**Subject:** 2019 Community Engagement Survey

**Date:** Thursday, July 18, 2019

**From:** South Bend Common Council and South Bend City Clerk

**Contact:** Office of the City Clerk,  
[sbcityclerk@southbendin.gov](mailto:sbcityclerk@southbendin.gov),  
574-235-9321

SOUTH BEND, Ind.—Beginning Wednesday, July 17, the South Bend Common Council, in partnership with the South Bend City Clerk’s Office, will be distributing a survey to residents of voting age in the city of South Bend.

The Council has organized a survey in order to gather a general opinion about the Common Council and what constituents believe may need to take place in order to better the South Bend community. The project is headed by Dr. Janet Evelyn of JEvelyn Consulting and the Common Council and City Clerk’s Public Relations interns Ryan Wroblewski, Morgan Gonsoski, David Moses, and Shanita Hunt.

Participants will be asked for their personal opinions on both the actions taken in their specific district but also within the city in its entirety and be given the opportunity to provide suggestions and feedback. The survey will consist of four questions that include answers based on a linear scale along with short answers.

The survey will be available in a paper and an online format. Participants can find copies of the survey at the County-City Building in downtown South Bend, in various community centers within the city, or in the mail. 100 residents from each district have been chosen at random to receive copies in the mail, along with another 150 residents across all six districts, but are available to every resident of the City of South Bend. They can be submitted through the mail or brought directly to the County-City Building. The survey can also be found online at <https://forms.gle/ZXYhG7mpP9voTB3J7>.

Once the survey has been completed, a presentation, along with data visualization tools, will be prepared and presented to Council members and then shared with the public via the Council’s website and social media accounts. Council members will then be able to use the information to apply solutions geared toward their specific district.

“We’re really excited to gain direct feedback from our citizens,” said Council President, Tim Scott. “This data will give us a chance to see what we’ve been doing well but also what we can improve on in the eyes of our city and allow us to begin to apply a solution to both our specific districts and to the city as a whole.”

The survey will be live for 12 days, opening on July 17 and closing on July 28. For more information, please contact the City Clerk at [sbcityclerk@southbendin.gov](mailto:sbcityclerk@southbendin.gov) or Dr. Evelyn at [jevelynconsulting@gmail.com](mailto:jevelynconsulting@gmail.com).
