To the Common Council and Board of Public Works:

We, the undersigned citizens and property owners, respectfully represent to your honorable body that we reside and own property facing on Dunham Street from the South. Many of us have owned our property from 25 to 30 years and all of us are property owners facing said street from the South. We are advised and informed that the Oliver Chilled Plow Works is about to purchase all of the property North of said street, and facing our property for the purpose of extending their factory South to the North line of said Dunham street. Such action would completely or practically destroy the use of our property for its present use. We therefore petition and request that you refuse to allow said Company to close up the alleys as proposed, extending South from the factory to Dunham street, and we further petition your body to open up Dunham Street West from the East boundary of said factory where Dunham Street terminates and projecting westward to the continuation of Dunham Street on the West. We believe that your body will appreciate the damage that will be done us should the Oliver factory be permitted to close said alleys, and move down to our property on the North and that you will take into consideration the damage that is already being done by the closing up of Dunham Street for factory purposes, which we now petition your body to open up for the benefit of the property and the citizens generally.

Respectfully submitted this \_\_\_\_\_ day of April,  
1910.

South Bend, Ind. May 13th, 1910.

To the Board of Public Works of the City of South Bend:

The undersigned property owners, who are interested in or affected by the proposed vacation of the alleys in Dunham's Subdivision of Bank Outlot number seventy-eight (78), to wit, the East and West alley running along the South side of Bank Outlot number seventy-seven (77) and the North side of Lots one, three, four, five, and six in Dunham's Subdivision of Bank Outlot number seventy-eight; also the North and South alley between lots one, two and three, and the alley between lots four and five, all in said Dunham's Subdivision of Bank Outlot number seventy-eight in the city of South Bend, Indiana, under Vacation Resolution number four (4), 1910, adopted by your Board April fifteenth, 1910, do hereby respectfully remonstrate against said proposed changes and vacation of said alleys in said Dunham's Subdivision for the following reasons, to wit:

1. That each of the undersigned persons is the owner of real estate abutting on W. Dunham Street between Chapin and McPherson Streets in the said city.
2. That in the event of such vacation of said alleys the factory building of the South Bend Iron Works and of the Oliver Chilled Plow Company will be extended South to the North line of Dunham Street, and will be used for factory, foundry and railroad purposes, and by reason thereof all of the property of the undersigned will be greatly damaged as residence and business property, and will render and cause the real estate of the undersigned to be and become useless for residence and business purposes.
3. That in the event that said alleys shall be vacated, all of that section of residence property on the North side of said W. Dunham Street and extending West to the fence on McPherson street will be entirely surrounded by factory buildings except on the South side thereof.
4. That in case said alleys shall be vacated as proposed in said resolution, the market and rental values of all of the real estate of the undersigned located as aforesaid will be greatly decreased, and the undersigned believe that the separate property of each one of them, and that the separate owners of said property will each be damaged in a sum not less than Eight (\$800.00) Hundred Dollars, and that many of the undersigned will be damaged in sums from Eight Hundred Dollars to Two Thousand (\$2,000.00) Dollars according to the size of lot and present value of the improvements thereon.
5. Each of the undersigned land owners whose property abuts on W. Dunham Street in said city between Chapin and McPherson Streets says separately and severally for himself, that he will be damaged in the sum of One Thousand (\$1,000.00) Dollars by the proposed vacation of said alleys, if the same shall be granted.
6. And your remonstrators further say that the vacation of said alleys as proposed in said resolution will occasion more damages than the benefits will amount to.
7. And your remonstrators further say that the proposed vacation of the said alleys will not be of public utility.
