In the above named assessment roll, no remonstrators appeared and no written remonstrances were filed, the Clerk of the Board submitted proofs of publication of notices and same were found sufficient, and the Board, therefore, finds that the several lots and parcels of land have been benefitted and damaged in the amounts shown on said roll. The Board, therefore, decides to take final action on said assessment roll and declares same in all things ratified, confirmed and approved without modification and the proceedings

closed and the alley vacated upon receipt of the amount of benefits assessments from the various property owners so benefitted and all proceedings had with reference to said alley vacation are hereby sustained.
