be patient with our volunteer poll workers. Those needing a ride to vote, may call 574-288-VOTE. If you need information about what options you will see on your ballot, please visit Vote411.org. Get out & Vote South Bend!"

Registered voters can vote with their photo ID at ANY Vote Center from 6am to 6pm Tuesday. There are 42 Vote Centers in the County, with 17 of those in the City of South Bend including:

- North: LaSalle, Dickenson, Marquette & Clay Schools
- West: Charles Black Center and Washington, Navarre & Harrison Schools
- South: O'Brien Center and Riley, Jackson & Marshall Schools
- East: Rise Up Academy and Adams, Edison & McKinley Schools
- Downtown: The Main Library.
