TO: Redevelopment Commissioners

FROM: Chris Fielding

**SUBJECT: Chase Plastics** 

In November staff brought forth a proposal of terms negotiated with Chase Plastics/CBK land development to build a new distribution center here in South Bend.

Chase Plastics is a leading North American full-service specialty engineering thermoplastic distributor serving plastic processors throughout North and Central America. The facility, to be located in the Ameriplex at Interstate 80/90 project, will be approximately 125,000 square feet in size and located on 9.55 acres in South Bend's 1st District. This project will result in new private investment of approximately \$5.6 million and create 13 new jobs.

We are pleased to present a finalized and executed Development Agreement in your packet today , outlining the commitment of \$150,000 in TIF funding to support the construction of the new facility. Staff requests approval of the terms of the Development Agreement.
