Mr. Hurst presented Budget Request (for Salvation Army Building). This budget request is for \$150,000 from the River West TIF district, to cover the cost of roof repair and replacement at the former Salvation Army building. The City has received bids for the work and unfortunately, the cost exceeds the funds already approved. Due to the age and construction materials that were previously used, patches are no longer feasible. The entire upper roof portion must be replaced. Once completed, the new roof will hold a 20-year warranty. The boiler will be fixed soon, and the new roof will be completed in the spring. Commission approval is requested.

Upon a motion by Commissioner Warner, seconded by Secretary Phillips, the motion carried unanimously, the Commission approved Budget Request (former Salvation Army Building) submitted on Thursday, November 23, 2020.
