The Parties acknowledge and agree that the Commission's agreements to perform and abide by the covenants and obligations set forth in this Agreement are material consideration for the Developer's commitment to perform and abide by the covenants and obligations of the Developer contained in this Agreement.

4.2 The Project.

(a) The Developer will perform all necessary work to complete the improvements set forth in the Project Plan attached hereto as Exhibit B and the plans and specifications to be submitted to the Commission pursuant to Section 4.8 of this Agreement, which improvements shall comply with all zoning and land use laws and ordinances.

The Developer hereby agrees to complete the Project and any other obligations the Developer may have under this Agreement by June 1, 2018 (the "Mandatory Project Completion Date"). Notwithstanding any provision of this Agreement to the contrary, the Developer's failure to complete the Project or any other obligations the Developer may have under this Agreement by the Mandatory Project Completion Date will constitute a

4.6 Developer's Employment Obligations. In connection with the improvements included in the Project Plan attached as Exhibit B, the Developer shall create thirty (30) new full-time jobs located at the Developer Property, with average hourly wages of no less than Eleven Dollars (\$11.00) per hour for each employee (the "Job Creation Requirement") by the date that is twelve (12) months after the Developer receives a certificate of occupancy for any part of the Project (the "Job Creation Deadline") and maintain said jobs for at least the period of time described in Section 4.7(c) below. Notwithstanding any provision of this Agreement to the contrary, the Developer's failure to satisfy the Job Creation Requirement by the Job Creation Deadline will constitute a default under this Agreement without any requirement of notice of or an opportunity to cure such failure.

4.7 Reporting Obligations.

(a) Upon the letting of contracts for substantial portions of the Project and again upon substantial completion of the Project, the Developer hereby agrees to report to the Commission the number of local contractors and local laborers involved in the Project, the amount of bid awards for each contract related to the Project, and information regarding which contractor is awarded each contract with respect to the Project.

The Developer will submit all bid specifications related to the Local Public Improvements to the City's Director of Redevelopment Engineering. The Director of Redevelopment Engineering may approve or disapprove said bid specifications for the Project in his sole discretion and may request revisions or amendments to be made to the same.

4.11 Non-Interference. Developer hereby agrees to use commercially reasonable efforts to minimize disruption for those living and working near the Developer Property during construction of the Project.

4.12 Insurance. The Developer shall purchase and maintain comprehensive insurance coverage as is appropriate for the work being performed with respect to the Project. The Developer shall provide proof of such adequate insurance to the Commission and shall notify the Commission and the City of any change in or termination of such insurance. During the period of construction or provision of services regarding any Local Public Improvements, the Developer shall maintain insurance in the kinds and for at least the minimum amounts as described in Exhibit E attached hereto and the Commission and the City shall be named as additional insureds on such policies (but not on any worker's compensation policies).

(a) The Commission hereby agrees to complete (or cause to be completed) the Local Public Improvements described in Exhibit C attached hereto on a schedule to be reasonably determined and agreed to by the Commission and the Developer, as may be modified due to unforeseen circumstances and delays.

(b) Before any work on the Local Public Improvements will commence, (a) the Commission will have received satisfactory plans and specifications for the Project and approved the same in accordance with Section 4.8 of this Agreement, and (b) the Engineering Department will have received satisfactory bid specifications for the Local

Public Improvements and approved the same in accordance with Section 4.10 of this Agreement.

(c) The Local Public Improvements will be completed in accordance with all applicable public bidding and contracting laws and will be subject to inspection by the Engineering Department or its designee.

(d) Notwithstanding anything contained herein to the contrary, in the event the costs associated with the Local Public Improvements are in excess of the Funding Amount, Developer, at its sole option, may determine to pay to the Commission the amount of the excess costs to permit timely completion of the Local Public Improvements by the Commission, or an agent of the Commission, which amounts shall be applied for such purpose. If Developer chooses not to pay any such excess costs of the Local Public Improvements (above the Funding Amount), the Commission may reduce the scope of the Local Public Improvements to the amount which may be funded with the Funding Amount. In no event will the Commission be required to spend more than the Funding Amount in connection with the Local Public Improvements.

