CITY OF SOUTH BEND PURCHASING PROCESS SUMMARY

The procurement of supplies, equipment and services is governed by the City of South Bend Purchasing Policy (attached). Pricing for supplies, equipment and services is obtained according to a matrix (Bid Matrix) of the total cost. The Bid Matrix (attached) dictates the quote or bid process to be followed and the approval levels required for purchasing approval. Exceptions are made for Special Purchases as defined by Indiana Statutes. An emergency purchase is an example of a Special Purchase situation.

1. Obtaining Quotes

For purchases under \$74,999, quotes are obtained from vendors specified by the City of South Bend Departments requiring the respective supplies, equipment or services. The following requirements apply:

- a. Purchases between \$25,000 and \$74,999 require a formal quote process which includes the completion of the Quote Package (attached).
- b. Purchases under \$25,000 requires a simple quote process as defined in the Bid Matrix. These written quotes can be obtained thru phone requests, email request or written requests.

2. Evaluating Quotes

Simple quotes are first evaluated for content to assure that they represent the items or services required at the correct terms and conditions specified by the department. Simple quotes are sorted by price and awarded to lowest price.

The Formal Quotes are opened at a public Meeting by the Board governing the Department. Formal Quotes are evaluated by the City of South Bend Legal Department to assure the required forms are completed correctly. If the appropriate forms were not correct or were omitted, and/or quoting instructions were not followed, the quote is considered non-responsive. Responsible, responsive quotes are tabulated with the award given to the lowest cost.
