# Neighborhoods

Q4 December 12, 2019

# Today's Agenda

I. Meeting purpose

II. Next steps for ongoing projects

III. 2019 Project Highlights

IV. 2020 Potential Projects

V. Celebrating our values

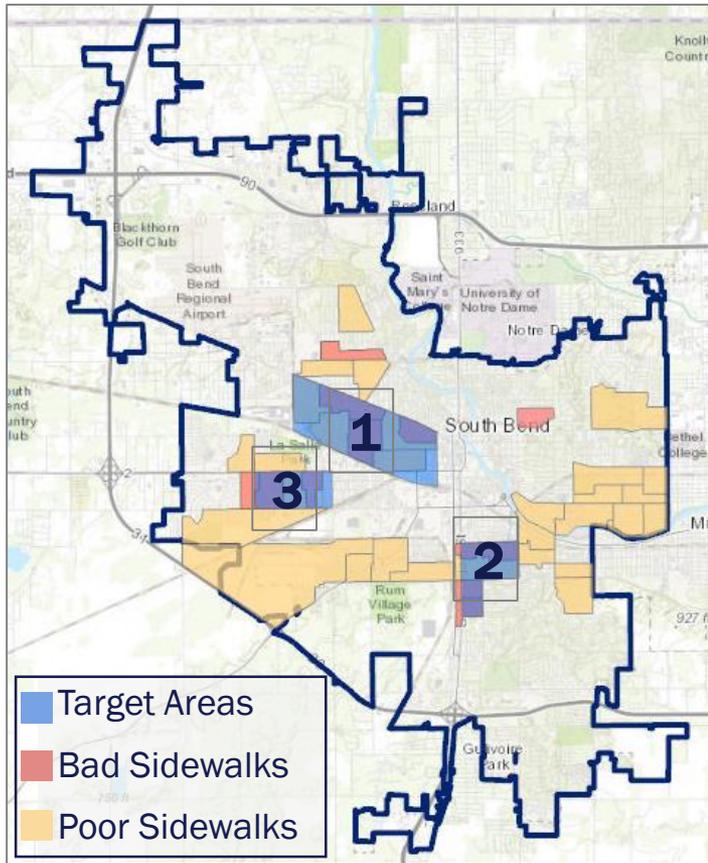

# Next steps for ongoing projects

Sidewalk Repair Program

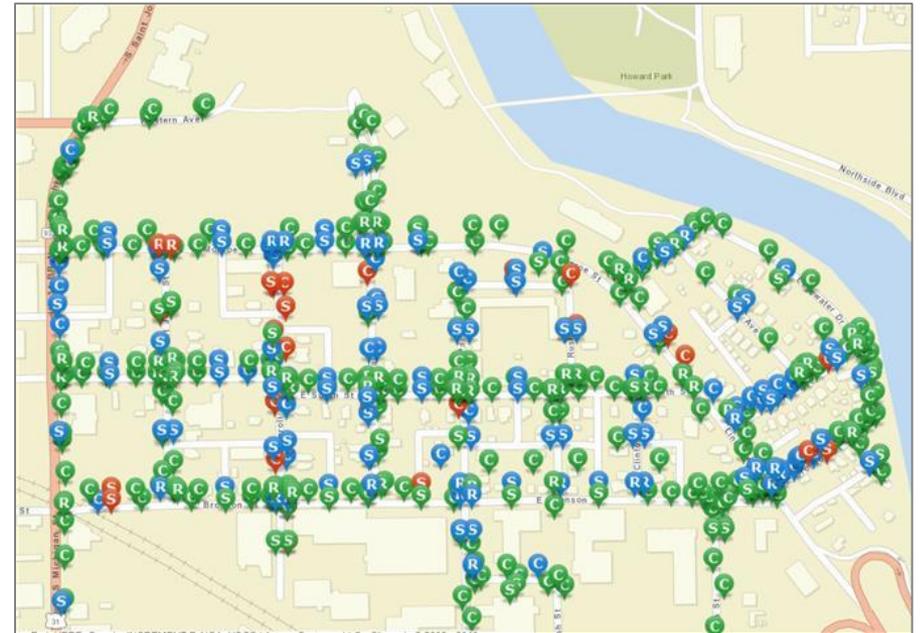

# 2019 Program Changes

- *Target geographies* receive higher reimbursement
- Program *available to non-homeowners* at a lower reimbursement
- *Interactive sidewalk condition map* to inform Council allocations

