## **SECTION 2. INTERPRETATION, TERMS, AND RECITALS.**

### **2.1 Interpretation.**

(a) The terms “herein,” “hereto,” “hereunder,” and all terms of similar import shall be deemed to refer to this Agreement as a whole rather than to any Article of, Section of, or Exhibit to this Agreement.

2.2 Recitals. The Recitals set forth above are incorporated into and are a part of this Agreement for all purposes.

### **SECTION 3. ACCESS.**

3.1 Grant of Easement. The Developer will grant to the Commission a temporary, non-exclusive easement on, in, over, under and across any part(s) of the Developer Property (the “Easement”) in the form attached hereto as **Exhibit D**, to permit the Commission to fulfill its obligations under this Agreement, including the construction, equipping, inspection, and delivery of the Local Public Improvements. The Easement shall (a) inure to the benefit of the Commission and the Board of Works or any contractors acting on behalf of the Commission in connection with the construction, equipping, inspection, and delivery of the Local Public Improvements; (b) shall bind the Developer and its grantees, successors, and assigns; and (c) shall terminate no later than upon completion of the Local Public Improvements, as determined by the Board of Works.

### **SECTION 4. DEVELOPER’S OBLIGATIONS.**

4.1 Generally. The Parties acknowledge and agree that the Commission’s agreements to perform and abide by the covenants and obligations set forth in this Agreement are material consideration for the Developer’s commitment to perform and abide by the covenants and obligations of the Developer contained in this Agreement and the Purchase Agreement.

#### 4.2 The Project.

(a) The Developer will perform all necessary work to complete the improvements set forth in the Project Plan attached hereto as **Exhibit B** and the plans and specifications to be approved by the City’s Executive Director of Community Investment, or their designee, pursuant to Section 4.7 (“Submission of Plans and Specifications for Project”) of this Agreement, which improvements shall comply with all zoning and land use laws and ordinances.

(b) The Developer will expend the Private Investment to complete the Project in accordance with the Project Plan attached hereto as **Exhibit B** and the plans and specifications to be approved by the Commission pursuant to Section 4.7 (“Submission of Plans and Specifications for Project”) of this Agreement.

4.3 Cooperation. The Developer agrees to endorse and support the Commission’s efforts to expedite the Local Public Improvements through any required planning, design, public bidding, construction, inspection, waiver, permitting, and related regulatory processes.

4.4 Obtain Necessary Easements. The Developer agrees to obtain any and all easements from any governmental entity and/or any other third parties that the Developer or the Commission reasonably deems necessary or advisable in order to complete the Local Public Improvements, and the obtaining of such easements is a condition precedent to the Commission’s obligations under this Agreement.

4.5 Timeframe for Completion. The Developer hereby agrees to complete the Project as set forth in the Project Plan and any other obligations the Developer may have under this Agreement by the completion date established in the Purchase Agreement, or otherwise agreed between the Developer and the Commission, as may be modified due to unforeseen circumstances

and delays (the “Mandatory Project Completion Date”). The Developer further agrees the total Project will be completed in accordance with the Project Plan attached hereto as **Exhibit B**.

Notwithstanding any provision of this Agreement to the contrary, the Developer’s failure to complete the Project or any other obligations the Developer may have under this Agreement by the Mandatory Project Completion Date will constitute a default under this Agreement without any requirement of notice of or an opportunity to cure such failure.

4.6 **Reporting Obligations.**

(a) Upon the letting of contracts for substantial portions of the Project (for purposes of this Agreement, substantial portions of the Project shall mean the letting of contracts in an amount greater than \$100,000) and again upon substantial completion of the Project, the Developer hereby agrees to report to the Commission the number of local contractors and local laborers involved in the Project, the amount of bid awards for each contract related to the Project, and information regarding which contractor is awarded each contract with respect to the Project.