5.3 Cooperation. The Commission agrees to endorse and support the Developer's efforts to expedite the Project through any required planning, design, permitting, waiver, and related regulatory processes, provided, however, that the Commission will not be required to expend any money in connection therewith.

Each Party shall select its own legal counsel and retain such counsel at its own expense, and in no event shall the Commission be required to bear the fees and costs of the Developer's attorneys nor shall the Developer be required to bear the fees and costs of the Commission's attorneys. The Parties agree that if any other provision of this Agreement, or this Agreement as a whole, is invalidated, rendered null, or set aside by a court of competent jurisdiction, the Parties agree to be bound by the terms of this Section 6.1, which shall survive such invalidation, nullification, or setting aside.

SECTION 7. DEFAULT.

7.1 Default. Any failure by either Party to perform any term or provision of this Agreement, which failure continues uncured for a period of thirty (30) days following written notice of such failure from the other Party, shall constitute a default under this Agreement. Any notice given pursuant to the preceding sentence shall specify the nature of the alleged failure and, where appropriate, the manner in which said failure satisfactorily may be cured. Upon the occurrence of a default under this Agreement, the non-defaulting Party may (a) terminate this

Agreement, or (b) institute legal proceedings at law or in equity (including any action to compel specific performance) seeking remedies for such default. If the default is cured within thirty (30) days after the notice described in this Section 7.1, then no default shall exist and the noticing Party shall take no further action.

7.2 Reimbursement Obligation. In the event that the Developer fails (a) to complete the Project by the Mandatory Project Completion Date, or (b) to expend the full amount of the Private Investment by the Mandatory Project Completion Date, then upon the written demand of the Commission, the Developer will repay the Commission One Hundred Fifty Percent (150%) of the portion of the Funding Amount expended by the Commission in furtherance of the Local Public Improvements as of the date of the Commission's demand. In the event that the Developer fails to satisfy the Job Creation Requirement by the Job Creation Deadline, then upon the written demand of the Commission, the Developer will repay the Commission an amount equal to One Hundred Twenty-Five Thousand Dollars (\$125,000.00) multiplied by the number of jobs by which the Developer fell short of the Job Creation Requirement as of the date of the Commission's demand.

7.3 Force Majeure. Notwithstanding anything to the contrary contained in this Agreement, none of the Parties shall be deemed to be in default where delays in performance or failures to perform are due to, and a necessary outcome of, war, insurrection, strikes or other labor disturbances, walk-outs, riots, floods, earthquakes, fires, casualties, acts of God, acts of terrorism, restrictions imposed or mandated by governmental entities, enactment of conflicting state or federal laws or regulations, new or supplemental environments regulations, contract defaults by third parties, or similar basis for excused performance which is not within the reasonable control of the Party to be excused (each, an event of "Force Majeure"). Upon the request of any of the Parties, a reasonable extension of any date or deadline set forth in this Agreement due to such cause will be granted in writing for a period necessitated by the event of Force Majeure, or longer as may be mutually agreed upon by all the Parties.

SECTION 8. NO AGENCY, JOINT VENTURE, OR PARTNERSHIP; CONFLICT OF INTEREST; INDEMNITY.

8.1 No Agency, Joint Venture or Partnership. The Parties acknowledge and agree that:

- (a) The Project is a private development;
- (b) None of the Commission, the Board of Works, or the Developer has any interest or responsibilities for, or due to, third parties concerning any improvements until such time, and only until such time, that the Commission, the Board of Works, and/or the Developer expressly accepts the same; and
- (c) The Parties hereby renounce the existence of any form of agency relationship, joint venture or partnership between the Commission, the Board of Works, and the Developer and agree that nothing contained herein or in any document executed in connection herewith shall be construed as creating any such relationship between the Commission, the Board of Works, and the Developer.

