Criteria for Decision Making

Special Exception - if applicable

A Special Exception may only be granted upon making a written determination, based upon the evidence presented at a public hearing. Please address how the project meets the following criteria.

(1) The proposed use will not be injurious to the public health, safety, comfort, community moral standards, convenience or general welfare, because: we will only use the lot to park and rent wheel trucks and trailers. We have no chemicals and vehicles are locked and in good condition.

(2) The proposed use will not injure or adversely affect the use of the adjacent area or property values therein, because: there are no machines, noises or anything to disturb adjacent properties.

(3) The proposed use will be consistent with the character of the district in which it is located and the land uses authorized therein, because: only businesses are in the area including 3 auto parts stores.

(4) The proposed use is compatible with the recommendations of the Comprehensive Plan, because: It is needed in community. Other businesses complement the Lincolnway area.

Criteria for Decision Making

Variance(s) - *if applicable*

State statutes and the Zoning Ordinance require that certain standards must be met before a variance can be approved. Please address how the project meets the following criteria:

(1) The approval will not be injurious to the public health, safety, morals and general welfare of the community, because:

(2) The use and value of the area adjacent to the property included in the variance will not be affected in a substantially adverse manner, because:

(3) The strict application of the terms of this Chapter would result in practical difficulties in the use of the property, because:

(4) The variance granted is the minimum necessary, because:

(5) The variance does not correct a hardship caused by a former or current owner of the property, because:
