Buyer represents that IHCDA intends to accept project applications on or around November 6, 2017 and announce reservations ("Reservation") on or about February 22, 2018, but in no event later than March 30, 2018. In the event Buyer fails to submit its application to IHCDA prior to the published deadline this Agreement shall terminate and all Earnest Money shall be returned to Buyer. In the event that Buyer obtains a LIHTC Reservation from IHCDA but is unable to obtain a commitment for an equity investment from a tax credit investor on terms that are satisfactory to Buyer, in Buyer's sole discretion and in an amount sufficient for the Intended Use, within sixty (60) days after obtaining the LIHTC Reservation from IHCDA, despite Buyer's best reasonable efforts, this Agreement shall terminate at Buyer's election and in such event all Earnest Money shall be returned to Buyer.

(c) If at any time on or before November 30, 2018 (the "Contingency Date"), Buyer determines, for any reason or no reason, in Buyer's sole discretion, that the Property or the transaction described herein is unacceptable to Buyer, then Buyer shall have the right to terminate this Agreement by giving written notice of termination to Seller at any time on or before the Contingency Date in which event, at Buyer's election, all Earnest Money shall be immediately returned to Buyer ("Buyer's Contingency"). Any failure by Buyer to give such notice shall constitute an election by Buyer to not so terminate, in which event Buyer's right to terminate this Agreement shall be deemed to have been waived. Following any termination of this Agreement, the parties shall be relieved of any further obligations or liabilities under this Agreement, except those obligations that expressly survive termination hereof.

(d) Buyer and Seller mutually acknowledge and agree that the transaction contemplated in this Agreement is conditioned upon the completion of certain work on the Property by Seller at least thirty (30) days before Closing (the "Initial Completion Date"). Specifically, Seller agrees to demolish and clear the above-ground and below-ground structures existing on the Property as they are in existence as of the Acceptance Date, except for the north-facing and east-facing building façades (the "Façades"), which Seller will demolish or preserve in whole or in part, in assembled or disassembled form, in a manner determined by Seller in its sole discretion, and dispose of any hazardous materials, lead-based paint, and asbestos in accordance with applicable laws (collectively, "Seller's Initial Work"). Notwithstanding the foregoing sentence, Seller will have no obligation to commence or complete Seller's Initial Work in the event Seller determines, at any time and in its sole discretion, that Seller's Initial Work is unsafe, impractical, or no longer desirable for any reason or no reason. In the event Seller declines or fails to complete Seller's Initial Work by the Initial Completion Date, this Agreement shall terminate at Buyer's election, and in the event of such termination neither party will be required to close the transaction contemplated herein, Buyer will receive a full refund of the Earnest Money, and Seller will have no liability for any of Buyer's costs, expenses, or losses incurred in connection with this Agreement. In the event Buyer does not so terminate, the parties shall proceed with Closing as provided hereunder, and, following Closing, Seller will complete as soon as reasonably practicable the remaining portion(s) of Seller's Initial Work, subject to Seller's discretion concerning its handling of the Façades in accordance with the terms of this Section 4(d).

(e) In anticipation of performing its obligations under Section 9 below, Buyer will prepare plans and specifications for constructing a new building on the Property and all other related improvements (collectively, the "Property Improvements"), including plans and

specifications for the manner in which the Façades will be secured and incorporated into the new building (the “Construction Plan”). In preparing the Construction Plan, Buyer reserves the right to inspect the foundation, slabs, and structural integrity of the Façades, and Buyer agrees to cooperate in good faith with the City Planner for the City of South Bend (the “City Planner”) in developing its Construction Plan. Unless the City Planner approves, in the City Planner’s sole but reasonable discretion, the following elements of the Construction Plan, Seller will have no obligation to close the transaction contemplated in this Agreement: (i) exterior building materials, including color; (ii) exterior building design, including roofline, building articulation, and placement and type of windows, doors, and other openings; (iii) ground floor interaction with street frontages; and (iv) vehicular and pedestrian access. If Buyer fails to obtain the City Planner’s approval of the foregoing elements of the Construction Plan (or any amendments thereto necessitated by changes in or the specification of Seller’s Work) before the Contingency Date, this Agreement will terminate, neither party will be required to close the transaction contemplated herein, Buyer will receive a full refund of the Earnest Money, and Seller will have no liability for any of Buyer’s costs, expenses, or losses incurred in connection with this Agreement.

(f) Following Buyer’s completion of the Property Improvements in accordance with the terms of this Agreement and the Construction Plan, Buyer will permanently preserve and maintain the Façades as incorporated into the new building in accordance with the approved Construction Plan. Buyer and Seller will enter into a written agreement concerning Buyer’s permanent preservation and maintenance of the Façades in a form mutually agreed upon by Buyer and Seller and their respective counsel (the “Façade Agreement”). In the event the parties fail to agree upon the form of the Façade Agreement before the Contingency Date, this Agreement will terminate, neither party will be required to close the transaction contemplated herein, Buyer will receive a full refund of the Earnest Money, and Seller will have no liability for any of Buyer’s costs, expenses, or losses incurred in connection with this Agreement.

