FOR IMMEDIATE RELEASE

CITY CLERK FOWLER ANNOUNCES INTERACTIVE RESIDENTIAL LAWN PARKING MAP FOR NOTRE DAME GAME DAYS

With the start of the 2017 Notre Dame Football season, City Clerk Kareemah Fowler is proud to announce the launching of a new, interactive web-based parking map that helps residents and visitors locate available lawn parking near Notre Dame Stadium. The hope is that the interactive map will ease the hassle of game day parking and traffic, but also offer fans a diversity of parking options and costs.

South Bend Municipal Code prohibits residential lawn parking without a temporary, conditional permit for special events. The permit ensures that both residents and visitors have a safe environment on game day. The map is a GIS application pinpointing resident addresses that have been approved for the conditional lawn parking permit through the Ordinance Violations Bureau (OVB). To access this new app visit the City Clerk's website or <https://goo.gl/CKUqnh>. Call the Office of the City Clerk with any questions or concerns regarding the new Lawn Parking Map or retrieving lawn parking permits.
