This evening, the South Bend Common Council will conduct the first of two meetings scheduled on the topic of Climate Change in the Council Chambers from 5:30-7:30pm. Formal speakers include staff from the City's Sustainability Office, local experts and partners, and local youth and college students. The second follow up session will be held on Wednesday, February 27, 2019 in the Council Chambers from 5:30-7:30pm. Councilmember Jo M.