# Program Target Areas

# Sidewalk Condition Map

# 2020 Sidewalk Repair Program

- Maintain 2019 changes to observe full impact
- Partnership with 1st Source Bank to *offer microloans* to expand program access

# 2019 Project Highlights

# Physical Infrastructure

Performed fire hydrant maintenance & flow testing

Conducted water line valve turning maintenance

Set target geography for UEA Home Repair Program

# Legislative and Procedural Updates

- Determined consistent methodology for mapping vacant parcels
- Created a new Zoning Ordinance that allows for "missing middle" housing types citywide
- Mapping land value and cost to deliver services for City parcels in Urban3 Analysis
- Enacted new customer assistance ordinance
- Passed State legislation to allow for differential rates on water & sewer services
- Adopted City Climate Action Plan
- Passed RSVP Ordinance

# 2020 Proposed Projects

**SBStat** - - - - -

# Policy Implementation

- Monitor rezonings to assess impact of new ordinance
- Map pavement repair progress citywide
- Document utilization of Customer Service Ordinance
- Implement differential rates for water & sewer billing
- Adjust citation process for trash pickup
- Develop assessment plan for substandard commercial structures

# Historic Program Investment

- Document geographic scope and breadth of Neighborhood Cleanups
- Demonstrate home repair investment across programs & funding sources
- Document SBARC expansion

