

## City Performance Management 2021 Q3 SB Stat Post-Meeting Memo

### 2021 SB Stat Key Takeaways

- Infrastructure Project Updates from Public Works
  - Progress update on Rebuilding Our Streets 2021
  - Curb and Sidewalk Council Allocation Program funding and plans for 2022
- Neighborhood Mapping
  - An open data tool for neighborhoods to monitor and stay informed on changes happening at a street level
  - EEE works with neighborhood associations to pick boundaries + metrics/issues they care about most; I&T works with EEE to make a tailored template
  - A review of historical data on sidewalks and system for monitoring their condition

### 2021 SB Stat Topic Next Steps

- Infrastructure Project Updates from Public Works
  - Updates on 2022 infrastructure projects with 2.5 Million in ARP funds for sidewalks, streetlights, and traffic calming
- Neighborhood Maps
  - I&T and Public Works will hold a meeting on supporting data for lighting initiatives prior to Q4 Stat
  - I&T and DCI will finalize the data layers to include in the map
  - Ongoing support for sidewalk improvement data
  - Regular meetings between the BA and application teams on mapping improvements

### Potential Topics next SB Stat Meeting

- Neighborhood Map Improvements
- Housing Vulnerability and Eviction Data
