

CITY OF SOUTH BEND, INDIANA
CONTRACTOR'S BID FOR PUBLIC WORK
CHECKLIST FOR BIDDERS

Project Name Colfax Avenue Streetscape Project
Project No. 123-010
For Bids Due February 24, 2026

From time to time the South Bend Board of Public Works finds it necessary to reject a bid because it does not comply with statutory requirements. In preparing your bid, please use the following checklist in order to make sure that your bid is done in the proper manner.

- Proper bid security included. The bidder has the option of providing either a Certified Check or Bid Bond.
- Bid prepared on the City of South Bend Contractor's Bid for Public Work Form, completely executed.
- Contractor's Non-Collusion and Non-Debarment Affidavit, Certification Regarding Investments with Iran, Employment Eligibility Verification, Non-Discrimination Commitment, and Certification of use of United States Steel Products or Foundry Products.
- Proof of M/WBE Utilization Plans [MBE-1.0 and WBE-1.0]. Also provide Evidence of Good Faith Efforts Forms [MBE-2.0 and WBE-2.0] and M/WBE Contacted Forms [MBE-2.1 and WBE-2.1].
- Acknowledge Receipt of 2 Addendum(s) included with the bid.
- All required additional information is included with the bid.
- Proposal statements and other affidavits all signed by the proper party with name either printed or typed underneath signature.
- This checklist submitted with the Bid.

This checklist is provided for bidder's use in assuring compliance with required documentation; however, it does not include all specifications requirements and does not relieve the bidder of the need to read and comply with the specifications.

Bidder: Rieth-Riley Construction Co., Inc. Date: February 24, 2026

By Authorized Representative:

CITY OF SOUTH BEND, INDIANA
CONTRACTOR'S BID FOR PUBLIC WORK

Project Name Colfax Avenue Streetscape Project

Project No. 123-010

For Bids Due February 24, 2026

PART I

(Must be completed for all bids. Please type or print)

Date: February 24, 2026 Bidder (Firm): Rieth-Riley Construction Co., Inc.

Address: 25200 State Road 23

City/State/Zip: South Bend, IN 46614 Telephone Number: (574-) 288-8321

Agent of Bidder (if Applicable): Ruben Alvarado - Sales Manager

Pursuant to notices given, the undersigned offers to furnish labor and/or material necessary to complete the public works project of:

Colfax Avenue Streetscape Project No. 123-010

the City of South Bend, Indiana, in accordance with plans and specifications prepared by:
JONES, PETRIE, RAFINSKI CORP

and dated N/A for the sum of (enter the Total Bid as shown on the Proposal)

Three million nine hundred and fifteen thousand one hundred and five (\$3,915,105.00)
(Enter sum of Total Base Bid plus Alternates shown on Proposal) Dollars. (Numerical)

The undersigned further agrees to furnish a bond or certified check with this bid for an amount specified in the notice of the letting. If alternative bids apply, the undersigned submits a proposal for each in accordance with the notice. Any addendums attached will be specifically referenced at the applicable page.

If additional units of material included in the contract are needed, the cost of units must be the same as that shown in the original contract if accepted by the City of South Bend. If the bid is to be awarded on a unit basis, the itemization of the units shall be shown on a separate attachment.

PART II

(For projects of \$100,000 or more – IC 36-1-12-4)

These statements to be submitted under oath by each bidder with and as part of his/her/its bid.

Attach additional pages for each section as needed.

SECTION I EXPERIENCE QUESTIONNAIRE

1. Attach information regarding projects your organization has completed for the period of one (1) year prior to the date of the current bid.
2. Attach a listing of public works projects currently in process of construction by your organization.
3. Attach information regarding any failure to complete any work awarded to you and the location thereof.
4. Attach references from private firms for which you have performed work.

SECTION II PLAN AND EQUIPMENT QUESTIONNAIRE

1. Attach an explanation of your plan or layout for performing proposed work. (Examples could include a narrative of when you could begin work, complete the project, number of workers, etc. and any other information which you believe would enable the City of South Bend to consider your bid.)
2. Attach a listing of the names and addresses of all subcontractors (i.e. persons or firms outside your own firm who have performed part of the work) that you have used on public works projects during the past five (5) years along with a brief description of the work done by each subcontractor.
3. If you intend to sublet any portion of the work, attach the name and address of each subcontractor, equipment to be used by the subcontractor, and whether you will require a bond. However, if you are unable to currently provide a listing, please understand a listing must be provided prior to contract approval. Until the completion of the proposed project, you are under a continuing obligation to immediately notify the City of South Bend in the event that you subsequently determine that you will use a subcontractor on the proposed project.
4. Attach a listing of equipment you have available to use for the proposed project.
5. Have you entered into contracts or received offers for all materials which substantiate the prices used in preparing your proposal? If not, attach an explanation for the rationale used which would corroborate the prices listed.

SECTION III CONTRACTOR'S FINANCIAL STATEMENT

Attachment of bidder's financial statement is mandatory. Any bid submitted without said financial statement as required by statute shall thereby be rendered invalid. The financial statement provided hereunder to the City of South Bend awarding the contract must be specific enough in detail so that said City of South Bend can make a proper determination of the bidder's capability for completing the project if awarded.

When the prospective Contractor is unable to certify to any of the statements below, it shall attach an explanation to this Affidavit.

CONTRACTOR'S NON-COLLUSION AND NON-DEBARMENT AFFIDAVIT, CERTIFICATION REGARDING INVESTMENT WITH IRAN, EMPLOYMENT ELIGIBILITY VERIFICATION, NON-DISCRIMINATION COMMITMENT AND CERTIFICATION OF USE OF UNITED STATES STEEL PRODUCTS OR FOUNDRY PRODUCTS

(Must be completed for all quotes and bids. Please type or print)

STATE OF Indiana)
) SS:
St. Joseph COUNTY)

The undersigned Contractor, being duly sworn upon his/her/its oath, affirms under the penalties of perjury that:

1. Contractor has not, nor has any other member, representative, or agent of the firm, company, corporation or partnership represented by him, entered into any combination, collusion or agreement with any person relative to the price to be bid by anyone at such letting nor to prevent any person from bidding nor to induce anyone to refrain from bidding, and that this bid is made without reference to any other bid and without any agreement, understanding or combination with any other person in reference to such bidding. Contractor further says that no person or persons, firms, or corporation has, have or will receive directly or indirectly, any rebate, fee, gift, commission or thing of value on account of such sale; and
2. Contractor certifies by submission of this proposal that neither contractor nor any of its principals are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any Federal department or agency; and
3. Contractor has not, nor has any successor to, nor an affiliate of, Contractor, engaged in investment activities in Iran.
 - a. For purposes of this Certification, "Iran" means the government of Iran and any agency or instrumentality of Iran, or as otherwise defined at Ind. Code § 5-22-16.5-5, as amended from time-to-time.
 - b. As provided by Ind. Code § 5-22-16.5-8, as amended from time-to-time, a Contractor is engaged in investment activities in Iran if either:
 - i. Contractor, its successor or its affiliate, provides goods or services of twenty million dollars (\$20,000,000) or more in value in the energy sector of Iran; or
 - ii. Contractor, its successor or its affiliate, is a financial institution that extends twenty million dollars (\$20,000,000) or more in credit to another person for forty-five (45) days or more, if that person will (i) use the credit to provides goods and services in the energy sector in Iran; and (ii) at the time the financial institution extends credit, is a person identified on list published by the Indiana Department of Administration.
4. Contractor does not knowingly employ or contract with an unauthorized alien, nor retain any employee or contract with a person that the Contractor subsequently learns is an unauthorized alien.

Contractor agrees that he/she/it shall enroll in and verify the work eligibility status of all of Contractor's newly hired employees through the E-Verify Program as defined by I.C. 22-5-1.7-3. Contractor's documentation of enrollment and participation in the E-Verify Program is included and attached as part of this bid/quote; and

5. Contractor shall require his/her/its subcontractors performing work under this public contract to certify that the subcontractors do not knowingly employ or contract with an unauthorized alien, nor retain any employee or contract with a person that the subcontractor subsequently learns is an unauthorized alien, and that the subcontractor has enrolled in and is participating in the E-Verify Program. The Contractor agrees to maintain this certification throughout the term of the contract with the City of South Bend, and understands that the City may terminate the contract for default if the Contractor fails to cure a breach of this provision no later than thirty (30) days after being notified by the City.

6. Persons, firms, partnerships, corporations, associations, or joint venturers awarded a contract by the City of South Bend through its agencies, boards, or commissions shall not discriminate against any employee or applicant for employment in the performance of a City contract with respect to hire, tenure, terms, conditions, or privileges of contract or employment, or any matter directly or indirectly related to contracting or employment because of race, sex, religion, color, national origin, ancestry, gender expression, gender identity, sexual orientation, or due to age or disability that does not affect that person's ability to perform the work.

In awarding contracts for the purchase of work, labor, services, supplies, equipment, materials, or any combination of the foregoing including, but not limited to, public works contracts awarded under public bidding laws or other contracts in which public bids are not required by law, the City, its agencies, boards, or commissions will consider the Contractor's good faith efforts to obtain participation by those subcontractors certified by the State of Indiana as a Minority Business ("MBE") or as a Women's Business Enterprise ("WBE") as a factor in determining the lowest, responsible, responsive bidder.