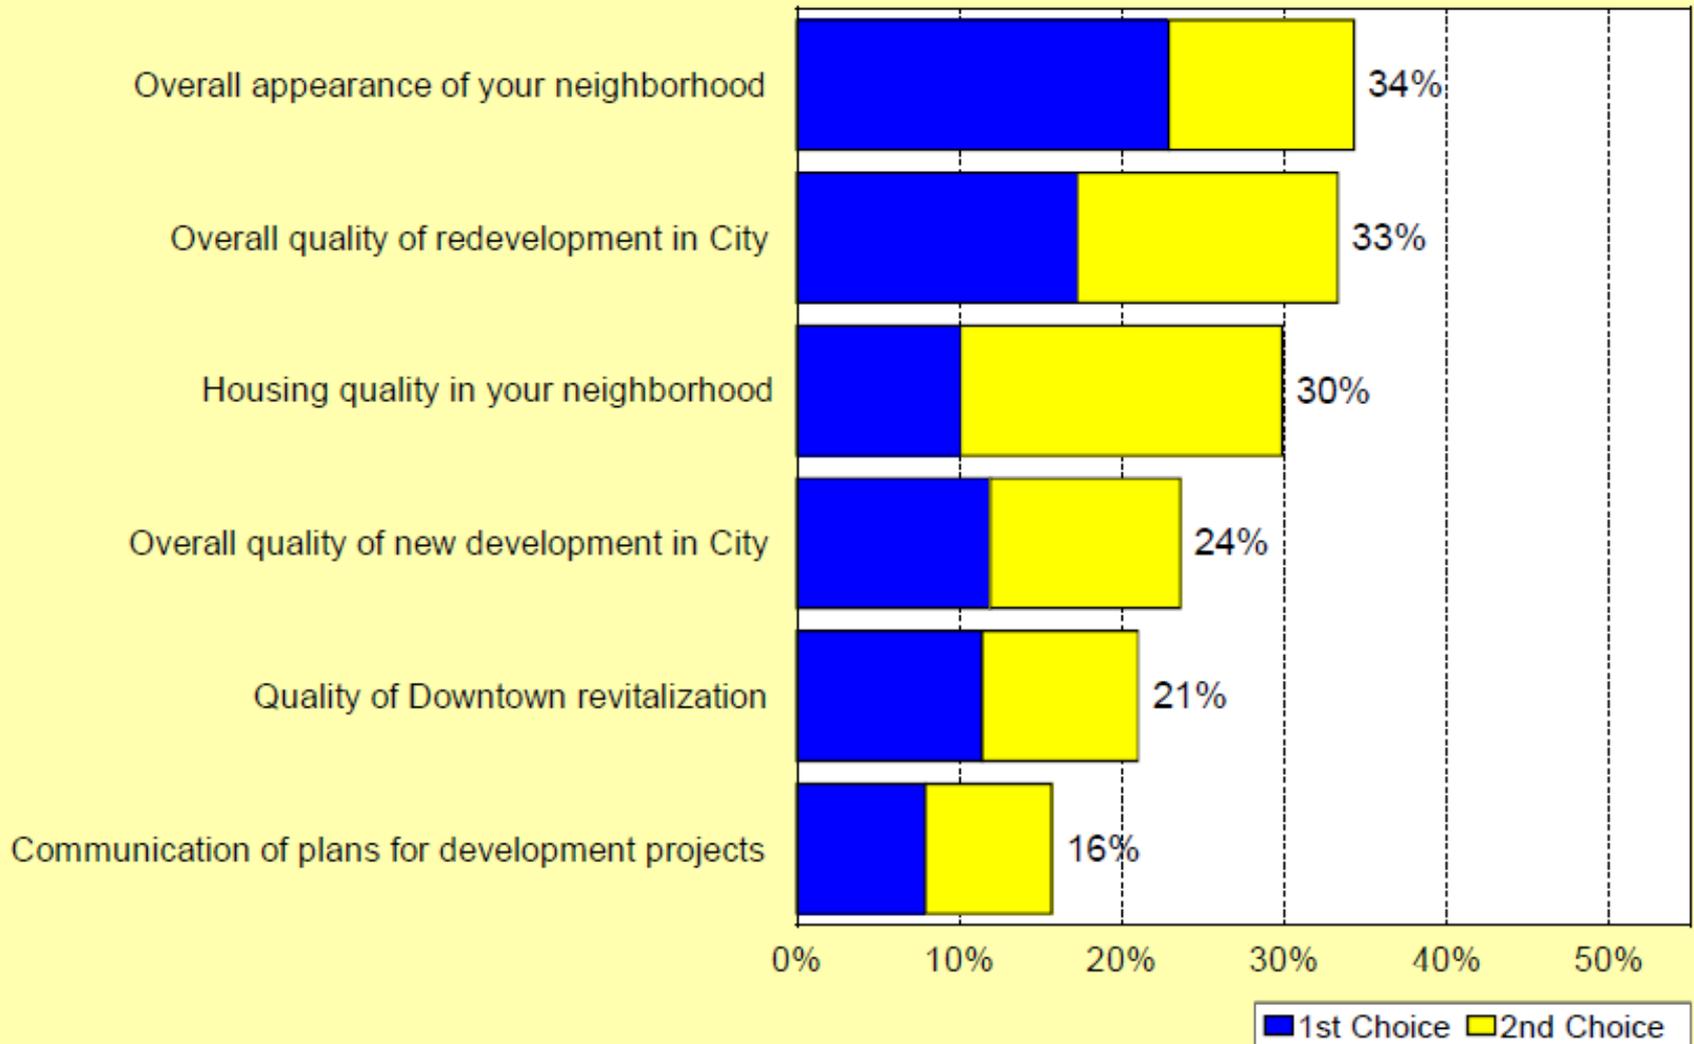

# Revisiting Community Survey

- Survey will be administered Summer 2020
- Opportunity to revisit questions and add content

