Funding Source* (circle one) River West; River East; South Side; Douglas Road; West Washington; RDC General

*Funds are subject to the City Controller's determination of availability; if funds are unavailable, as solely determined by the City Controller, then the authorization of the expenditure of such funds shall be void and of no effect.

Purpose of Request:

Staff requests the Redevelopment Commission's approval of \$200,000 from the South Side Redevelopment Area TIF to be budgeted for improvements to the west side of High Street from Donmoyer Avenue to Ridgedale Road in the form of new curbs and sidewalks. Project construction should commence this year and be completed no later than spring 2023.

The request for funds is consistent with the Miami Hills Neighborhood Plan (2020) that identified upgrading infrastructure conditions and improve connections for non-motorized travel within the neighborhood and to surroundings. The project area is of highest priority as it currently has no proper sidewalks.
