Kemble Addition

We, the undersigned, owners of property affected by Resolution of Vacation Number 68 do hereby remonstrate against such resolution and ask that the same be not confirmed on hearing, for the reasons that,

FIRST: That said resolution is invalid and void because it combines in one proceeding and under one resolution, three separate and distinct parts of streets or alleys, and

SECOND: That as to the vacation of a part of Catalpa Avenue described in said resolution, such vacation would not be a public utility or a public benefit.

THIRD: That there is no public need reasonably requiring the vacation of the part of Catalpa Avenue described in said resolution.

FOURTH: That the vacation of the part of Catalpa Avenue described in said resolution would not be a benefit to any person, or persons, whomsoever, and on the contrary would be a detriment and injury to many.

BEFORE THE BOARD OF PUBLIC WORKS OF THE CITY OF SOUTH BEND.

We, the undersigned, owners of property affected by Resolution of Vacation Number 68 do hereby remonstrate against such resolution and ask that the same be not confirmed on hearing, for the reasons that,

FIRST: That said resolution is invalid and void because it combines in one proceeding and under one resolution, three separate and distinct parts of streets or alleys, and

SECOND: That as to the vacation of a part of Catalpa Avenue described in said resolution, such vacation would not be a public utility or a public benefit.

THIRD: That there is no public need reasonably requiring the vacation of the part of Catalpa Avenue described in said resolution.

FOURTH: That the vacation of the part of Catalpa Avenue described in said resolution would not be a benefit to any person, or persons, whomsoever, and on the contrary would be a detriment and injury to many.