(g) Within a reasonable period of time, but no later than six (6) months after the Closing Date, at appropriate times mutually agreed upon by the parties once the Façades have been fully secured and incorporated into the new building, Seller will remove all supports and braces, if any, from the exteriors of the Façades and make any necessary adjustments or repairs to the exteriors of the Façades (collectively, “Seller’s Final Work,” and together with Seller’s Initial Work, “Seller’s Work”). At an appropriate time determined by Buyer, Buyer will remove all supports and braces, if any, from the interiors of the Façades. Buyer hereby grants to Seller a non-exclusive, temporary easement to enter upon the Property for all purposes related to completing any portion of Seller’s Work after Closing and agrees to indemnify Seller for any liabilities arising out of Seller’s access to the Property not caused by Seller’s sole negligence, and Buyer agrees to execute any and all separate instruments that Seller may reasonably request to evidence the same.

(h) Seller will expend an amount not to exceed One Million Seven Hundred Thousand Dollars (\$1,700,000.00) to complete the Seller’s Work, including, without limitation, all costs of demolition, disposal, Façade preservation, Façade stabilization, consulting services, design services, inspection services, other professional services, and insurance incurred in completing Seller’s Work and saving the Façades for incorporation into Buyer’s new building on the Property, as determined by Seller (collectively, the “Seller’s Share”). Seller, or Seller’s consultant(s), will prepare all necessary plans and specifications for the completion of Seller’s Work, and the parts of such plans and specifications relating specifically to Façade preservation and/or Façade stabilization will be subject to Buyer’s approval. Prior to expiration of the Contingency Period and prior to Seller (or its agent) awarding any contract for Seller’s Work,

Seller shall share the amounts of the bids with Buyer in order for Buyer to determine Buyer's Share (as defined below). In the event the actual cost of completing the Seller's Work exceeds or is expected to exceed the Seller's Share, Buyer will pay (directly or as a reimbursement to Seller, as Seller may determine) the difference between the total costs of the Seller's Work, including any change order to any contract between Seller (or its agent) and any contractor engaged in Seller's Work deemed necessary by Seller, and the Seller's Share (which difference is herein referred to as the "Buyer's Share"), provided, however, that Buyer may terminate this Agreement, before the Contingency Date, if the cost of completing Seller's Work will exceed Seller's Share, Buyer determines that it is unwilling or unable to pay the Buyer's Share, and Seller (or its agent) has not yet awarded any contract for the completion of Seller's Work. In no event will Seller be required to perform any portion of Seller's Work or expend any portion of Seller's Share until after the Contingency Date. Buyer will cooperate and coordinate in good faith with Seller in any and all activities related to planning Seller's Work and the procurement of services, labor, and materials to complete Seller's Work in accordance with applicable laws, and no right granted to Buyer hereunder will affect Seller's (and Seller's agents') obligations to adhere to applicable laws in all respects.

(i) Seller agrees to indemnify, defend, and hold harmless Buyer from and against any third-party claims suffered by Buyer resulting from or incurred in connection with the Façades or the Property arising on or before the Initial Completion Date, unless caused by Buyer's negligence. Buyer agrees to indemnify, defend, and hold harmless Seller and the City of South Bend, and their respective officials, representatives, employees, and contractors (collectively, the "City Indemnitees") from and against any third-party claims suffered by any of the City Indemnitees resulting from or incurred in connection with the Façades or the Property arising after the Initial Completion Date, unless caused by the negligence of any of the City Indemnitees.

(j) During the period commencing on the Contingency Date and ending on the Closing Date, Seller will insure the full historical value of the Façades against loss under the terms of the City of South Bend's then-existing property insurance policy ("Seller's Property Policy"). Upon the completion of the Property Improvements, Buyer will insure the Property against loss by casualty under the terms of a property insurance policy reasonably satisfactory to Seller ("Buyer's Property Policy"). During the period commencing on the Closing Date and ending on the effective date of Buyer's Property Policy, the full historical value of the Façades, as certified by Seller, will be insured against loss (1) under the terms of an insurance policy reasonably satisfactory to Seller, or (2) with Seller's consent and upon the execution of any further agreements or instruments deemed necessary by Seller, under the terms of Seller's Property Policy. Seller will determine, in its sole but reasonable discretion, which form of insurance described in the foregoing sentence will apply during said period of time. In the event of loss, Buyer will apply any and all insurance proceeds paid under any policy of insurance held by Buyer, including Buyer's Property Policy, to restore all elements of the Façades to equal or better condition as that which existed immediately preceding the loss. In addition to the foregoing, on and after the Contingency Date, Buyer will maintain all appropriate insurance for a project of the kind and scope as that which Buyer contemplates for the Property, including, without limitation, (1) builder's risk insurance, (2) comprehensive automobile liability insurance, and (3) commercial general liability insurance in an amount no less than Five Million Dollars (\$5,000,000.00) per occurrence (including the amount of an excess or umbrella policy following the form of the commercial general liability policy), and Seller will be named as an additional insured under each such insurance policy. The policies required by the foregoing sentence need not cover any loss to the Façades.