# Q16. Community Investment Items That Should Receive the Most Emphasis Over the Next Two Years

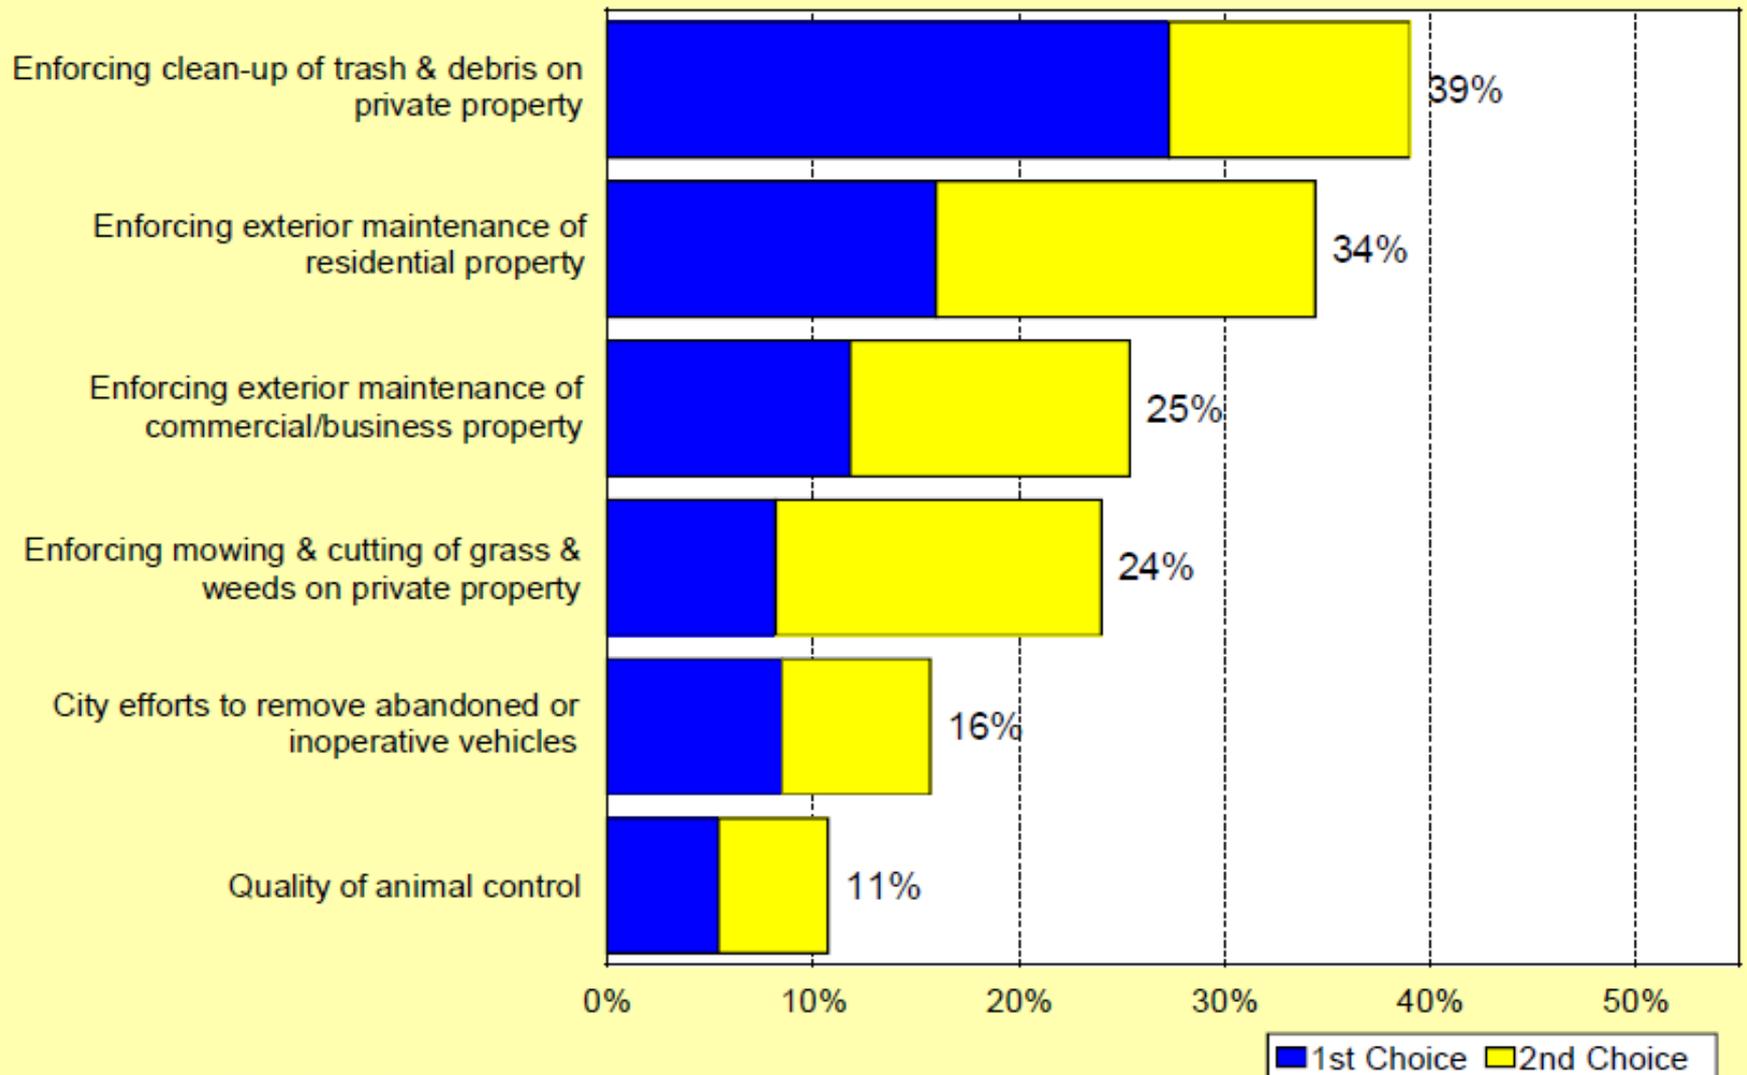

by percentage of respondents who selected the item as one of their top two choices

Source: ETC Institute (2018)

