3b. Live Way of the Cross-April 18 2025

Father Ben Landrigan joined the meeting to discuss an event application put forth on behalf of a group from Our Lady of Hungary Parish in Rum Village. The group puts on an annual Live Way of the Cross-Stations of the Cross typically on Good Friday or thereabouts. Those attending the re-enactment follow a route to each station with the aid of SBPD at intersecitons.

The re-enactment begins in front of the church and continues along Chapin St to N Dubail St, continuing to Kemble Ave, then Donald St to Chapin St and back to the church depicting Jesus' journey prior to the crucifixion. Father Ben requested that Chapin between Calvert and Bruce be closed as the crucifixion scene will be held on an elevated area between the church and school. Mass will be held following the completion of the re-enactment.

Cones will be dropped by Traffic & Lighting at the intersections prior to the event and volunteers will move them in and out of place as needed.

Upon a motion by Ms Roush and seconded by Mr Rohrscheib, the permit for Live Way of the Cross was approved unanimously.

3c. Opening Day Parade-April 26 2025

This year's Chet Waggoner Opening Day Parade will make a minor change in the route of the parade due to construction by the Waste Water Plant. The parade will begin at Holy Cross School, travel Vassar to Diamond Ave, then to Portage, stopping in Highland Cemetery to honor Chet Waggoner, then exiting onto Portage, then traveling to Boland, then Riverside to CWLL.

This is an annual event and therefore the committee had no further comments or concerns.

Upon a motion by Ms Roush and seconded by Mr Rohscheib, the permit for Opening Day Parade was approved unanimously.

3d. Cinco de Mayo Festival

Juan Ramos joined the meeting to represent the application for the annual Cinco de Mayo Festival hosted by St Adalbert's Parish. Mr Ramos told the committee that an additional street closure on Huron between S Meade/S Olive was requested this year to allow for handicap parking and supply offloading. The details of the festival are the same as in previous years. The festival will not offer sales of alcoholic beverages.

Mr Ramos provided a signature list of neighbors that may be affected by the closure. He added that the surrounding neighbors are very excited and supportive.

This is an annual event, and the committee members had no further questions.

Upon a motion by Ms Roush and seconded by Mr Rohscheib, the permit for Cinco de Mayo was approved unanimously.

3e. South Bend Westside Memorial Parade

Carrie Pickens and Katie Reeves joined the meeting to represent this year's South Bend Westside Memorial Day Parade. This will be the 99th year for the parade. Staging will be held at the middle school located at Lombardi and Ford St. The parade will follow along Ford St to Olive in a tribute to fallen veterans. The seventeen block route will be assisted by SB Street Department, SBPD, SBFD and a team of parade volunteers.

Ms Reeves identified issues with street closures in 2024 and communicated them to Traffic & Lighting.

The parade route will be checked for potholes and swept the week of May 19th by the Street Department. Letters will be passed out to residents along the route in preparation of the parade.

This year the City of South Bend will celebrate it's 160th birthday and this theme will be incorporated into this year's Memorial Day Parade festivities. Planning for additional activities to pay homage to fallen veterans as well as the City's birthday were not complete at the time of the meeting.

Upon a motion by Ms Roush and seconded by Mr Rohscheib, the permit for South Bend Westside Memorial Parade was approved unanimously.