5. TITLE INSURANCE; SURVEY. Within fifteen (15) days of the Acceptance Date, Seller, at Buyer's sole cost, shall deliver a written commitment of First American Title or another title insurance company selected by Buyer (the "Title Company") to issue to Buyer a current ALTA Form owner's policy of title insurance with respect to the Property in an amount determined by Buyer (the "Title Commitment"). Buyer shall have the right to obtain, at Buyer's sole cost, a new or updated survey, in a form determined by Buyer (the "Survey"). Seller's special warranty of title set forth in the deed and Seller's other representations and warranties, if any, with respect to the Property shall be subject to all exceptions set forth elsewhere in this Agreement and all matters disclosed on the Title Commitment or Survey including, without limitation, all easements, covenants, conditions, restrictions, requirements, standard exceptions and special exceptions, except for monetary liens which will be paid out of Closing. If the Title Commitment or Survey discloses any matters unacceptable to Buyer, in Buyer's sole discretion, (the "Title Defects"), Buyer shall notify Seller of such Title Defects no later than ninety (90) days before the Contingency Date. If Seller fails to correct the Title Defects to Buyer's satisfaction in advance of the Contingency Date, Buyer may (a) terminate this Agreement upon written notice to Seller and all Earnest Money shall be returned to Buyer, or (b) waive Buyer's objection to such Title Defects and take title subject to the same. Any title exceptions contained on the Title Commitment and not objected to by Buyer in accordance with this Section 5, or a title exception that shall be objected to initially, but such objection thereto is later waived or acquiesced to by Buyer, shall be deemed a "Permitted Exception" hereunder.

6. ADDITIONAL REPRESENTATIONS AND WARRANTIES OF SELLER.

(a) Seller hereby represents and warrants to Buyer that all of the following are true, correct and complete on and as of the date hereof, and shall continue to be true, correct and complete as of the Closing Date:

(i) Seller has no actual knowledge of (A) any orders from or agreements with any governmental authority or private party or any judicial or administrative proceedings or investigations, whether pending or threatened, respecting any environmental, health or safety requirements under federal, state or local laws or regulations relating to the Property, or (B) any pending, asserted or threatened claims or matters involving material liabilities, obligations or costs arising from the existence, release or threatened or alleged release of any Hazardous Substances at, on or beneath the Property. "Hazardous Substances" shall mean any hazardous or toxic material, substance or waste, pollutant or contaminant which is defined as a hazardous substance or hazardous waste under any Environmental Laws.

(ii) Except as reflected in the Property Information, to Seller's actual knowledge, without further inquiry or investigation: (a) the Property has at all times been operated in accordance with all Environmental Laws; (b) no Hazardous Substances have been treated, recycled, transported, stored or disposed of (intentionally or unintentionally) on, under or at the Property; (c) the Property has never appeared on any federal or state registry of active or inactive hazardous waste sites; (d) there has been no release or threatened release of any Hazardous Substances from, at or to the Property; (e) there have not been nor are there now any Hazardous Substances present on, at, in, upon or migrating to or from the Property; (f) there have been no activities on the Property that would subject Buyer to damages, penalties, injunctive relief or cleanup costs under any Environmental Laws or common law theory of liability; (g) no property adjacent to the Property has ever been used for the treatment, recycling, transportation, storage or disposal (intentional or unintentional) of Hazardous Substances nor has there been a release or threatened release of any Hazardous Substances from such adjacent property; and (h) there are no, and have not ever been any, underground storage tanks or wells on, at or beneath the

Property. "Environmental Laws" shall mean any past, present or future international, federal, state or local statute, law, regulation, order, consent, decree, judgment, permit, license, code, covenant, deed restriction, ordinance or other requirement relating to public health, safety or the environment, including, without limitation, those relating to releases, discharges or emissions to air, water, land or groundwater, to the withdrawal or use of groundwater, or to the use and handling of Hazardous Substances.

(iii) No notice from any governmental body or other person has been served upon Seller or upon the Property claiming the violation of any law or any building, zoning, environmental, health or other ordinance, code, rule or regulation relating to the Property. There are no legal actions, suits or administrative proceedings, including condemnation cases or eminent domain proceedings commenced, pending or threatened against the Property or any portion thereof. Seller has not received notice of any negotiations for purchase in lieu of condemnation relating to the Property or any portion thereof.

(iv) Seller is not a party to any agreement or commitment to sell, convey, assign, transfer, provide rights of first refusal or other similar rights with respect to, or otherwise dispose of, any part of the Property or any interest therein other than this Agreement. Neither Seller nor any person or entity claiming by, through or under Seller has done or suffered anything whereby any lien, encumbrance, claim or right of another has been created against the Property or any portion thereof or any interest therein other than this Agreement, the Permitted Exceptions and possible construction or materialmen's lien claims arising out of Seller's Work or any other work performed by or on behalf of Seller which will be removed at or before the Closing.

