DEPARTMENT OF PUBLIC WORKS DIVISION OF ENGINEERING

TO: Hillary Horvath, Clerk
Board of Public Works

FROM: Zach Hurst, PE, Sr. Project Engineer

SUBJECT: Ratify Emergency Contract
Demolition of 2527 West Western Avenue

DATE: 12/01/2025

On November 7th, Jim Wood, Chief Inspector with Neighborhood Services & Enforcement (NSE), visited the subject property to perform asbestos testing in advance of demolition. The building has an affirmed demolition order and the City's standard quote procedure was being used to procure a demolition contractor. Inspector Wood noted advanced deterioration of the building leading to partial collapse of the floor, seen here:

Inspector Wood recommended the surrounding sidewalks be closed immediately, so I visited the site, and noted the same deficiencies, and that further collapse of the building was possible, especially given the upcoming winter weather and potential for large snow load. I recommended emergency demolition should be pursued through Indiana's Unsafe Building Law, which Kenisha Wells, Director of NSE, agreed with.

An emergency quote request was compiled and sent on November 20th to five local demolition contractors with the following results:

- Green Demolition: \$22,800
- Ritschard Brothers: \$30,590
- Indiana Earth: No Quote
- Jackson Demolition: No Quote
- Pelley Excavating: No Quote

I recommend award of an emergency contract for the **Demolition of 2527 W. Western Avenue** to *Green Demolition*, in the amount of \$22,800.00. Funding is available through PR-00044724.