Contractors seeking the award of a City contract cannot be required to award a subcontract to an MWBE; however, they may not unlawfully discriminate against said MBE/WBE. On goal-eligible contracts, Contractors are required to either meet both MBE and WBE utilization goals or demonstrate that the Contractor has made good faith efforts to obtain participation from MBE and WBE subcontractors. A finding of noncompliance or a discriminatory practice shall prohibit that Contractor from being awarded a City contract for a period of one (1) year from the date of such determination, and such determination may also be grounds for terminating the contract to which the discriminatory practice or noncompliance pertains.

7. The undersigned Contractor agrees that the following nondiscrimination commitment shall be made a part of any contract which it may henceforth enter into with the City of South Bend, Indiana or any of its agencies, boards or commissions.

Contractor agrees not to discriminate against or intimidate any employee or applicant for employment in the performance of this contract with privileges of employment, or any matter directly or indirectly related to employment, because of race, religion, color, sex, gender expression, gender identity, sexual orientation, handicap, national origin or ancestry. Breach of this provision may be regarded as material breach of contract.

I, the undersigned bidder or agent as contractor on a public works project, understand my statutory obligations to the use of steel products or foundry products made in the United States (I.C. 5-16-8-1). I hereby certify that I and all subcontractors employed by me for this project will use steel products or foundry products made in the United States on this project if awarded. I understand I have an affirmative duty to notify the City in my bid that my proposal does not include the use of steel products or foundry products made in the United States. I understand it is my sole obligation and responsibility to provide a justification to the City, subject to review and approval, why the cost of United States made steel or foundry products is unreasonable. Prior to award and upon submission of bid which does not use steel products or foundry products made in the United States, the City, through its director of public works, shall make a determination if the price of United States made steel or foundry is unreasonable. I understand that violations hereunder

may result in forfeiture of contractual payments.

I hereby affirm under the penalties of perjury that the facts and information contained in the foregoing bid for public works are true and correct.

BID BOND

TRAVELERS CASUALTY AND SURETY COMPANY OF AMERICA
Hartford, Connecticut 06183

KNOW ALL MEN BY THESE PRESENTS,

That we, RIETH-RILEY CONSTRUCTION CO., INC., as Principal, hereinafter called the Principal, and TRAVELERS CASUALTY AND SURETY COMPANY OF AMERICA, of Hartford, Connecticut, a corporation duly organized under the laws of the State of Connecticut, as Surety, hereinafter called the Surety, are held and firmly bound unto City of South Bend, Indiana

Five Percent (5%) of Total Bid, as Obligee, hereinafter called the Obligee, in the sum of Dollars (\$ 5% of Bid), for the payment of which sum well and truly to be made, the said Principal and the said Surety, bind ourselves, our heirs, executors, administrators, successors and assigns, jointly and severally, firmly by these presents.

WHEREAS, the Principal has submitted a bid for Colfax Aveune Streetscape Project No. 123-010

NOW, THEREFORE, if the Obligee shall accept the bid of the Principal and the Principal shall enter into a Contract with the Obligee in accordance with the terms of such bid, and give such bond or bonds as may be specified in the bidding or Contract Documents with good and sufficient surety for the faithful performance of such, or in the *event* of the failure of the Principal to enter such Contract and give such bond or bonds, if the Principal shall pay to the Obligee the difference not to exceed the penalty hereof between the amount specified in said bid and such larger amount for which the Obligee may in good faith contract with another party to perform the Work covered by said bid, then this obligation shall be null and void, otherwise to remain in full force and effect.

**Travelers Casualty and Surety Company of America
Travelers Casualty and Surety Company
St. Paul Fire and Marine Insurance Company**

POWER OF ATTORNEY

Travelers Casualty and Surety Company of America, Travelers Casualty and Surety Company, and St. Paul Fire and Marine Insurance Company are corporations duly organized under the laws of the State of Connecticut (herein collectively called the "Companies"), and the Companies do hereby make, constitute and appoint **KAROLYNNE RAMIREZ** of **UNIONDALE**, **New York**, their true and lawful Attorney(s)-in-Fact to sign, execute, seal and acknowledge any and all bonds, recognizances, conditional undertakings and other writings obligatory in the nature thereof on behalf of the Companies in their business of guaranteeing the fidelity of persons, guaranteeing the performance of contracts and executing or guaranteeing bonds and undertakings required or permitted in any actions or proceedings allowed by law.

IN WITNESS WHEREOF, the Companies have caused this instrument to be signed, and their corporate seals to be hereto affixed, this **16th** day of **February, 2024**.

State of Connecticut

By: 
Bryce Grissom, Senior Vice President

City of Hartford ss.

On this the **16th** day of **February, 2024**, before me personally appeared **Bryce Grissom**, who acknowledged himself to be the Senior Vice President of each of the Companies, and that he, as such, being authorized so to do, executed the foregoing instrument for the purposes therein contained by signing on behalf of said Companies by himself as a duly authorized officer.

IN WITNESS WHEREOF, I hereunto set my hand and official seal.

My Commission expires the **30th** day of **June, 2026**

Anna P. Nowik, Notary Public

This Power of Attorney is granted under and by the authority of the following resolutions adopted by the Boards of Directors of each of the Companies, which resolutions are now in full force and effect, reading as follows:

RESOLVED, that the Chairman, the President, any Vice Chairman, any Executive Vice President, any Senior Vice President, any Vice President, any Second Vice President, the Treasurer, any Assistant Treasurer, the Corporate Secretary or any Assistant Secretary may appoint Attorneys-in-Fact and Agents to act for and on behalf of the Company and may give such appointee such authority as his or her certificate of authority may prescribe to sign with the Company's name and seal with the Company's seal bonds, recognizances, contracts of indemnity, and other writings obligatory in the nature of a bond, recognizance, or conditional undertaking, and any of said officers or the Board of Directors at any time may remove any such appointee and revoke the power given him or her; and it is

FURTHER RESOLVED, that the Chairman, the President, any Vice Chairman, any Executive Vice President, any Senior Vice President or any Vice President may delegate all or any part of the foregoing authority to one or more officers or employees of this Company, provided that each such delegation is in writing and a copy thereof is filed in the office of the Secretary; and it is

FURTHER RESOLVED, that any bond, recognizance, contract of indemnity, or writing obligatory in the nature of a bond, recognizance, or conditional undertaking shall be valid and binding upon the Company when (a) signed by the President, any Vice Chairman, any Executive Vice President, any Senior Vice President or any Vice President, any Second Vice President, the Treasurer, any Assistant Treasurer, the Corporate Secretary or any Assistant Secretary and duly attested and sealed with the Company's seal by a Secretary or Assistant Secretary; or (b) duly executed (under seal, if required) by one or more Attorneys-in-Fact and Agents pursuant to the power prescribed in his or her certificate or their certificates of authority or by one or more Company officers pursuant to a written delegation of authority; and it is

FURTHER RESOLVED, that the signature of each of the following officers: President, any Executive Vice President, any Senior Vice President, any Vice President, any Assistant Vice President, any Secretary, any Assistant Secretary, and the seal of the Company may be affixed by facsimile to any Power of Attorney or to any certificate relating thereto appointing Resident Vice Presidents, Resident Assistant Secretaries or Attorneys-in-Fact for purposes only of executing and attesting bonds and undertakings and other writings obligatory in the nature thereof, and any such Power of Attorney or certificate bearing such facsimile signature or facsimile seal shall be valid and binding upon the Company and any such power so executed and certified by such facsimile signature and facsimile seal shall be valid and binding on the Company in the future with respect to any bond or understanding to which it is attached.

I, **Kevin E. Hughes**, the undersigned, Assistant Secretary of each of the Companies, do hereby certify that the above and foregoing is a true and correct copy of the Power of Attorney executed by said Companies, which remains in full force and effect.

Dated this **24th** day of **February, 2024**

Kevin E. Hughes, Assistant Secretary

To determine whether a bidder has demonstrated good faith efforts to reach the MBE utilization goals set forth in the City of South Bend Public Works Project Specifications, the City and its agencies, boards, or commissions, **REQUIRE ALL** of the following Good Faith Efforts as listed in the table below*:

EVIDENCE OF GOOD FAITH EFFORTS	
MBE LIST(S): The bidder reviewed 1) the City of South Bend's Minority and Women Business Enterprise Inclusion Program Plan; 2) the list of certified MWBEs provided by the City; and 3) the Indiana Department of Administration list of Minority and Women Owned Businesses (both certified and non-certified) found at: http://www.in.gov/idoa/ .	
GOOD FAITH EFFORTS TO OBTAIN MBE PARTICIPATION	
The bidder shall initial each item below, as evidence of its good faith efforts to obtain MBE participation in the awarded contract.	
HG	I affirm that I reviewed the City of South Bend's Minority and Women Business Enterprise Inclusion Program Plan and the Indiana Department of Administration's certified list of Indiana Minority and Women Business Enterprises, found on their website (http://www.in.gov/idoa/).
HG	I affirm that I have made good faith efforts to select portions of the contract work to be performed by MWBEs, including, where appropriate, breaking out contract work items into economically feasible units to facilitate MBE participation.
HG	I affirm that I have made good faith efforts to solicit through all reasonable and available means the interest of all MBEs in the scopes of work of the contract.
HG	I affirm that I attended all pre-bid meetings scheduled by the City of South Bend to inform MBEs of contracting and subcontracting opportunities.
HG	I affirm that I advertised in general circulation and/or trade association publications concerning subcontract opportunities and allowed MBEs reasonable time to respond to such advertisements.
HG	I affirm that I performed any and all necessary steps to provide written notices in a manner reasonably calculated to inform MBEs of subcontracting opportunities and allowed sufficient time for MBEs to participate effectively.
HG	I affirm that I followed up on initial solicitations with Interested MBEs.
HG	I affirm that I negotiated with Interested MBEs in good faith, including providing such MBEs with adequate information about the plans, specifications and other requirements of the subcontract.
HG	I affirm that I have made good faith efforts to assist interested MBEs in obtaining bonding, lines of credit, or insurance as required by the City or the bidder, where appropriate.