(v) There is no action, proceeding or investigation pending or to the best of Seller's knowledge, threatened against Seller or with respect to the Property or any portion thereof before any court or governmental or quasi-governmental department, commission, board, agency or instrumentality.

(vi) The signatories to this Agreement on behalf of Seller have full right, power and authority to enter into this Agreement and to consummate the transactions contemplated herein. This Agreement is valid and enforceable against Seller in accordance with its terms. Each instrument to be executed by Seller pursuant hereto or in connection herewith will, when executed and delivered, be valid and enforceable in accordance with its terms.

(b) The accuracy of all Seller representations and warranties contained in this Agreement shall be a condition to Buyer's obligations under this Agreement, which condition will be merged at the time of, and will not survive, the Closing. If any of the representations or warranties contained in this Agreement is untrue in any material respect and is not cured (at no cost to Buyer) prior to the scheduled Closing, then Buyer may elect to (i) purchase the Property as it then is or, (ii) terminate this Agreement and, anything in this Agreement to the contrary notwithstanding, receive a refund of all Earnest Money.

(c) Except as specifically set forth in this Agreement, Buyer agrees to purchase the Property "as-is, where-is" and without any representations or warranties by Seller as to the condition of the Property or its fitness for any particular use or purpose. Except as specifically set forth in this Agreement, Seller offers no such representation or warranty as to the Property's condition or fitness, and nothing in this Agreement will be construed to constitute such a representation or warranty as to the Property's condition or fitness.

7. CLOSING.

(a) Provided that all conditions of closing hereunder have been satisfied or waived, the closing of the transaction described herein (the "Closing") shall occur at the offices of the Title Company on the Closing Date. At Buyer's option, the Closing shall take place as an escrow closing, with the Title Company acting as the closing escrow agent. The "Closing Date" shall be May 30, 2019, or such earlier or later date as may be agreed to in writing by Seller and Buyer.

(b) The following shall occur on or before the Closing Date:

(i) Seller shall deliver all of the following to Buyer, all of which shall be fully-executed by Seller, as appropriate:

[a] A special warranty deed in the form attached hereto as Exhibit B sufficient to convey and warrant to Buyer fee simple absolute title to the Property, to extent such title is affected by Seller's actions, subject only to the Permitted Exceptions (the "Special Warranty Deed"), which Special Warranty Deed will restrict Buyer's use of the Property in connection with the Intended Use and will prohibit Buyer from discriminating in the sale, lease, rental, use, occupancy, or enjoyment of the Property or any improvements constructed on the Property;

[b] An affidavit of title in customary form covering the Closing Date and showing title in Seller, subject only to the Permitted Exceptions;

[c] Any required real estate sale disclosure;

[d] Four copies of the closing statement;

[e] a sworn affidavit stating Seller's Federal Employer Identification Number or Social Security Number and that Seller is not a foreign person for purposes of the Foreign Investors Real Property Tax Act of 1980, as amended, and as decided in Section 1445 of the United States Internal Revenue Code of 1986, as amended, and the regulations applicable thereto (the "FIRPTA Affidavit"); and if Seller fails to furnish a FIRPTA Affidavit, Buyer may withhold from the Purchase Price an amount sufficient to comply with the provisions of Section 1445 of the United States Internal Revenue Code of 1986, as amended, and the regulations applicable thereto;

[f] Such other documents as may be necessary or proper to comply with this Agreement or required (by the Title Company or otherwise) to carry out its terms.

(ii) Buyer shall deliver all of the following to Seller, all of which shall be fully-executed by Buyer, as appropriate:

[a] The balance of the Purchase Price, plus or minus prorations, credits and other adjustments, by wire transfer or otherwise in immediately available funds;

[b] Any required real estate sale disclosure;

[c] Four copies of the closing statement; and

[d] Such other documents as may be necessary or proper to comply with this Agreement or required to carry out its terms.

(iii) Seller shall cause the Title Company to issue to Buyer at Closing a current ALTA Form owner's policy of title insurance, with extended coverage, pursuant to the Title Commitment and containing all amendments and endorsements required by this Agreement or otherwise reasonably required by Buyer, which policy and endorsements shall be at Buyer's sole cost, and which shall only be subject to the Permitted Exceptions.

(iv) Exclusive occupancy of the Property shall be delivered to Buyer at Closing, except for the continuation of any installations, equipment, or access by personnel upon the Property that Seller or Seller's representatives or contractors may require in connection with carrying out Seller's Work in accordance with the terms of this Agreement.

8. PRORATIONS; REAL ESTATE TAXES AND ASSESSMENTS; CLOSING COSTS.

(a) Buyer, and Buyer's successors and assigns, shall be liable for any and all real property taxes and assessments assessed and levied against the Property with respect to the year in which the Closing takes place and for all subsequent years. Seller shall have no liability for any real property taxes or assessments associated with the Property, and nothing in this Agreement shall be construed to require the proration or other apportionment of real property taxes or assessments resulting in Seller's liability therefor.

