A complete list of each committee's membership is attached.

Each Committee will soon hold an organizational meeting to discuss their proposed goals and objectives for 2020. I have also asked each Committee to review the Committee Annual Report filed last December, so that any ongoing projects or concerns can continue to be properly addressed.

"I am excited to see how this Common Council will move forward with their Committee assignments. I cannot wait to see the creative ways in which these talented Council Members will use their Committees to improve our great City. It will be up to each Council Member to set goals and objectives for their Committees. I am confident my Council colleagues will do great things with their Committees. Each Committee Chair will be reaching out to the community for citizen members as well," stated Council President Tim Scott.