CITY OF SOUTH BEND, INDIANA
CONTRACTOR'S BID FOR PUBLIC WORK
RESPONSIBLE BIDDER CHECKLIST

Project Name Colfax Avenue Streetscape
Project No. 123-010
For Bids Due February 24, 2026
Contractor Name: Rieth-Riley Construction Co., Inc.

The City seeks to enhance its ability to identify responsive and responsible bidders on all City public works projects by institution of comprehensive submission requirements in compliance with State law. Quality workmanship, efficient operation, safety, and timely completion of projects requires that all bidders meet certain minimum requirements to be responsive and responsible bidders.

THIS FORM MUST BE SUBMITTED WITH YOUR BID.

****THIS FORM ONLY APPLIES TO BIDS GREATER THAN \$250,000. ****

INSTRUCTIONS:

If you are a pre-qualified bidder, complete Section I only.

If you are not a pre-qualified bidder, complete Section II only.

Section II acts as an application for pre-qualification. Submission of Section II will allow the bidder to be considered for pre-qualification for bids with the City of South Bend Department of Public Works. Pre-qualified bidders will then be exempt from a portion of the submission requirements outlined in Section 6-71 of The Responsible Bidding Ordinance No. 10975-23 (hereinafter, "Responsible Bidding Ordinance") for a period of twelve (12) months.

Thereafter, contractors who are pre-qualified must submit a complete application for continuation of "pre-qualified" standing, on a form provided by the City ("Responsible Bidder Checklist (1) Pre-Qualified Bidders") within twelve (12) months of obtaining pre-qualified standing. If the status of any item changes within the twelve (12) months, it is the responsibility of the contractor to notify the City. Failure by any pre-qualified contractor to submit its complete application for continuation of "pre-qualified" standing within the time prescribed above shall result in automatic removal of the designation, effective immediately following the twelve (12) months of pre-qualified standing.

However, the "removed" contractor or subcontractor shall still be permitted to bid on City public works projects, though the contractor must submit all required documents under 6-71 until "pre-qualified" status is re-established.

Please Note: The City reserves the right to request supplemental information from the bidder, additional verification of any information provided by the bidder, and may also conduct random inquiries of the bidder's current and previous customers regardless of pre-qualified standing.

It is the sole responsibility of the potential bidder to comply with all submission requirements applicable to the bidder in Section 6-71 of the Responsible Bidding Ordinance no later than the date of the public bid opening.

POST BID SUBMISSIONS:

Post-bid submissions must be submitted in accordance with Section 6-72 of the Responsible Bidding Ordinance. The post-bid submission requirements are as follows:

1. All bidders shall collect, maintain, and provide upon request, a current written list that discloses the name, address, licensing status, and type of work for any subcontractor from whom the bidder has accepted a bid and/or intends to hire on any part of the public work project, including individuals performing work as independent contractors.
2. Each subcontractor, whose portion of the project is estimated to be at least two-hundred fifty thousand dollars (\$250,000.00), shall be required to adhere to the requirements of Section I of the Responsible Bidder Ordinance as though it were bidding directly to the City, except that the subcontractor shall submit the required information (including the name, address, and type of work) to the successful bidder prior to the commencement of work.
3. Failure of a subcontractor to submit the required information shall not disqualify the successful bidder from performing work on the project and shall not constitute a contractual default and/or breach by the successful bidder. However, the City may withhold all payment otherwise due for work performed by a subcontractor, until the subcontractor submits the required information and the City approves such information.
4. The disclosure of a subcontractor list ("Disclosed Subcontractor(s)") to the City by a bidder shall not create any rights in the Disclosed Subcontractor(s). Thus, a bidder may substitute another subcontractor for a Disclosed Subcontractor by giving the City, upon request, written notice of the name, address, licensing status, and type of work of the substitute subcontractor.
5. The successful bidder for projects greater than \$250,000 and all subcontractors performing work greater than \$250,000 on a public works project are required to submit certified payroll utilizing the federal form known as WH-347 or a similar form on a bi-weekly basis, submitted within 10 days after the end of each bi-weekly payroll period. Certified payrolls shall identify the job title and craft for each employee. **Certified payrolls shall be submitted electronically.**

Please Note: Submissions deemed inadequate, incomplete, or untimely by the City may result in the automatic disqualification of the bid.

The City, after review of complete and timely submissions, shall, in its sole discretion, after taking into account all information in the submission requirements, determine whether a bidder is responsive and responsible, and provide a Pre-Qualification Verification Letter. The City specifically reserves the right to utilize all information provided in the contractor's submission and any information obtained by the City through its own independent verification of the information provided by the contractor.

I. PRE-QUALIFIED BIDDER CHECKLIST

(a) Acknowledgements:

- (i) By checking this box, I hereby acknowledge that I am a pre-qualified bidder with the City of South Bend and that I have met the pre-qualification requirements within the last twelve (12) months. **A copy of my Pre-Qualification verification letter is attached.**
- (ii) By checking this box, I hereby acknowledge that the City reserves the right to request supplemental information, additional verification of any information provided by me, and may also conduct random inquiries of my current and prior customers.
- (iii) By checking this box, I hereby acknowledge that apprenticeship and training programs that I participate in have graduated at least five (5) apprentices in each of the past five (5) years.
- (iv) By checking this box, I hereby acknowledge that all subcontractors performing work greater than \$250,000 also meet the qualifications of the Responsible Bidder Ordinance.

(b) Attachments:

- (i) Indiana Secretary of State's on-line records (ie. Business verification) dated within sixty (60) days of the submission of said document showing that business is in existence, current with the Indiana Secretary of State's Business Entity Report, and eligible for a certificate of good standing. (Not applicable to individuals, sole proprietors or partnerships).
- (ii) Statement on staffing capabilities, including labor sources. This statement indicates and ensures I have sufficient employees on staff to complete the work. It outlines how I intend to meet the staffing needs of the work.
- (iii) List of projects of similar size and scope of work performed in all areas, including the State of Indiana, within the last three (3) years.
- (iv) For every project, submit evidence of participation in apprenticeship and training programs, applicable to the work to be performed on the project, which are approved by and registered with the United States Department of Labor's Office of Apprenticeship, or its successor organization. This includes, but may not be limited to, letters from apprenticeship coordinators detailing the bidder's association with the program, and the United States Department of Labor Office of Apprenticeship Certificates of Registration of Apprenticeship Programs for each type of work to be performed on the project.

II. PRE-QUALIFICATION CHECKLIST (FOR BIDDERS THAT ARE NOT PRE-QUALIFIED)

(a) Acknowledgements:

- (i) By checking this box, I hereby acknowledge that I am not a pre-qualified bidder with the City of South Bend.
- (ii) By checking this box, I hereby acknowledge that the City reserves the right to request supplemental information, additional verification of any information provided, and may also conduct random inquiries of my current and prior customers. The City reserved the right to utilize all information provided in this submission and all information obtained in inquiries or requests to determine if a bidder is responsive and responsible. Additionally, I acknowledge that all information provided to the City shall be regarded as public records.
- (iii) By checking this box, I hereby acknowledge that copies of all Applicable apprenticeship certificates or standards for training programs applicable to the work performed on the project may be requested at any time and shall be furnished upon request.
- (iv) By checking this box, I hereby acknowledge and ensure that I and all sub-contractors, from whom I have accepted a bid and/or intend to hire to perform work on the public work project, are properly licensed. Furthermore, I acknowledge my understanding that it is my responsibility to ensure that all sub-contractors have the necessary licenses to undertake the work called for in this bid. If a sub-contractor loses their license at any point, it is the responsibility of that sub-contractor to notify the City.
- (v) By checking this box, I hereby acknowledge that apprenticeship and training programs that I participate in have graduated at least five (5) apprentices in each of the past five (5) years.
- (vi) By checking this box, I hereby acknowledge that all subcontractors performing work greater than \$250,000 also meet the qualifications of the Responsible Bidder Ordinance.