(b) At Closing, Seller shall pay the costs of releasing all liens, judgments, and other encumbrances that are to be released and of recording such releases. At Closing, Buyer shall pay (i) all fees and costs due Title Company for its closing, document preparation, and/or escrow services, (ii) the cost of the premium for the Title Policy and all endorsements to the Title Policy (iii) the cost of the Survey, (iv) the cost of any lender's policy of title insurance or endorsements thereto, and (v) the cost of recordation of any instrument associated with the transaction contemplated in this Agreement, except as provided in the foregoing sentence. Except as otherwise provided for in this Agreement, Seller and Buyer will each be solely responsible for and bear all of their own respective expenses, including, without limitation, expenses of legal counsel, accountants, and other advisors incurred at any time in connection with pursuing or consummating the transaction contemplated herein. Any other closing costs not specifically designated as the responsibility of either party in this Agreement shall be paid by Buyer.

9. BUYER'S POST-CLOSING DEVELOPMENT OBLIGATIONS; CHANGE OF INTENDED USE.

(a) Property Redevelopment; Proof of Investment. Within six (6) months after the Closing Date, Buyer will commence construction and redevelopment of the Property for the Intended Use. Buyer will expend an amount (including hard and soft costs) of not less than Eight Million Three Hundred Thousand Dollars (\$8,300,000.00) to complete the Property Improvements to redevelop the Property for the Intended Use, including the incorporation of the Façades into the new building in accordance with the Construction Plan. Promptly upon completing the Property Improvements, Buyer will submit to Seller records proving the above required expenditures and will provide to Seller copies of the certificate(s) of occupancy for the

Property Improvements. Buyer shall permit Seller to perform reviews and monitor the progress of the construction of the Property Improvements.

(b) Certificate of Completion. Promptly after Buyer completes the Property Improvements and proves the same to Seller's reasonable satisfaction in accordance with the terms of Section 9(a) above, upon Buyer's request, Seller will issue to Buyer a certificate acknowledging such completion (the "Certificate of Completion").

(c) Remedies Upon Default. In the event Buyer fails to complete the Property Improvements in accordance with Section 9(a) above within thirty-six (36) months of the Closing Date (subject to events of Force Majeure, as defined below), then, in addition to all other remedies available at law or in equity, Seller will be entitled to demand payment by Buyer of the sum set forth in a promissory note made by Buyer in favor of Seller in an amount equal to one hundred fifty percent (150%) of Seller's costs incurred in completing Seller's Work (the "Note") and secured by a mortgage encumbering the Property (the "Mortgage"). Buyer will execute and deliver at Closing the Note and the Mortgage in forms mutually approved by the parties and their respective counsel. The Mortgage will be subordinate to any mortgages granted by Buyer in connection with Buyer's financing of the Property Improvements, and the Mortgage will be released upon Seller's issuance of the Certificate of Completion in accordance with Section 9(b) above. Buyer will not be deemed to be in default of its obligations under this Section 9 where delays in performance or failures to perform are due to, and a necessary outcome of, war, insurrection, strikes or other labor disturbances, walk-outs, riots, floods, earthquakes, fires, casualties, acts of God, acts of terrorism, restrictions imposed or mandated by governmental entities, enactment of conflicting state or federal laws or regulations, new or supplemental environments regulations, contract defaults by third parties, or similar basis for excused performance which is not within the reasonable control of the Party to be excused (each, an event of "Force Majeure"). Upon the written request of Buyer to Seller, a reasonable extension of any date or deadline set forth in this Section 9 due to an event of Force Majeure will not be unreasonably withheld.

(d) Change of Intended Use. Buyer covenants and agrees that neither Buyer nor any of Buyer's successors or assigns will change its use of the Property from the Intended Use of the Property defined above without obtaining Seller's prior consent to such change in writing, provided, however, that the Property may be used for market-rate multifamily housing by giving written notice to Seller without the necessity of obtaining Seller's written consent to such change.

10. DEFAULT.

(a) If Seller defaults under this Agreement, Buyer shall have any and all remedies available to it under this Agreement and otherwise at law or in equity including, without limitation: (i) the right of specific performance; (ii) the right to terminate this Agreement at any time after such default by delivering written notice of termination to Seller and/or (iii) the right to sue for damages, provided, however, that in no event shall Seller be liable for more than Forty-Five Thousand Dollars (\$45,000.00) in damages. In the event of any such termination, all Earnest Money and any and all interest accrued thereon shall be immediately returned to Buyer. All of Buyer's remedies shall be cumulative and not exclusive.

(b) If Buyer defaults under this Agreement, Seller shall have any and all remedies available to it under this Agreement and otherwise at law or in equity including, without limitation: (i) the right of specific performance; (ii) the right to terminate this Agreement at any

time after such default by delivering written notice of termination to Buyer and/or (iii) the right to sue for damages, provided, however, Buyer shall not be liable for more than One Hundred Thousand Dollars (\$100,000.00) in damages (which limitation will be exclusive of all liabilities under the Note and/or the Mortgage). All of Seller's remedies shall be cumulative and not exclusive.