8.2 Conflict of Interest; Commission Representatives Not Individually Liable. No member, official, or employee of the Commission or the City may have any personal interest, direct or indirect, in this Agreement, nor shall any such member, official, or employee participate in any decision relating to this Agreement which affects his or her personal interests or the interests of any corporation, partnership, or association in which he or she is, directly or indirectly, interested. No member, official, or employee of the Commission or the City shall be personally liable to the Developer, or any successor in interest, in the event of any default or breach by the Commission or for any amount which may become due to the Developer, or its successors and assigns, or on any obligations under the terms of this Agreement. No partner, member, employee, or agent of the Developer or successors of them shall be personally liable to the Commission under this Agreement.

8.3 Indemnity. The Developer agrees to indemnify, defend, and hold harmless the Commission and the City from and against any third-party claims suffered by the Commission or the City resulting from or incurred in connection with the Local Public Improvements or the Project.

SECTION 9. MISCELLANEOUS.

9.1 Severability. If any term or provision of this Agreement is held by a court of competent jurisdiction to be invalid, void, or unenforceable, the remaining terms and provisions of this Agreement shall continue in full force and effect unless amended or modified by mutual consent of the parties.

9.2 Other Necessary Acts. Each Party shall execute and deliver to the other Parties all such other further instruments and documents as may be reasonably necessary to accomplish the Project and the Local Public Improvements contemplated by this Agreement and to provide and secure to the other Parties the full and complete enjoyment of its rights and privileges hereunder. Notwithstanding the foregoing, the Parties understand and agree that certain actions contemplated by this Agreement may be required to be undertaken by persons, agencies, or entities that are not a party to this Agreement, including, but not limited to certain permits, consents, and/or approvals (to the extent they have not yet been obtained and completed), and that any action by such third parties shall require independent approval by the respective person, agency, entity, or governing body thereof.

9.3 Dispute Resolution; Waiver of Jury Trial. Any action to enforce the terms or conditions of this Agreement or otherwise concerning a dispute under this Agreement will be commenced in the courts of St. Joseph County, Indiana, unless the Parties mutually agree to an alternative method of dispute resolution. The Parties acknowledge that disputes arising under this Agreement are likely to be complex and they desire to streamline and minimize the cost of resolving such disputes. In any legal proceeding, each Party irrevocably waives the right to trial by jury in any action, counterclaim, dispute, or proceeding based upon, or related to, the subject matter of this Agreement. This waiver applies to all claims against all parties to such actions and proceedings. This waiver is knowingly, intentionally, and voluntarily made by both Parties.

9.4 Attorneys' Fees. In the event of any litigation, mediation, or arbitration between the Parties regarding an alleged breach of this Agreement, none of the Parties shall be entitled to any award of attorney's fees.

9.5 Equal Employment Opportunity. The Developer, for itself and its successors and assigns, agrees that during the construction of the Project:

(a) The Developer will not discriminate against any employee or applicant for employment because of race, color, religion, sex, or national origin. The Developer agrees to post in conspicuous places, available to employees and applicants for employment, notices setting forth the provisions of this nondiscrimination clause; and

(b) The Developer will state, in all solicitations or advertisements for employees placed by or on behalf of the Developer, that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, or national origin.

9.6 Counterparts. This Agreement may be executed in separate counterparts, each of which when so executed shall be an original, but all of which together shall constitute one and the same instrument. Any electronically transmitted version of a manually executed original shall be deemed a manually executed original.

9.7 Notices and Demands. Any notice, demand, or other communication required or permitted under the terms of this Agreement may be delivered (a) by hand-delivery (which will be deemed delivered at the time of receipt), (b) by registered or certified mail, return receipt requested (which will be deemed delivered three (3) days after mailing), or (c) by overnight courier service (which will be deemed delivered on the next business day) to each Party's respective addresses and representatives stated below.