# Q21. Code Enforcement Priorities That Should be Most Important for the City Over the Next Two Years

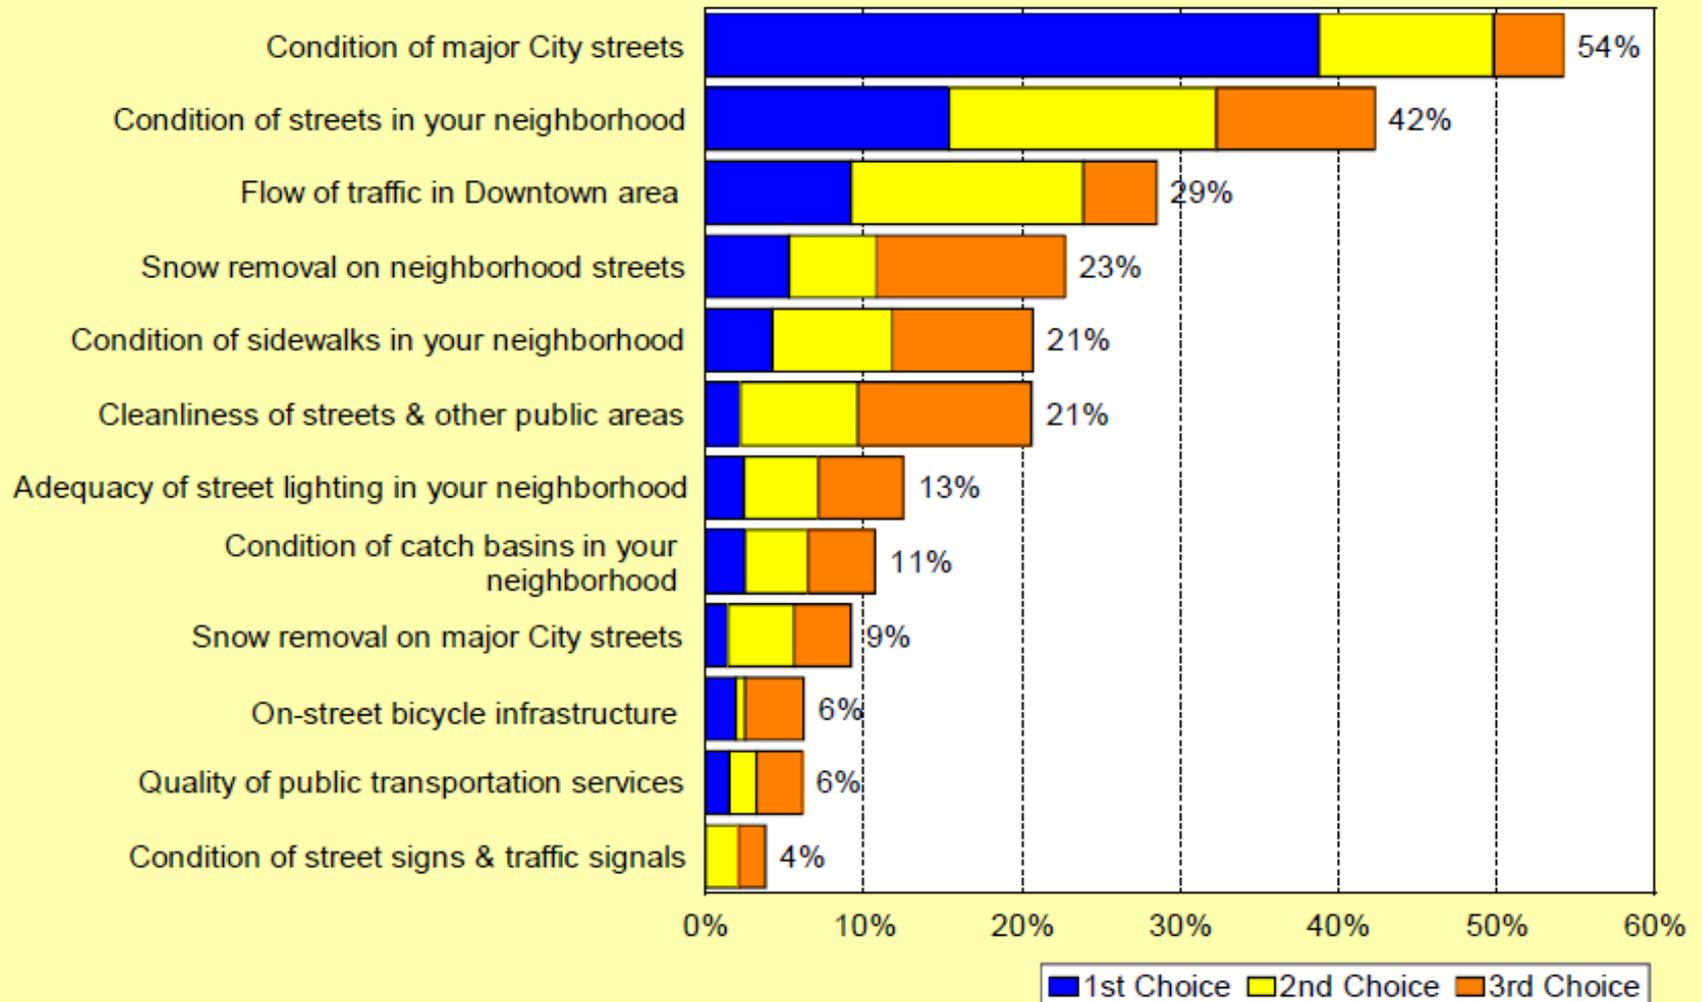

by percentage of respondents who selected the item as one of their top two choices

Source: ETC Institute (2018)

# Q27. Traffic and Transportation Items That Should Receive the Most Emphasis Over the Next Two Years

by percentage of respondents who selected the item as one of their top three choices

Source: ETC Institute (2018)

	Cross-departmental	Available Data	Strategic Importance	Timeline and Data
