RE: Street & Alley Vacation
Applicant: Joseph Weartherly
Location: 1st N/S alley East of Taylor, Between Madison and the 1st E/W alley South of Madison.

Dear Board Members:

The staff has reviewed this petition relative to IC 36-7-3-13. It is the staff's opinion that:

- (1) The vacation **would not** hinder the growth or orderly development of the unit or neighborhood in which it is located or to which it is contiguous.

The alley is a mid-block alley and is not a critical circulation link in the neighborhood.

- (2) The vacation **would not** make access to the lands of the aggrieved person by means of public way difficult or inconvenient.

The property owner requesting the vacation owns both sides of the alley, and will have continued access to Madison and the alley to the rear of the properties.

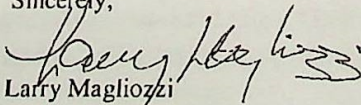

- (3) The vacation **would not** hinder the public's access to a church, school, or other public building or place.

No church, school or other public building or place is accessed by either the alley.

- (4) The vacation **would not** hinder the use of a public way by the neighborhood in which it is located or to which it is contiguous.

The vacation will not hinder access to other adjacent public ways for other properties within the same block.

Sincerely,

Larry Magliozzi