11. EMINENT DOMAIN.

(a) In the event, after the Acceptance Date, an eminent domain action is commenced or threatened against any portion of the Property, Buyer may elect to (i) terminate this Agreement (in which event Buyer and Seller shall be released from any further obligation or liability hereunder); or (ii) consummate this transaction and request that Seller deliver to Buyer a duly executed assignment of Seller's right, title and interest in and to any awards or compensation paid by the governmental authority in connection with an eminent domain action, which request Seller may accept or reject in its sole discretion.

(b) Buyer shall have thirty (30) days from the date of its receipt of written notice of institution of proceedings within which to exercise its rights under Section 11(a) hereof. If the Closing Date is scheduled to occur within such thirty (30) day period, the Closing shall be delayed until Buyer makes such election, and if Buyer elects to consummate the transaction, the Closing Date shall be adjusted accordingly and Buyer shall be entitled to settle the loss with the governmental entity and to participate in the eminent domain proceeding and receive awards as the case may be.

12. COVENANTS OF SELLER. Between the date of this Agreement and the Closing Date, Seller shall:

(a) not, without first obtaining the written consent of Buyer, enter into any leases, contracts or other agreements, nor grant or permit any rights to any other party, pertaining to the Property or any portion thereof, except in relation to Seller's performance of Seller's Work, which Seller will undertake or contract for as it determines in its sole discretion with any requirement of first obtaining Buyer's consent;

(b) comply with all private and governmental laws, rules, ordinances, regulations, covenants, conditions, restrictions, easements, liens and agreements affecting the Property or any portion thereof including, without limitation, the use thereof;

(c) shall maintain the Property in the same condition as on the date of this Agreement, ordinary wear and tear and Seller's Work excepted; and

(d) comply with all requirements of the Title Company in connection with its insurance of fee simple title to the Property in Buyer as required under Section 5 hereof and elsewhere herein.

13. NOTICES.

14. MISCELLANEOUS.

(a) This written Agreement constitutes the entire agreement between the parties and supersedes any prior oral or written agreements between the parties regarding the Property. There are no verbal agreements which can or will modify this Agreement and no waiver of any of its terms will be effective unless in a writing executed by the parties.

(b) The Parties acknowledge and agree that Buyer's project on the Property is a private development and hereby renounce the existence of any form of agency relationship, joint venture, or partnership between Buyer and Seller and agree that nothing contained herein or in any document executed in connection herewith shall be construed as creating any such.

(c) No member, official, or employee of Seller or the City of South Bend may have any personal interest, direct or indirect, in this Agreement, nor shall any such member,

official, or employee participate in any decision relating to this Agreement which affects his or her personal interests or the interests of any corporation, partnership, or association in which he or she is, directly or indirectly, interested. No member, official, or employee of Seller or the City of South Bend shall be personally liable to Buyer, or any successor in interest, in the event of any default or breach by Buyer or for any amount which may become due to Buyer, or its successors and assigns, or on any obligations under the terms of this Agreement.

(d) Buyer and Seller represent and warrant to one another that it has not engaged or dealt with any broker or other person who would be entitled to any brokerage fee or commission with respect to the finding, negotiation or execution of this Agreement or the consummation of the transactions contemplated hereby.

(e) This Agreement shall be construed and enforceable in accordance with the laws of the State of Indiana. Any action to enforce the terms or conditions of this Agreement or otherwise concerning a dispute under this Agreement will be commenced in the courts of St. Joseph County, Indiana, unless the parties mutually agree to an alternative method of dispute resolution. Both parties hereby waive any right to trial by jury with respect to any action or proceeding relating to this Agreement.

(f) This Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective heirs, successors and assigns. Nothing in this Agreement, express or implied, is intended or shall be construed to confer upon any person, firm, or corporation other than the parties hereto and their respective successors or assigns, any remedy or claim under or by reason of this Agreement or any term, covenant, or condition hereof, as third-party beneficiaries or otherwise, and all of the terms, covenants, and conditions hereof shall be for the sole and exclusive benefit of the parties herein. Except for an assignment by Buyer to an entity of which Buyer has management control, Buyer may not assign its rights and obligations under this Agreement without Seller's prior written consent. In the event Buyer wishes to obtain Seller's consent regarding a proposed assignment of this Agreement, Seller may request and Buyer shall provide any and all information reasonably demanded by Seller in connection with the proposed assignment and/or the proposed assignee. The unenforceability or invalidity of any provisions hereof shall not render any other provisions herein contained unenforceable or invalid.

(g) It is the intent of Buyer and Seller that this Agreement shall be binding on both parties and not illusory. Buyer and Seller acknowledge that Buyer and Seller will expend significant time, effort and expense in performing their respective obligations under this Agreement, which constitutes legally adequate consideration.