(b) Attachments:

- (i) Indiana Secretary of State's on-line records (ie. Business verification) dated within sixty (60) days of the submission of said document showing that business is in existence, current with the Indiana Secretary of State's Business Entity Report, and eligible for a certificate of good standing. (Not applicable to individuals, sole proprietors or partnerships).
- (ii) List identifying all former business names.
- (iii) Any determinations by a court or governmental agency any violations of federal state, or local laws including, but not limited to, violations of contracting or antitrust laws, tax or licensing laws, environmental laws, Occupational Safety and Health Act (OSHA), or federal Davis-Bacon and related Acts, within the preceding five (5) years.
- (iv) Statement about staffing capabilities, including labor sources. This statement indicates and ensures I have sufficient employees on staff to complete the work I am bidding on OR outlines how I intend to meet the staffing needs of the work.
- (v) Statement that individuals who will perform work on the public work project on my behalf will be properly classified as an employee or as an independent contractor under all applicable state and federal laws and local ordinances.
- (v) For every project, submit evidence of participation in apprenticeship and training programs, applicable to the work to be performed on the project, which are approved by and registered with the United States Department of Labor's Office of Apprenticeship, or its successor organization. This includes, but may not be limited to, letters from apprenticeship coordinators detailing the bidder's association with

the program, and the United States Department of Labor Office of Apprenticeship Certificates of Registration of Apprenticeship Programs for each type of work to be performed on the project.

- (vi) _____ Copy of a written plan for employee drug testing that covers all of my employees who will perform work on the public work project and meets or exceeds the requirements set forth in IC 4-13-18-5 or IC 4-13-18-6.
- (vii) _____ Evidence that I am utilizing a surety company which is on the Bureau of Fiscal Service "Department of Treasury's Listing of Approved Sureties" as required in the bid specifications or contract.
- (viii) _____ Written statement of any federal, state or local tax liens or tax delinquencies owed to any federal, state or local taxing body in the preceding three years.
- (ix) _____ List of projects of similar size and scope of work performed in all areas, including the State of Indiana, within three (3) years prior to the date on which the bid is due.

Date: February 24, 2026

Addendum No. 1

Date: February 20, 2026

To: All Plan Holders

From: Leslie Biek, Project Manager

The items in this addendum are to become a part of the original documents as if included therein. Only the noted items are affected, and the remainder of the original contract document is to remain in its entirety.

This Addendum modifies the Contract Documents as follows:

- PART 1 – CLARIFICATIONS
- PART 2 – SPECIAL PROVISIONS, BID TABS
- PART 3 – CONSTRUCTION DOCUMENTS

PART 1 - CLARIFICATIONS

Please see the attached Pre-bid Agenda and Meeting Sign-in. All questions will be answered with proper callouts and documentation as part of this addenda prior to the bid due date.

- 1.01 **Question:** Station 24 to station 24+75 and 25+50 to 28+00 on Sheet 11 and from station there is a gas and electrical utility that is shown to be in conflict with the proposed storm utility. Has there been a relocation plan given by the existing utilities. For storm installation normally there is a foot on either side of the proposed storm line and a foot on either side for a trench box. For existing utilities, an excavator needs to hand dig within 2 feet of existing utilities. This would be roughly 5 feet from the centerline of the proposed storm line. Would an additional manhole be considered to move the storm pipe out of the way of the gas line to allow the storm pipe to be moved away from the existing gas utility.

Response: The storm sewer in conflict with the north curb line on plan sheet 11 has been revised, refer to the new plan sheet for sewer updates. Bid tab quantities have also been updated accordingly.

- 1.02 **Question:** On sheet 12 of 50 STR 206 there is no plan for intercepting the storm run north of the manhole. Is there any concern of cutting off drainage north of the intersection?

Response: The contractor shall maintain the existing storm connection north. Additional callouts have been added to plan sheet 12.

- 1.03 **Question:** On sheet 12 there is a call out for an AEP duct bank. When is the proposed AEP Duct Bank in the intersection of Niles and Colfax anticipated to be constructed?

Response: AEP has been contacted and will be beginning the duct bank work south of the project limits this spring. It is their plan to coordinate duct bank installation within the project limits with the streetscape contractor.

1.04 **Question:** Will the AEP contractor patch the asphalt they disturb in the Mill and resurface areas of the project?

Response: The AEP contractor will provide patch and surface for the duct bank outside of the project limits. For the duct bank within the project limits they will patch the duct bank trench to the milled depth and the streetscape contractor shall provide the resurfacing.

1.05 **Question:** On sheet 37 of 50 the pervious concrete detail calls out No. 9 Stone for the base of the pervious concrete sidewalk. Can this stone be substituted with No. 8 stone

Response: Yes, the detail callout is incorrect, this shall be No. 8 stone.

1.06 **Question:** For the community outreach plan what is the frequency of the notification letters?

Response: Per Section XXX "COMMUNITY OUTREACH PLAN" of the Special Provisions, the contractor shall coordinate all notifications with the City Project Manager. This should be at minimum once a month but should include notifications of timing of tasks, project schedule, work hours, delays, access and road closures, items of interest, any utility shutdowns, contact information. All outreach shall be coordinated with the City Project Manager and necessary staff.

1.07 **Question:** Structural backfill type 2 is called out as an undistributed quantity in the specification to be used on a case by case basis for the project. Structural backfill type 2 is called out as course aggregate. Normally this is 53 or 73 stone. Can this structural backfill be type 1 backfill be B-Borrow to help the cost of the project?

Response: Type 1 structural backfill is acceptable for this project.

1.08 **Question:** Do aggregate suppliers need to supply CAPP material for the project or do the aggregates need to meet the gradations set forth by INDOT?

Response: All aggregates shall meet necessary INDOT gradation requirements.

1.09 **Question:** Plans call out RCP pipe and the specifications call out a list of pipe acceptable under street pavement. What pipe material is expected under roadway?

Response: The contractor shall bid the project with RCP pipe per the plans, any material substitute will be coordinated with the contractor after bid is awarded.

1.10 **Question:** In the project specifications on Special Provision sheet 48 note 7 calls out leakage testing for the storm sewer and manholes. In the City of South Bend Construction Standards and Specifications Section 3 - Stormwater mandrel deflection and sewer televising is required for storm utilities. Leakage testing is required for Sanitary. Will you please confirm the storm utilities need to be leakage tested?

Response: Mandrel testing or televising will be required for all new storm lines, however vac testing is not required.

1.11 **Question:** For the watermain relocations for the project will you please confirm that the watermain can be shut down using existing valves?

Response: The watermain duck under work should be able to be temporarily shut down utilizing existing valves. For ease of work and to not disturb existing service, line stops have been added to as line items 124 and 125.

1.12 **Question:** Are any line stops necessary for the water main locations. Does the contractor need to anticipate using line stops on each side of the water main that needs to be relocated?

Response: See Clarification 1.11 above.

1.13 **Question:** For the existing water line will the size of the existing water line be noted on the prints for the contractor to verify the amount of water fittings necessary for the relocations?

Response: The size of the existing 6" and 8" water mains have been labeled in the plans.

1.14 **Question:** Is the watermain on Colfax looped? If the waterline is shut down for a relocation will the contractor need to isolate the water from both sides of the relocation?

Response: See Clarification 1.11 above, record water plans show water lines North and South on Niles Ave and Hill St and north on Sycamore to create loops with Lasalle Ave and Washington Ave.

1.15 **Question:** Will the proposed watermain relocations need to be backfilled using flowable fill or will they be able to backfilled with type 1 backfill?

Type 1 structural backfill is acceptable for this project.

