

SBStat Post Meeting Notes

Urgent Issues Review During Meeting:

- No urgent issues

Decisions and Key Takeaways

Park Health Dashboard

- Updating for Public Version
 - Updating data visualizations
 - Reorganized park data—based on park category
 - Removed in-the-weeds specifics on maintenance
- Feedback & Insights
 - Feedback survey developed
 - Initial feedback from friends gathered
 - Insights
 - Unclear language
 - Purpose of dashboard unclear
 - Some data visualizations hard to read
- Iteration
 - Address feedback from initial users
 - Brainstorm how to communicate purpose of dashboard—could be made clear through home website, splash page

Potential Topics to Discuss Next Meeting:

- Park Health Dashboard
 - Feedback and iteration on public version
- Boomer feedback and analysis
- Economic Impact
 - Parks development, My SB Parks & Trails
 - Events