(h) In the event of a default under this Agreement, the nondefaulting party hereto shall be entitled to recover reasonable costs and attorneys' fees incurred by the nondefaulting party as a result of such default.

(i) This Agreement and any and all documents and signatures relating thereto may be transmitted by facsimile or electronic mail. All of such documents and signatures transmitted by facsimile or electronic mail shall be deemed to be originals. RECITALS

WHEREAS, the Commission owns certain real property and improvements located within the River West Development Area of the City of South Bend, Indiana (the “City”), as more particularly described in **Exhibit A** attached hereto (the “Property”); and

WHEREAS, Southhold, LLC (“Southhold”) retains or will acquire certain rights of access to the Property, including rights pursuant to the Temporary Access Agreement between Southhold and the Commission dated July 16, 2015, and any subsequent agreement between Southhold and the Commission; and

WHEREAS, the Company desires temporary access to the Property for the purpose of conducting various events throughout the year (each an “Activity” and collectively the “Activities”), as described in the proposal attached hereto as **Exhibit B** (the “Activity Proposal”); and

WHEREAS, the Commission is willing to permit the Company to gain access to and temporarily use the Property for the Activities, subject to the terms and conditions set forth in this Agreement.

NOW, THEREFORE, in consideration of the mutual covenants contained herein and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties agree as follows:

1. The Commission grants to the Company, its agents, employees, and invitees, a temporary, non-exclusive license to enter and use the Property for the purpose of conducting the Activities, provided that the Company’s use of the Property is reasonable at all times and comports with the terms of the Activity Proposal, the terms of this Agreement, and all applicable laws. The Company understands that the Property is comprised of the area commonly known as the Gridiron alone, and this Agreement does not permit the Company to use the alleys, parking lots, or sidewalks adjacent to the Property.

2. The Company’s license to use the Property for the Activities shall be effective for the times stated in the Activity Proposal, provided, however, that the Commission or the Commission’s authorized representative may revoke and terminate the license at any time for any reason, as determined in its, his, or her sole discretion. At all times during the period of the Activities, the Company will keep the Property in good order and condition.

3. The Company understands and agrees that the Commission shall not be liable for any loss, damage, destruction, or theft of the Company's property or any bodily harm or injury that may result from the Company's use of the Property. The Company understands and agrees that it will at all times be solely responsible for the safety and security of all persons on the Property and any property the Company uses or stores on the Property in connection with the Activities.

4. The Company shall not, without the prior written consent of the Commission, cause or permit, knowingly or unknowingly, any hazardous material to be brought or remain upon, kept, used, discharged, leaked, or emitted at the Property.

5. The Company understands and agrees that it will secure in its own name and at its own expense all necessary permits and authorizations needed in order to conduct the Activities.

8. To the extent that any portion of the Property is disturbed or damaged in connection with the Company's use of the Property, the Company, at the Company's sole expense, shall restore the Property to the condition that existed immediately prior to such disturbance or damage to the satisfaction of the Commission.

9. The Company agrees and undertakes to indemnify and hold the City and the Commission, and their respective agents, employees, successors, assigns, and licensees harmless from any liability, loss, costs, damages or expenses, including attorneys' fees, which the City or the Commission may suffer or incur as a result of any claims or actions which may be brought by any person or entity arising out of the approval granted herein by the Commission or the Company's use of the Property. Notwithstanding anything in this Agreement to the contrary, neither the Commission nor the City waive any governmental immunity or liability limitations available to them under Indiana law.

11. Each undersigned person signing on behalf of his/her respective Party certifies that he/she is duly authorized to bind his/her respective Party to the terms of this Agreement.

SUBSTITUTE BILL NO. 17-56

RESOLUTION NO. 4666-17

A RESOLUTION BY THE SOUTH BEND COMMON COUNCIL ADDRESSING THE CITY OF SOUTH BEND REDEVELOPMENT COMMISSION UTILIZING THE RIVER WEST TIF DISTRICT OF SOUTH BEND FOR THE \$25 MILLION DOLLARS TO HELP FINANCE THE RELOCATION OF THE SOUTH-SHORE LINE WITH RESPECT TO THE PEOPLE WHO LIVE IN THE ARDMORE NEIGHBORHOOD

Whereas, Ardmore is an unincorporated community in Portage Township, St. Joseph County, on the northwest side of South Bend, Indiana - https://en.wikipedia.org/wiki/Ardmore,_Indiana; and

Whereas, the re-routing of the South Shore line tracks would cause a great burden both financially and emotionally to the current residents of the Ardmore Neighborhood. The proposed plan to move the tracks would cause a relocation of many of the long term residents which would bring both the emotional and financial burdens, with various local reports expressing that an estimated 35 to 40 homes in the Ardmore Neighborhood area would have to be acquired to accommodate a re-routing of the railroad's approach to the terminal at the South Bend International Airport - <http://www.wndu.com/content/news/230-LIVESTREAM-South-Shore-reroute-media-briefing-434523923.html>; <http://www.wndu.com/content/news/South-Shore-project-moves-forward-with-local-funding-429723993.html>; and