- 1.16 **Question:** There is an existing sanitary sewer on Colfax. Are there sanitary laterals crossing the proposed storm pipe?
Response: There are no known locations of existing sanitary laterals.
- 1.17 **Question:** There is proposed storm pipe in the depth of existing water services to private property. Is there any allowance for lowering water services encountered on the project? The adjustments of the water services shall be paid for under line item 51.
Response: There is a 1 each for undistributed vault closure. Will there be a description on what the contractor is anticipated to account for in the item. Will there be separate items for linear foot of foundation repair and Cubic yards of vault fill for the contractor to help estimate the costs?
Response: The City does not believe, nor has any record of any vaults beneath the sidewalks within the project limits. If an abandoned vault were to be uncovered, this shall be covered as an acceptable Allowance. The Allowance amount in the bid tabs has been adjusted.
- 1.18 **Question:** Spec section XX, Pavement Coring states that pavement cores are included in the Contract Documents. We could not find them, can these cores be provided?
Response: The pavement coring report as well as the GPR results have been included within this Addendum.
- 1.19 **Question:** Plans show details for Way finding/business directional signs. Are these signs to be paid thru pay item 69. Construction Sign, Type A? If not, please provide pay item for these
Response: Yes, the business directional construction signs shall be paid for under line item 69, Construction Sign, Type A.
- 1.20 **Question:** Long term delivery periods for signal poles, decorative lights and Tesco cabinets are not uncommon. Has the City or Designer reached out to those manufacturers letting them know the quick turn around required by this project. At the very least they could advise the City/Designer their current anticipated delivery times. We suggest adding pay items for temporary signals and/or flashing stop signs in the meantime?
Response: There has been coordination with JBL for the Tesco cabinets as well as ESL for the lighting poles, and both have provided a current estimated lead time of approximately 12 weeks. The contractor is strongly encouraged to place material orders upon notice to proceed. If lead times for the Tesco become an issue, a City approved alternate shall be StrongBox.
- 1.21 **Question:** Please clarify specification addressing curb and/or curb/gutter adjacent to existing pavement. Spec XLV calls out details shown in plans but no detail provided. Spec calls out placement of HMA Base between existing pavement and curb, but in the same line indicates to place HMA Surface to the concrete. Too many conflicting statements.
Response: Where existing curb is to be removed and replaced without replacing the adjacent pavement, the Contractor shall saw cut the existing pavement near the curb prior to removal. New curb shall then be formed and placed to not disturb the existing pavement.
- 1.22 **Question:** Plan sheet 11 shows new storm sewer and M.H. str(no. 5162) in the area of the existing Reinforced Concrete Bridge Approach(RCBA) on the east side of the St. Joseph River bridge. Please provide location for storm sewer tie-in. Please provide removal limits as well as respective pay items. Please provide replacement limits as well as respective pay items. Incidental construction of the storm sewer between Sta 22+22.35 and 22+75.53 shall be coordinated with the County bridge replacement contractor. The RCBA shall be completed as part of the separate bridge project. Current bridge plans have been attached.
- 1.23 **Question:** Please review quantities for Pay Items 25 & 26, QC/QA Intermediate and QC/QA Base, respectively. The bid tab and plan table quantity for line item 25 QC/QA, Intermediate, 3, 58S has been coordinated and updated to 594 Tons, and the bid tab and plan table quantity for line item 26 QC/QA, Base, 3, 58S has been coordinated and updated to 75 Tons.
- 1.24 **Question:** Are there any special jointing details or patterns required for the wider sidewalks. None has been shown on the plans?
Response: The transverse joints on the shared-use path shall be saw cut, not tooled. All other joints and spacing shall follow City and INDOT standard joint requirements.

- 1.26 **Question:** Please review quantity for Pay Item 2, Tree, Remove
Response: Line item 2 Tree, Remove quantity has been updated to 15. There are 12 trees within the plans in addition to 3 remaining stumps near Hill St, all called out with (X). Per plans, the 11 trees from Sta 23+50 to 26+50 at Cascades are within Phase 2 limits and will be removed prior by others.
- 1.27 **Question:** Has AEP provided durations for their new work shown on plan sheet 12?
Response: Coordination with the AEP representative for project timeline has occurred and they are willing to coordinate work, but no timeline has been agreed upon.
- 1.28 **Question:** Based on plan sheets 12 and 18, it appears that the proposed 4" Milling and RCP, Variable Depth work lies in the existing Reinforced Concrete Bridge Approach(RCBA). Please confirm that this work lies only in the existing RCBA and not the existing concrete bridge deck?
Response: The milling of concrete shall only occur on the 20' RCBA.
- 1.29 **Question:** We seriously doubt GPR results referenced in the plans, sheet 18. Colfax Ave is old US 20 which required work in accordance with INDOT standards. There is probably two mats of reinforcing steel with minimum 2" to 2-1/2" concrete cover. Considering this, please review your plan and details for work in this area. +++ Would it be more cost effective and cleaner to remove/replace the entire existing RCBA?
Response: The project engineer and City reviewed both the County bridge plans and GPR scan results and are confident that milling per plan can occur. If the contractor should wish to confirm or provide some other method of testing prior to milling, that cost shall be incidental to the milling price and can be an Allowance.
- 1.30 **Question:** Please review quantity for Pay Item 35, Sidewalk, Concrete.
Response: The bid tab and plan table quantity for line item 35 Sidewalk, Concrete has been coordinated and updated to 2,197 SYS.
- 1.31 **Question:** For comparison of bidding purposes, please provide an estimated length for the building front where the UNDIST Vault Enclosure to be performed. Is this vault 10' long or 100' long?
Response: See Clarification 1.18 above
- 1.32 **Question:** Current pay item for Vault Closure, Undist is Lump Sum. Spec section LXXVII requires the Contractor to carefully investigate the site and adjacent building conditions prior to the bid. Since no location has been provided, we can not visit site to evaluate scope of work, ie, we can not meet conditions of specifications. There are multiple significant cost factors that are unknown at this time. We suggest making this item as an "Allowance" where the City provides a monetary value. Please review and advise?
Response: See Clarification 1.18 above
- 1.33 **Question:** Pay item 67, Storm Inlet, Standard per COSB standards is specified as 2' inside diameter. Plans show multiple inlets with multiple pipes and some with 24" pipes. In these cases, the specified 2' inlet will not be sufficient. Those inlets will have to be upsized to accommodate the additional and larger pipes. How are these structure size adjustments to be paid?
Response: Storm design including structure types, storm pipe and all sizes and connections have been reviewed and revised. Line item 67A, Storm Inlet, 48" has been added and other bid tab quantities have been adjusted accordingly per these changes.
- 1.34 **Question:** Similar concept for both ManHole pay items, Type A and Type A, Modified. A 4' diameter manhole will not work for all structures for the same reason as described above. How are these structure size adjustments to be paid?
Response: Similar to Clarification 1.33 above, these manholes have been revised, a new doghouse manhole was added for connection to an existing storm line. This shall be paid for under the line item 64A, Doghouse Storm Manhole that was added to the bid tabs.
- 1.35 **Question:** On page 12, is there a bid tab for the mulch located behind the sidewalk?
Response: Line Item 121 Shredded Hardwood Mulch has been added to the bid tabs.
- 1.36 **Question:** On pages 17-20, where is the decorative paver band located?
Response: There is no decorative paver band, and this callout has been removed from the plans.

- 1.37 **Question:** On page 38, the brick paver summary does not match the bid tab quantity. Could you please provide clarification?
Response: The bid tab and plan table quantity for line item 36 Sidewalk Pavers has been coordinated and updated to 107 SYS.
- 1.38 **Question:** For Alt 1, is the tree watering system required given that it is already included in the base bid?
Response: Line Item 45 of Alternate 1 has been removed as it shall be included as part of the base bid.
- 1.39 **Question:** Bid Item 61: #10 wire – We are assuming the intent of this wire is to be spliced to the #6s and run up the post to the light. Where is the intended location of this splice? There are no handholes shown at the bottom of the posts which would allow splicing since the splice would need to be accessible. Also, if the #10 is intended to be installed as described above, we question the bid quantity of 1300’.
Response: Bid tab line item 61 is a trench drain for the raised crossing at the East Race Bridge, not wiring. Refer to Clarification 1.45 for wiring clarification.
- 1.40 **Question:** We question the use of HDPE conduit in the bridge deck. This material will be very difficult to hold in place as they are pouring concrete. There will be a very small tolerance to get these exactly in the right spot to get them up into the posts if there is no adjustment between the railing and the post.
Response: There is no HDPE conduit within any of the bridge deck, all electric conduit shall be behind the curb within the tree lawn.
- 1.41 **Question:** We would also suggest not to use cable duct inside of the 2” conduit on the bridge deck. This is very difficult to work when you need to turn up into a foundation or in the case a post. INDOT would normally have another bid item for wire only (not in duct) for this purpose.
Response: See Clarification 1.41 above
- 1.42 **Question:** Please verify the quantities of items 59 & 60. These both seem overstated considering the qty of 2” called out.
Response: The bid tab for line item 59 Water Main, Ductile Iron, 6 In has been reviewed and 120 LFT is correct, and the bid tab for line item 60 Water Main, Ductile Iron, 8 In has been reviewed and 40 LFT is also correct.
- 1.43 **Question:** Please verify the quantities of Type A & Type B light pole bid items. The total quantity of pole foundations is 38 total, which matches the number of poles I count (26 A, 12 B). The bid items total 28. Please note there is also 2 of each pole type called out in the specs to be delivered as spares.
Response: There will not be any additional new poles required. The contractor per the plans shall return the eight existing poles removed and return to the City Bureau of Traffic and Lighting. The quantities for line item 95 Light Pole, Type A and line item 97 Light Pole, Type B have been updated in the bid tabs.
- 1.44 **Question:** There are no bid items for the (5) #4 wires required for the lighting or the (5) #6 wires required for the outlets. The specification for the light poles, the specification for Electrical Wiring, the electrical notes on the plans & the bid item description 1C/10 are not matching up. Note 1 in the Electrical Keyed Notes on the drawings is likely the correct way and size for the lighting wire & the 1C/10 is usually just for going up the light pole.
Response: The plans and specification callouts are correct, the Measurement and Payment for this and bid tab line item 94 has been corrected to Electrical Wiring.
- 1.45 **Question:** Please verify the qty of shallow foundations required. I count 6 (all on sheet 31) and 0 on sheet 29. The bid qty = 8, which matches the charts on sheet 32. Also, can a worst case pier height be given for the varying dimension in the shallow foundation details on sheet 32? At least an average height would help.
Response: The shallow foundation quantity of 8 is correct. It is anticipated the 2 lights on the north side near Sta 23+50 and 24+00 are shallow, the plan sheets have been updated accordingly.
- 1.46 **Question:** There is no bid item for the 2 ped pole foundations required for the signal work. There will also be 4 required for the flashing sign assemblies.

