SOUTH BEND REDEVELOPMENT COMMISSION

Funding Source* (circle one) River West; **River East**; South Side; Douglas Road; West Washington; RDC General

*Funds are subject to the City Controller's determination of availability; if funds are unavailable, as solely determined by the City Controller, then the authorization of the expenditure of such funds shall be void and of no effect.

Purpose of Request:

In order to support the recent development at Eddy St. Commons and the surrounding area, a traffic study and conceptual design was recently performed to determine upcoming traffic needs and support circulation in and around the Howard St./Eddy Intersection.

This request is for the full design and preparation of bid documents for improvements in these areas to support growth. The intersections include:

Howard St./Eddy St., Howard St./SR23, Corby Blvd./South Bend Ave., and Notre Dame Ave/South Bend Ave. This request would also support a preliminary design for a realignment and connections along South Bend Ave at Francis St. Campeau St.