Whereas, the residents of the Ardmore Neighborhood have a petition, which has over 300 signatures in hopes that South Shore organizers might take a look at the actual people living in those homes which could be affected by the re-routing of the South Shore line tracks - <http://www.abc57.com/news/ardmore-neighborhood-group-fights-to-save-homes-from-south-shore-rerouting>; and

Whereas, various City, County and Business Leaders say they have a prime opportunity to change the modest population growth in our area, which has grown for each of the past four years, but has trailed the State of Indiana's growth rate, by double-tracking part of the South Shore Line, which would eliminate the need for the passenger line to wait for oncoming freight trains, and realigning the South Shore's approach to South Bend International Airport - http://www.southbendtribune.com/news/local/south-bend-st-joseph-county-will-commit-millions-for-faster/article_22b2d4c1-4737-5855-b9cf-f75830484b11.htm; and

Whereas, South Bend Mayor Pete Buttigieg shared that the City of South Bend would tap its River West TIF district for the \$25 million dollars to help finance the double-tracking part of the South Shore Line, which would eliminate the need for the passenger line to wait for oncoming freight trains, and realigning the South Shore's approach to South Bend International Airport. The City of South Bend would try to later get the money reimbursed from federal sources - http://www.southbendtribune.com/news/politics/st-joseph-county-money-for-south-shore-double-tracking-in/article_74481930-ad94-5c0a-a221-4c6de143d806.html; http://www.southbendtribune.com/news/local/south-bend-st-joseph-county-will-commit-millions-for-faster/article_22b2d4c1-4737-5855-b9cf-f75830484b11.html; and

Whereas, South Bend Mayor Pete Buttigieg, when asked whether reducing the trip by 10 minutes is worth \$25 million, expressed, "The answer is in the economic impact," he said. "We're talking about a game changer for economic growth. It's hard to think of something that would have a bigger potential bang for the buck than something like this," he said. "We recognize it's not a small commitment, especially for the county with some of the pressure it's under fiscally, but we also see the return on investment that could make it one of the best bets we've ever placed." - http://www.southbendtribune.com/news/local/south-bend-st-joseph-county-will-commit-millions-for-faster/article_22b2d4c1-4737-5855-b9cf-f75830484b11.html, and

Whereas, it is believed that there are ways to promote the South Shore Line plans for faster transportation service between the cities of South Bend and Chicago, which is for the betterment of the residents who live in the City of South Bend as it relates to their transportation needs and at the same time promote saving the homes in the Ardmore Neighborhood, which is in keeping with the South Bend Common Council's Mission Statement: To make certain that our City Government is always responsive to the needs of our residents & that the betterment of South Bend is always our highest priority - <http://wsbt.com/news/local/study-underway-to-help-the-south-shore-line-reroute-and-decrease-ride-time>;
<https://www.southbend.in.gov/government/departments/common-council>.

Whereas, being sensitive to the residents of the Ardmore Neighborhood and to assure fair compensation and assistance as outlined in Federal Uniform Relocation Assistance And Real Property Acquisition For Federal and Federal Assisted Programs <https://www.fhwa.dot.gov/legregs/directives/fapg/cfr4924a.htm>;

The following actions are respectfully being requested of the South Bend Common Council to the South Bend Redevelopment Commission for its thoughtful consideration:

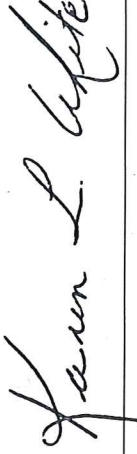

Section I. That the \$25 million dollars of tax funds from the River West TIF Fund be solely approved with the understanding of the following specifics:

- that no TIF funds for construction be committed until such time that an economic impact analysis is performed and made available to the public;
- that the decision regarding the rerouting of the South Shore Tracks includes a rerouting plan that preserves houses in the Ardmore Neighborhood area, to the maximum extent feasible, as informed by more than one firm that has expertise in the areas of architectural, engineering and surveying industry and with the public involvement with the Ardmore Neighbors who are affected by the rerouting plans;
- that if any house in the Ardmore Neighborhood is acquired in the rerouting of the South Shore Tracks, those affected will be made financially whole as outlined in the Federal Uniform Relocation Assistance And Real Property Acquisition For Federal and Federal Assisted Programs <https://www.fhwa.dot.gov/legregs/directives/fapg/cfr4924a.htm>
- that the City of South Bend will assure the citizens of the River West TIF district that any of the TIF funds which are used to reroute the South Shore Tracks will be reimbursed to the River West TIF district to the maximum extent possible from state and/or federal sources within a time frame not to exceed five years.

Section II. This resolution shall be enacted upon the passage of the South Bend Common Council and signed by the Mayor of South Bend, Indiana

Oliver J. Davis, 6th District
Common Council Vice President

Karen L. White, At Large

Regina Williams Preston, 2nd District

John Voorde, At Large