- Response:** The pedestrian poles and flashing sign assemblies shall each require a lighting foundation, utilize detail 2, plan sheet 32. The quantity for line item 96 has been adjusted to reflect these six (6) additional foundations.
- 1.47 **Question:** I see no new handholes called out on the drawings. Items 93 & 100 are calling for 16 new handholes between the signal work & the lighting work. If signal handholes are required, please verify they are type 1 (concrete)?
Response: The lighting plan has been revised to show locations for three (3) proposed electric handholes, line item 93 in the bid tabs has been updated accordingly. The traffic signals shall reuse the existing signal handholes at the intersections, line item 100 has been removed from the bid tabs.
- 1.48 **Question:** Please clarify where item# 99, 2" steel conduit, is intended to be used.
Steel conduits shall be utilized for any crossing beneath the road or intersection surface.
- 1.49 **Question:** Please clarify if the push buttons are to be APS per the bid item description, or non-APS per the specifications?
Response: Push buttons shall be APS per the bid item.
- 1.50 **Question:** Bid item# 74 is for a Type 2 unreinforced anchor post. (2" square post). The chart on sheet 36 states "2.5" x 2.5" 12 ga. Post (Type 1)". A 2.5" post is a type 3 post, a type 1 is 2.25". Please clarify what type of post is needed?
Response: All sign posts shall be size 2", Type 2, per the specifications and bid tabs.
- 1.51 **Question:** At the beginning of the project, it appears there is full depth removal near the intersection of Sycamore. Can the Engineer confirm? Also, it appears there is a deep structure and full depth removals required near the St. Joe River bridge. Can an asbuilt of the bridge be provided?
Response: See Clarification 1.23 above
- 1.52 **Question:** How is this work being tied into the bridge? Can more details be provided in this area?
Response: See Clarification 1.23 above
- 1.53 **Question:** Can the Engineer provide a Geotech or let us know the groundwater elevations?
Response: There is no Geotech available. Per Clarification 1.19, a copy the pavement cores and GPR is attached and available for review.
- 1.54 **Question:** The quantity for sidewalk on the bid form is 4,740 sys, and the quantity for sidewalk on the summary of quantities is 2,197 sys. Can you please confirm which is the correct quantity?
Response: See Clarification 1.30 above
- 1.55 **Question:** The quantity for sidewalk pavers on the bid form is 260 sys, and the quantity for sidewalk pavers on the summary of quantities is 107 sys. Can you please confirm which is the correct quantity?
Response: See Clarification 1.37 above
- 1.56 **Question:** The quantity for curb ramps on the bid form is 580 sys, and the quantity for curb ramps on the summary of quantities is 208 sys. Can you please confirm which is the correct quantity?
Response: The bid tab and plan table quantity for line item 37 Curb Ramp, Concrete has been coordinated and updated to 208 SYS.
- 1.57 **Question:** We noticed there are various watermain relocates and duck unders for conflicts on the Colfax project. Will any linestops be added to the project to isolate these conflicts?
Response: See Clarification 1.12 above

PART 2 – SPECIAL PROVISIONS

- 2.01 SPECIAL PROVISION, XIII "PROSECUTION AND PROGRESS", Item B, No. 1
1. **ADD** No. 1, a. Phase 1 shall have no more than 75 days for road closure and must be complete prior to contractor commencing or moving to Phase 2.
- 2.02 SPECIAL PROVISION, XXIV M/WBE GOALS
1. **REVISE** MBE to 2.53% and WBE to 5.11%

- 2.03 SPECIAL PROVISION, LV "PAVEMENT TRAFFIC MARKINGS", Item B, No. 6
 - 1. **ADD** pay item:
PAVEMENT MARKING LINE, REMOVE LFT
- 2.04 SPECIAL PROVISION, LVIII "LIGHT STANDARD", Item B, No. 6
 - 1. **REMOVE** Item No. 6 The Contractor shall deliver a total of (4) additional single poles and luminaires, two (2) Type A and two (2) Type B, to be used as spares, to the City of South Bend Bureau of Traffic and Lighting. Spares shall be both the pole and luminaire and any finials, fittings, covers, etc. necessary to have complete assembly. Final payment will not be released until all spare parts are delivered.
- 2.05 SPECIAL PROVISION, LX "ELECTRICAL WIRING", Item B, No. 5
 - 1. **REVISE** to "LIGHT CABLE, 1/C 10 GUAGE" to read "ELECTRICAL WIRING".
- 2.06 SPECIAL PROVISION, LXVI "STORM SEWER PIPE", Item B, No. 18
 - 2. **ADD** pay item:
PIPE, TYPE 2, CIRCULAR, DIAMETER 18 IN LFT
- 2.07 SPECIAL PROVISION, LXVII "STORM STRUCTURE", Item B, No. 12
 - 1. **ADD** pay item:
STORM MANHOLE, TYPE A, 60 IN EACH
STORM MANHOLE, TYPE A, MODIFIED, 60 IN EACH
DOGHOUSE STORM MANHOLE EACH
- 2.08 SPECIAL PROVISIONS, CONTRACTOR'S BID/PROPOSAL
 - 1. **REPLACE** Pages 7 through 11 with attached revised BID TAB document. Line items, item descriptions and quantities have been reviewed and revised.

PART 3 – CONSTRUCTION DOCUMENTS

- 3.01 SHEET 11, PLAN AND PROFILE
 - 1. **REPLACE** this plan sheet with attached Sheet 11 document. Revisions include label existing 6" water main size and revise storm alignment to resolve utility conflicts.
- 3.02 SHEET 12, PLAN AND PROFILE
 - 1. **REPLACE** this plan sheet with attached Sheet 12 document. Revisions include label existing 6" and 8" water main size, add existing invert elevation to Structure 206.
- 3.03 SHEET 13, PLAN AND PROFILE
 - 1. **REPLACE** this plan sheet with attached Sheet 13 document. Revisions include label existing 6" water main size.
- 3.04 SHEETS 17, 19 and 20 INTERSECTION DETAILS PROFILE
 - 1. **REPLACE** these plan sheets with attached Sheets 17, 19 and 20 document. Revisions include removal of the Decorative Paver Band.
- 3.05 SHEET 28 TRAFFIC SIGNAL DETAIL
 - 1. **REPLACE** this plan sheet with attached Sheet 28. Revisions include callout text clarification.
- 3.06 SHEETS 30 and 31 LIGHTING PLAN
 - 1. **REPLACE** these plan sheets with attached Sheet 30 and 31. Revisions include updating two foundation callouts, adding wiring connections and handhole locations.
- 3.07 SHEETS 33, 34 and 35 PAVEMENT MARKING PLAN
 - 1. **REPLACE** these plan sheets with attached Sheet 33, 34 and 35. Revisions include updates for additional pavement markings.
- 3.08 SHEET 36 PAVEMENT MARKING AND SIGNAGE
 - 1. **REPLACE** this plan sheet with attached Sheet 36 as sign inventory adjusted.
- 3.09 SHEET 38 PAVEMENT QUANTITIES AND APPROACH TABLE
 - 1. **REPLACE** this plan sheet with attached Sheet 38 as quantities were corrected for concrete, pavers, etc. and now match bid tab numbers.

END OF ADDENDUM

JONES PETRIE RAFINSKI

BOARD OF PUBLIC WORKS

Colfax Avenue Streetscape Project
123-010
Addendum No. 2

Date: February 23, 2026

To: All Plan Holders

From: Leslie Biek, Project Manager

The items in this addendum are to become a part of the original documents as if included therein. Only the noted items are affected, and the remainder of the original contract document is to remain in its entirety.

This Addendum modifies the Contract Documents as follows:

- PART 1 – CLARIFICATIONS
- PART 2 – SPECIAL PROVISIONS, BID TABS
- PART 3 – CONSTRUCTION DOCUMENTS

PART 1 - CLARIFICATIONS

- 1.01 **Question:** As with any streetscape or “road diet”, borrow fill material will be required to fill the void where asphalt pavement used to be. These areas will now become concrete sidewalk, brick paver, landscape or sod areas. Please provide pay item for this work?
Response: Line item 126 B-Borrow Fill, Undistributed has been added to the bid tabs for the areas described.
- 1.02 **Question:** The general notes reference INDOT spec 805-SDAC-08 for the signal pole foundation which is a type E cantilever foundation for a dual arm structure (42”x21’). Is this correct or should the signal cantilever foundation be the standard E 805-TSCS-16 – Drilled Shaft Foundation Type A for Arms 35’ or Less (36”x13’)? There will be a huge difference in cost between these two.
Response: Yes, foundations should be the standard E 805-TSCS-16, different from what is called on the plan sheet.

PART 2 – SPECIAL PROVISIONS

2.01 SPECIAL PROVISIONS, CONTRACTOR’S BID/PROPOSAL

1. **REPLACE** Page 11 with attached revised BID TAB document. Line item 126 B-Borrow Fill, Undistributed was added.

PART 3 – CONSTRUCTION DOCUMENTS

3.01.1 SHEET 28 TRAFFIC SIGNAL DETAIL

1. **REPLACE** this plan sheet with attached Sheet 28. Revisions include standard signal pole foundation callout.