(b) On or before June 30 and December 31 of each year until substantial completion of the Project, the Developer shall submit to the Commission a report, in the format set forth as **Exhibit E**, demonstrating the Developer’s good-faith compliance with the terms of this Agreement. The report shall include the following information and documents: (i) a status report of the construction completed to date, (ii) an update on the project schedule, (iii) an itemized accounting generally identifying the Private Investment to date, and (iv) a status report of the number of jobs created for employment at the Developer Property.

4.7 **Submission of Plans and Specifications for Project.** Promptly upon completion of all plans and specifications for the Project, or changes thereto, and prior to the Commission’s expenditure of the Funding Amount, the Developer shall deliver a complete set thereof to the City’s Executive Director of Community Investment, or their designee, who may approve or disapprove said plans and specifications for the Project in his or her sole discretion and may request revisions or amendments to be made to the same.

4.8 **Costs and Expenses of Construction of Project.** The Developer hereby agrees to pay, or cause to be paid, all costs and expenses of planning, construction, management, and all other activities or purposes associated with the Project (including legal, architectural, and engineering fees), exclusive of the Local Public Improvements, which shall be paid for by the Commission by and through the Funding Amount subject to the terms of this Agreement.

4.9 **Specifications for Local Public Improvements.** The Developer will be responsible for the preparation of all bid specifications related to the Local Public Improvements, and the Developer will pay all costs and expenses of such preparation, provided, however, that if the Commission pays any costs or expenses of such preparation, then the amount paid by the Commission will be deducted from the Funding Amount. The Developer will submit all bid specifications related to the Local Public Improvements to the City of South Bend Engineering Department (the “Engineering Department”). The Engineering Department may approve or

disapprove said bid specifications for the Project in its sole discretion and may request revisions or amendments to be made to the same. The Commission shall not be required to expend the Funding Amount unless the Engineering Department has approved all bid specifications.

4.10 Non-Interference. Developer hereby agrees to use commercially reasonable efforts to minimize disruption for those living and working near the Developer Property during construction of the Project.

4.11 Insurance. The Developer shall purchase and maintain comprehensive insurance coverage as is appropriate for the work being performed with respect to the Project. The Developer shall provide proof of such adequate insurance to the Commission and shall notify the Commission and the City of any change in or termination of such insurance. During the period of construction or provision of services regarding any Local Public Improvements, the Developer shall maintain insurance in the kinds and for at least the minimum amounts as described in Exhibit F attached hereto and the Commission and the City shall be named as additional insureds on such policies (but not on any worker's compensation policies).

4.12 Information. Following the closing of transaction contemplated by the Purchase Agreement and the Developer's acquisition of title to the Property, Developer agrees to provide any and all due diligence items with respect to the Project reasonably requested by the Commission.

## **SECTION 5. COMMISSION'S OBLIGATIONS.**

5.1 Generally. The Parties acknowledge and agree that the Developer's agreement to perform and abide by the covenants and obligations set forth in this Agreement is material consideration for the Commission's commitment to perform and abide by the covenants and obligations of the Commission contained in this Agreement.

### **5.2 Completion of Local Public Improvements.**

(a) The Commission hereby agrees to complete (or cause to be completed) the Local Public Improvements described in Exhibit C attached hereto on a schedule to be reasonably determined and agreed to by the Commission and the Developer, as may be modified due to unforeseen circumstances and delays.

(b) Before any work on the Local Public Improvements will commence, (a) the Commission will have received satisfactory plans and specifications for the Project and responded in accordance with Section 4.7 ("Submission of Plans and Specifications for Project") of this Agreement, and (b) the Engineering Department will have received satisfactory bid specifications for the Local Public Improvements and approved the same in accordance with Section 4.9 ("Specifications for Local Public Improvements") of this Agreement.

(c) The Local Public Improvements will be completed in accordance with all applicable public bidding and contracting laws and will be subject to inspection by the Engineering Department or its designee.

