Redevelopment Commission Agenda Item

DATE: June 27, 2019
FROM: Jitin Kain
SUBJECT: Budget Request (South Bend Wayfinding Signage)

PURPOSE OF REQUEST:
Specifics:

Public Works requests \$100,000 for the implementation of Phase 1 of the City's Wayfinding Signage Plan. When implemented, this plan will help enhance the City's overall economic development and tourism by educating visitors and residents, and providing resources to navigate and engage within South Bend.

The funding breakdown for this phase of implementation requested would be \$60,000 out of River West, \$30,000 out of River East, and \$10,000 out of West Washington – which are the TIF districts where the new signs in this phase will be primarily located.
