Subject: Rupel/Johnson No Parking

Leslie and Charlie,

I want to re-visit this topic, as it was requested back in June of 2023 to add no parking on one side of the street due to the problems we were encountering on the weekends in this area. We are once again having the same issues around this establishment on Friday and Saturday nights. I have included a map indicating the areas in red where we would like to add No Parking. The line in yellow is the current No Parking as of today.

The no parking can target the weekends during the nighttime hours if we don't want to restrict it at all times. Please let me know what we can do to take the next steps on this. Thank you