RE: Pre-Qualification Verification

Dear Ms. Armstrong:

This letter serves as verification of Pre-Qualification status of your company for bidding with the City of South Bend. This Pre-Qualification status is effective for twelve (12) months from the date of this letter. Thereafter you are required to re-submit a complete application for continuation of pre-qualification status within twelve (12) months from the date of this letter.

A copy of this Verification Letter must be included with every bid exceeding \$250,000 submitted to the City of South Bend Board of Public Works, along with your Pre-Qualified Bidder Checklist and attachments.

If you have any further questions regarding this matter, please call this office at (574) 235-9251.

Sincerely,

A handwritten signature in black ink, appearing to read "Tara Bussell". The signature is fluid and cursive.

Tara Bussell, Permit Manager

To whom it may concern:

Countless individuals, businesses, and communities – in the private and public sector, alike – recognize the added value of doing business with contractors who support Workforce Development through their participation in United States Department of Labor (USDOL) approved apprenticeship programs. USDOL-approved apprenticeship programs ensure that the young people of Indiana have the opportunity to develop a portable skill set that remains with them throughout their careers in the construction industry. The training provided by these programs addresses the evolving concerns of communities, businesses, and industry for the development of a quality skilled craft workforce that meets their needs, whether the projects are public or private in nature.

To that end, please be advised that Rieth Riley Construction Company, Inc. is signatory to a collective bargaining agreement (CBA) with the International Union of Operating Engineers Local 150. This CBA requires the above-referenced employer to participate in Local 150's USDOL-approved Apprenticeship and Skill Improvement Program. It is understood and agreed that the Employer shall be bound by the terms and provisions of the Agreement and Declaration of Trust of the Apprenticeship Fund, and all amendments heretofore or hereafter made thereto, as though the same were fully incorporated herein. The Employer further agrees to be bound by the terms of the Apprenticeship Standards established by Joint Apprenticeship Training Committee of the Northern Illinois and Northern Indiana Apprenticeship and Skill Improvement Program, as approved by the United States Department of Labor, Bureau of Apprenticeship Training.

Sincerely,

A handwritten signature in cursive script that reads "James Gardner".

To Whom It May Concern:

This letter is to confirm that "**Rieth Riley Construction Co. Inc.**" is a signatory contractor in good standing with the Indiana Laborers' Training Trust Fund.

The above-mentioned company is a participant in the Joint Apprenticeship and Training Committee through this Union and has been an active participant in good standing for each of the past five consecutive years and is currently eligible to use our apprentices on a project.

Further, our organization's program is approved by the U.S. Veterans Administration to participate in the GI educational benefits program. A copy of our approval letters are attached. Please refer to the current collective bargaining agreement for the ratio of Journey Worker to Apprentice, if no ratio is prescribed in these documents, the ratio shall be one (1) Apprentice for every (5) Journey Workers and thereafter not employ more than (1) Apprentice for every (3) Journey Workers.

Sincerely,

A handwritten signature in cursive script that reads "Sean Coakley".

January 9, 2019

Dear Jeremy Brewer,

The Indiana State Approving Agency conducted a supervisory visit on 01/8/2019 at Indiana Laborers Training Trust Fund-Apprenticeship. The purpose of the visit was to provide training to the Certifying Officials and review enrollment certifications, record retention and reporting procedures.

The organization demonstrated proper record maintenance and record maintenance and reporting procedures. During the visit, we discussed the importance of reporting hours on a monthly basis, good record keeping techniques, and how to report a leave of absence or completion via VA Form 22-1999b. We also updated the Certifying Officials via VA Form 22-8794, work processes, and wage scale.

If you need any assistance or have any questions regarding this technical visit please contact me directly at tgriffin@dva.in.gov or (317) 232-3916. Thank you for the courtesy extended during my visit. The education and training opportunities that your organization continues to provide veterans and their dependents are appreciated.

Sincerely,

Taniqua Griffin
Program Director

Dear Jeremy Brewer,

This will acknowledge receipt of your updated **Wage Scale** for the **Construction Craft Laborer** program offered by Indiana Laborers Training Trust Fund-Apprenticeship. The State Approving Agency has reviewed the document as listed below:

Wage Scale: Construction Craft Laborer

FACILITY CODE: 30004114

To the best of my knowledge Indiana Laborers Training Trust Fund-Apprenticeship does not utilize erroneous or misleading advertisement, either by actual statement, omission, or intimation. It is understood by Indiana Laborers Training Trust Fund-Apprenticeship that they will maintain a complete record of all advertising utilized by or on behalf of the Indiana Laborers Training Trust Fund-Apprenticeship in regards to their training programs during the preceding 12 months. Indiana Laborers Training Trust Fund-Apprenticeship's advertising will be available for review by any and all future supervisory visits by the SAA, or the U.S. Department of Veteran Affairs.

Please Review the entire packet for content and accuracy. Approval is granted pursuant to the provisions of Title 38, U.S. Code 3687, with an effective date of **April 1, 2018**.

If you have any questions, please feel free to give me a call at 317-232-3916 or email me at tgriffin@dva.in.gov. Thank you for what you do for our Veterans, and have a great day!

Sincerely,

Taniqua Griffin

Dear Jeremy Brewer,

This will acknowledge receipt of your revised **Work Processes** for the **Construction Craft Laborer** program offered at Hoosier Energy, located in Bedford, Indiana. The State Approving Agency has reviewed the document as listed below:

<u>TRAINING PROGRAM</u>	<u>LENGTH</u>	<u>DOT CODE</u>
Construction Craft Laborer	4,000-7800 hours	47-2061.00

FACILITY CODE: 30004114

To the best of my knowledge Indiana Laborers Training Trust Fund-Apprenticeship does not utilize erroneous or misleading advertisement, either by actual statement, omission, or intimation. It is understood by Indiana Laborers Training Trust Fund-Apprenticeship that they will maintain a complete record of all advertising utilized by or on behalf of the company in regards to their training programs during the preceding 12 months. The company's advertising will be available for review by any and all future supervisory visits by the SAA, or the U.S. Department of Veteran Affairs.

This approval is made pursuant to and under the provisions of Title 38, U. S. Code 3687, with an effective date of **January 8, 2019**.

If you have any questions, please contact me at 317-232-3916.

CONTRACTOR'S BID FOR PUBLIC WORK - FORM 96

State Form 52414 (R2 / 2-13) / Form 96 (Revised 2013)

Prescribed by State Board of Accounts

PART I

(To be completed for all bids. Please type or print)

Date (month, day, year): February 24, 2026

1. Governmental Unit (Owner): City of South Bend, Indiana

2. County : St Joseph, Indiana

3. Bidder (Firm): Rieth-Riley Construction Co., Inc.

Address: 25200 State Road 23

City/State/ZIPcode: South Bend, IN 46614

4. Telephone Number: 574-288-8321

5. Agent of Bidder (if applicable): Ruben Alvarado - Sales Manager

Pursuant to notices given, the undersigned offers to furnish labor and/or material necessary to complete the public works project of Colfax Avenue Streetscape Project No. 123-010

(Governmental Unit) in accordance with plans and specifications prepared by JONES, PETRIE, RAFINSKI CORP.

_____ and dated N/A for the sum of

See itemized proposal \$ See itemized proposal

The undersigned further agrees to furnish a bond or certified check with this bid for an amount specified in the notice of the letting. If alternative bids apply, the undersigned submits a proposal for each in accordance with the notice. Any addendums attached will be specifically referenced at the applicable page.

If additional units of material included in the contract are needed, the cost of units must be the same as that shown in the original contract if accepted by the governmental unit. If the bid is to be awarded on a unit basis, the itemization of the units shall be shown on a separate attachment.

The contractor and his subcontractors, if any, shall not discriminate against or intimidate any employee, or applicant for employment, to be employed in the performance of this contract, with respect to any matter directly or indirectly related to employment because of race, religion, color, sex, national origin or ancestry. Breach of this covenant may be regarded as a material breach of the contract.

CERTIFICATION OF USE OF UNITED STATES STEEL PRODUCTS

(If applicable)

I, the undersigned bidder or agent as a contractor on a public works project, understand my statutory obligation to use steel products made in the United States (I.C. 5-16-8-2). I hereby certify that I and all subcontractors employed by me for this project will use U.S. steel products on this project if awarded. I understand that violations hereunder may result in forfeiture of contractual payments.

ACCEPTANCE

The above bid is accepted this _____ day of _____, _____, subject to the following conditions: _____

Contracting Authority Members:

PART II
 (For projects of \$150,000 or more – IC 36-1-12-4)

Governmental Unit: City of South Bend, Indiana

Bidder (Firm) Rieth-Riley Construction Co., Inc.

Date (month, day, year): February 24, 2026

These statements to be submitted under oath by each bidder with and as a part of his bid. Attach additional pages for each section as needed.

SECTION I EXPERIENCE QUESTIONNAIRE

1. What public works projects has your organization completed for the period of one (1) year prior to the date of the current bid?

