Redevelopment Commission Agenda Item

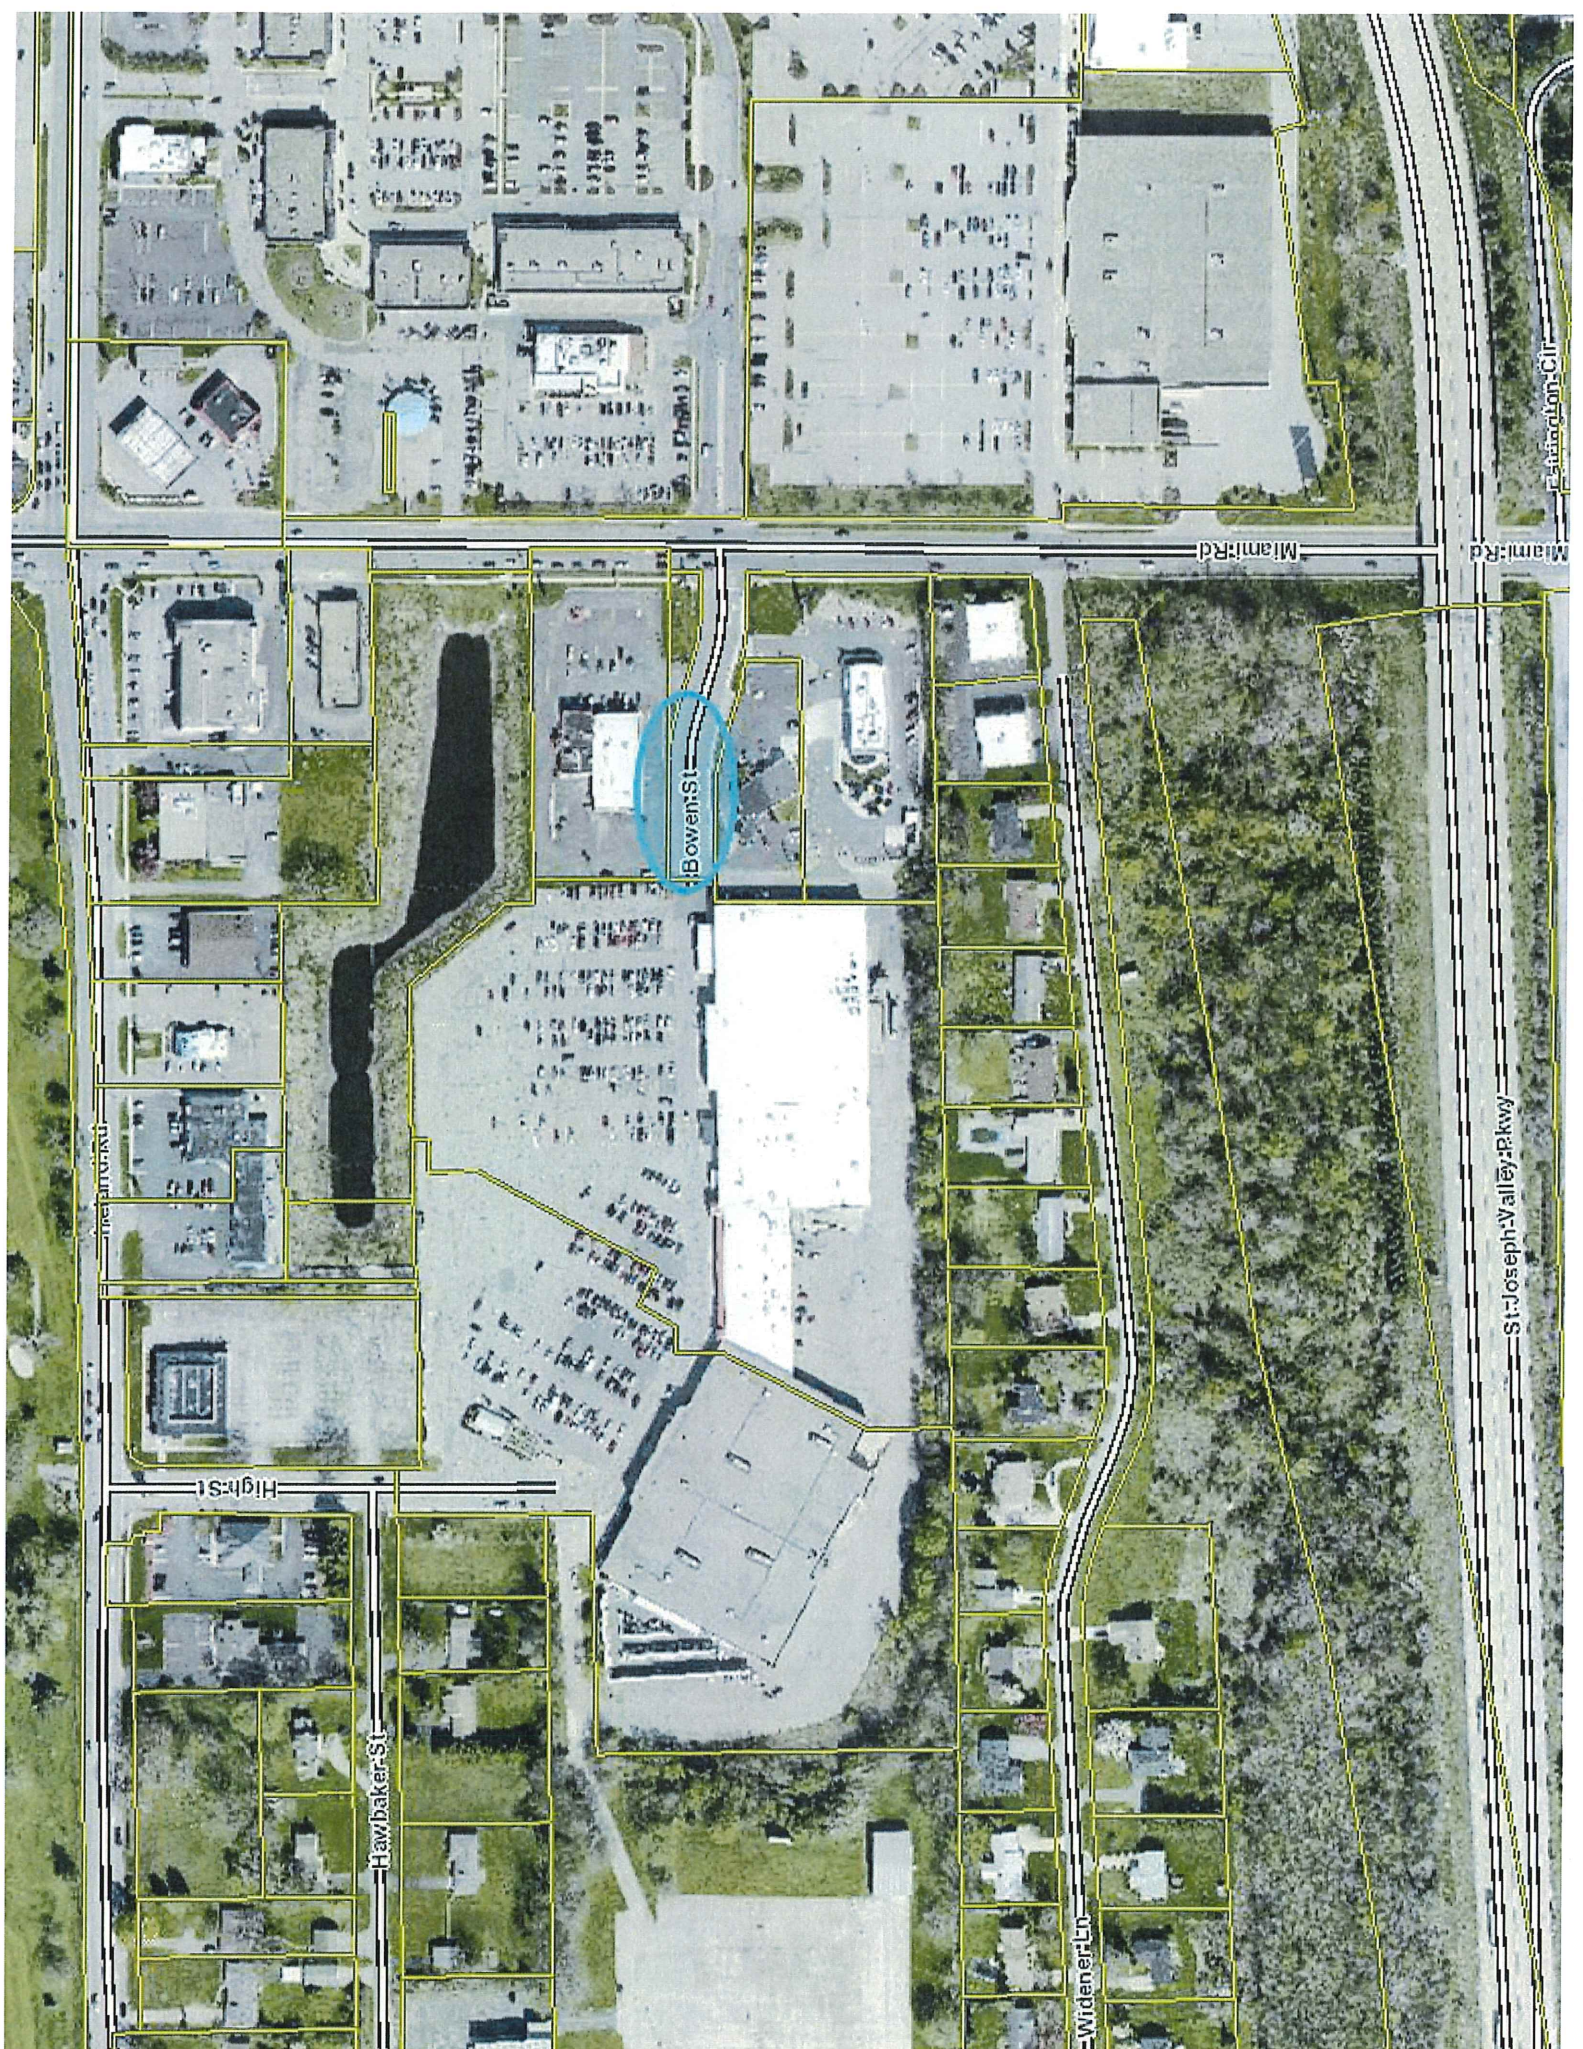

DATE: September 29, 2016
FROM: David Relos, Economic Resources *DR*
SUBJECT: Funding Request – Bowen Street Project Area

Bowen St. is a short public street that leads west from Miami and dead ends near Martin's in Erskine Plaza, on the south side of South Bend. This street and immediate area has a history of flooding because it sits at a low spot, with rain and snow melt flowing from both the north and south from Miami.

To study engineering possibilities and correct this street's flooding, staff requests a project budget of \$300,000 from the South Side Development Area.