Contract Amount	Class of Work	Completion Date	Name and Address of Owner
23,403,897.00	HVY HWY	2024	SB Int'l Airport, South Bend, IN
2,539,682.00	HVY HWY	2024	R-44081 INDOT, Elkhart County, IN
4,090,956.00	HVY HWY	2024	South Bend Ave, South Bend, IN
2,360,141.00	HVY HWY	2024	Lakeville Water, Lakeville, IN

2. What public works projects are now in process of construction by your organization?

Contract Amount	Class of Work	Expected Completion Date	Name and Address of Owner
29,900,817.00	HVY HWY	2026	B-41846, INDOT Goshen, IN
32,891,167.00	HVY HWY	2025	R-42444, INDOT South Bend, IN
16,828,498.00	HVY HWY	2025	SB Int'l Airport, South Bend, IN
1,476,608.00	HVY HWY	2025	Keystone Lift Station, Wakarusa, IN

3. Have you ever failed to complete any work awarded to you? No If so, where and why?

4. List references from private firms for which you have performed work.

AM General - Mishawaka, IN	574-284-2728
Navistar - South Bend, IN	574-654-2400
ITR Concessions LLC	574-674-5836
University of Notre Dame	574-631-7356

SECTION II PLAN AND EQUIPMENT QUESTIONNAIRE

1. Explain your plan or layout for performing proposed work. *(Examples could include a narrative of when you could begin work, complete the project, number of workers, etc. and any other information which you believe would enable the governmental unit to consider your bid.)*

"According to plan specifications"

2. Please list the names and addresses of all subcontractors *(i.e. persons or firms outside your own firm who have performed part of the work)* that you have used on public works projects during the past five (5) years along with a brief description of the work done by each subcontractor.

Roadsafe Traffic Systems - 3519 Harding St., Indianapolis, IN	Traffic Maint/Markings
V&R Trucking - 1845 North Elmer Street, South Bend, IN	Trucking
Hawk Enterprises - 1850 E North St., Crown Point, IN	Electrical/Signage
Slussers Green Thumb - PO Box 33, Logansport, IN	Landscaping/Erosion Control
C-Tech Corporation - 5300 W. 100 North, Boggstown, IN	Guard rail/Fencing

3. If you intend to sublet any portion of the work, state the name and address of each subcontractor, equipment to be used by the subcontractor, and whether you will require a bond. However, if you are unable to currently provide a listing, please understand a listing must be provided prior to contract approval. Until the completion of the proposed project, you are under a continuing obligation to immediately notify the governmental unit in the event that you subsequently determine that you will use a subcontractor on the proposed project.

"Subcontractor list will be provided upon award"

4. What equipment do you have available to use for the proposed project? Any equipment to be used by subcontractors may also be required to be listed by the governmental unit.

"As required"

5. Have you entered into contracts or received offers for all materials which substantiate the prices used in preparing your proposal? If not, please explain the rationale used which would corroborate the prices listed.

"As necessary"

SECTION III CONTRACTOR'S FINANCIAL STATEMENT

Attachment of bidder's financial statement is mandatory. Any bid submitted without said financial statement as required by statute shall thereby be rendered invalid. The financial statement provided hereunder to the governing body awarding the contract must be specific enough in detail so that said governing body can make a proper determination of the bidder's capability for completing the project if awarded.

SECTION IV CONTRACTOR'S NON – COLLUSION AFFIDAVIT

The undersigned bidder or agent, being duly sworn on oath, says that he has not, nor has any other member, representative, or agent of the firm, company, corporation or partnership represented by him, entered into any combination, collusion or agreement with any person relative to the price to be bid by anyone at such letting nor to prevent any person from bidding nor to include anyone to refrain from bidding, and that this bid is made without reference to any other bid and without any agreement, understanding or combination with any other person in reference to such bidding.

He further says that no person or persons, firms, or corporation has, have or will receive directly or indirectly, any rebate, fee, gift, commission or thing of value on account of such sale.

SECTION V OATH AND AFFIRMATION

I HEREBY AFFIRM UNDER THE PENALTIES FOR PERJURY THAT THE FACTS AND INFORMATION CONTAINED IN THE FOREGOING BID FOR PUBLIC WORKS ARE TRUE AND CORRECT.

RE: Authority to Sign Bids, Proposals, and Contracts

Dear Ruben:

As President of Rieth-Riley Construction Co., Inc. ("Rieth-Riley"), and pursuant to its By-Laws and Board Resolutions, you are hereby granted full power and authority to make, execute, seal, if required by law, and deliver for and on behalf of Rieth-Riley, and as its act and deed, any and all bids, proposals or contracts, said bids, proposals or contracts not to exceed **\$5,000,000.00**, which bids, proposals or contracts call for work, services or materials to be furnished by Rieth-Riley, with respect to **City of South Bend, Reconstruction of Colfax Ave**, said bids, proposals or contracts to bind Rieth-Riley, thereby as fully and to the same extent as if such bids, proposals or contracts were signed by an executive officer of Rieth-Riley, and sealed, if required by law, and attested by one of such officers.

The power granted herein is a very important power and should always be exercised with thoughtfulness, good judgment and prudence, remembering always that the exercise of this power should have only one purpose and that is to the serve the best interests of Rieth-Riley.

Respectfully,
RIETH-RILEY CONSTRUCTION CO., INC.

CERTIFICATE OF AUTHORITY

KNOW ALL MEN BY THESE PRESENTS, that the undersigned President of Rieth-Riley Construction Co., Inc., a corporation duly organized and existing under the laws of the State of Indiana, hereby represents and confirms that **Ruben Alvarado, Manager**, has full power and authority to make, execute, seal, if required by law, and deliver for and on its behalf, and as its act and deed any and all bids, proposals or contracts, said bids, proposals or contracts not to exceed **\$5,000,000.00** which bids, proposals or contracts call for work, services, or materials to be furnished by Rieth-Riley Construction Co., Inc., with respect to **City of South Bend, Reconstruction of Colfax Ave**, and to bind Rieth-Riley Construction Co., Inc. thereby as fully and to the same extent as if such bids, proposals or contracts were signed by an Executive Officer of Rieth-Riley Construction Co., Inc., and sealed, if required by law, and attested by one of such officers, and hereby ratifies and confirms all that the above named designee may do in pursuance hereof.

The authority granted to the above named designee is pursuant to Section 6.03 of the Amended and Restated By-Laws of Rieth-Riley Construction Co., Inc., as amended, effective April 26, 2019 (the "Restated By-Laws"), and which Restated By-Laws, as amended, and the authority granted to the above named designee continue in full force and effect.

This Certificate of Authority is issued, signed and sealed, if required by law, by facsimile under and by authority of the following standing resolutions adopted by the Board of Directors of Rieth-Riley Construction Co., Inc., at a meeting held on the 16th day of February, 1996, at which a quorum was present, and which resolutions have not been amended or repealed and continue in full force and effect:

"Resolved that for purposes of clarification and in furtherance of the intent of Section 6.03 of the By-Laws of the Company the authority granted in Section 6.03 shall extend to the making, execution, sealing, if required by law, and delivery on behalf of the Company of all documents required as part of any bid, proposal or contract, which is for work, services or materials to be furnished by Company and which is being submitted to an individual or entity, public or private."

"Resolved that in carrying out the provisions of Section 6.03 of the By-Laws of the Company the signatures of such directors and officers and, if required by law, the seal of the Company may be affixed to any such Certificate of Authority or any certificate relating thereto by facsimile, and any such Certificate of Authority or certificate bearing such facsimile signatures or facsimile seal shall be valid and binding upon the Company and any such Certificate of Authority so executed and certified by facsimile signature and facsimile seal shall be valid and binding upon the Company, with respect to any bid, proposal or contract to which it is attached."

IN WITNESS WHEREOF, Rieth-Riley Construction Co., Inc., has caused these presents to be signed by its President and its corporate seal to be hereto affixed, this 6th day of February, 2026.

RIETH-RILEY CONSTRUCTION CO., INC.

A. Keith Rose, President

STATE OF INDIANA)
)SS:
COUNTY OF ELKHART)

On this 6th day of February, 2026, before me personally came A. Keith Rose, to me known, who, being by me sworn, did depose and say: that he is President of Rieth-Riley Construction Co., Inc., the corporation described in and which executed the above instrument; that he knows the seal of said corporation; that the seal affixed to the said instrument is such corporate seal; and that he executed the said instrument on behalf of the corporation by authority of his office pursuant to corporation's Restated By-Laws and standing resolutions.

My Commission Expires: May 16, 2027

Traci L. Funderburk, Notary Public
Residing in Elkhart County, Indiana

I, Robert L. Konopinski, do hereby certify that I am the duly appointed and authorized Secretary of Rieth-Riley Construction Co., Inc., a corporation duly organized, validly existing and in good standing under the laws of the State of Indiana; that the foregoing Certificate of Authority has neither been amended or rescinded and remains in full force and effect; and furthermore, that the Restated By-Laws and standing resolutions of the corporation, as referred to and set forth in this Certificate of Authority, continue in full force and effect.

Signed and Sealed at the Corporate Office of Rieth-Riley Construction Co., Inc., in the City of Goshen, State of Indiana. Dated this 6th day of February, 2026.