(d) Notwithstanding anything contained herein to the contrary, in the event the costs associated with the Local Public Improvements are in excess of the Funding Amount, Developer, at its sole option, may determine to pay to the Commission the amount of the excess costs to permit timely completion of the Local Public Improvements by the Commission, or an agent of the Commission, which amounts shall be applied for such purpose. If Developer chooses not to pay any such excess costs of the Local Public Improvements (above the Funding Amount), the Commission may reduce the scope of the Local Public Improvements to the amount which may be funded with the Funding Amount. In no event will the Commission be required to spend more than the Funding Amount in connection with the Local Public Improvements.

5.3 Cooperation. The Commission agrees to endorse and support the Developer's efforts to expedite the Project through any required planning, design, permitting, waiver, and related regulatory processes, provided, however, that the Commission will not be required to expend any money in connection therewith.

5.4 Public Announcements, Press Releases, and Marketing Materials. The Commission hereby agrees to coordinate all public announcements and press releases relating to the Project with the Developer.

## **SECTION 6. COOPERATION IN THE EVENT OF LEGAL CHALLENGE.**

6.1 Cooperation. In the event of any administrative, legal, or equitable action or other proceeding instituted by any person not a party to this Agreement challenging the validity of any provision of this Agreement, the Parties shall cooperate in defending such action or proceeding to settlement or final judgment including all appeals. Each Party shall select its own legal counsel. In no event shall the Commission be required to bear the fees and costs of the Developer's attorneys. The Parties agree that if any other provision of this Agreement, or this Agreement as a whole, is invalidated, rendered null, or set aside by a court of competent jurisdiction, the Parties agree to be bound by the terms of this Section 6.1, which shall survive such invalidation, nullification, or setting aside.

## **SECTION 7. DEFAULT.**

7.1 Default. Any failure by either Party to perform any term or provision of this Agreement, which failure continues uncured for a period of thirty (30) days following written notice of such failure from the other Party, shall constitute a default under this Agreement. Any notice given pursuant to the preceding sentence shall specify the nature of the alleged failure and, where appropriate, the manner in which said failure satisfactorily may be cured. Upon the occurrence of a default under this Agreement, the non-defaulting Party may (a) terminate this Agreement, or (b) institute legal proceedings at law or in equity (including any action to compel specific performance) seeking remedies for such default. If the default is cured within thirty (30) days after the notice described in this Section 7.1, then no default shall exist, and the noticing Party shall take no further action.

7.2 Reimbursement Obligation. In the event that the Developer fails (a) to complete the Project by the Mandatory Project Completion Date, or (b) to expend the full amount of the

Private Investment by the Mandatory Project Completion Date, then upon the written demand of the Commission, the Developer will repay the Commission One Hundred Fifty Percent (150%) of the portion of the Funding Amount expended by the Commission in furtherance of the Local Public Improvements as of the date of the Commission's demand.

7.3 Force Majeure. Notwithstanding anything to the contrary contained in this Agreement, none of the Parties shall be deemed to be in default where delays in performance or failures to perform are due to, and a necessary outcome of, war, insurrection, strikes or other labor disturbances, walk-outs, riots, floods, earthquakes, fires, casualties, pandemic or epidemic, acts of God, acts of terrorism, restrictions imposed or mandated by governmental entities, enactment of conflicting state or federal laws or regulations, new or supplemental environments regulations, contract defaults by third parties, or similar basis for excused performance which is not within the reasonable control of the Party to be excused (each, an event of "Force Majeure"). Upon the request of any of the Parties, a reasonable extension of any date or deadline set forth in this Agreement due to such cause will be granted in writing for a period necessitated by the event of Force Majeure, or longer as may be mutually agreed upon by all the Parties.

**SECTION 8. NO AGENCY, JOINT VENTURE, OR PARTNERSHIP; CONFLICT OF INTEREST; INDEMNITY.**

8.1 No Agency, Joint Venture or Partnership. The Parties acknowledge and agree that:

(a) The Project is a private development;

(b) None of the Commission, the Board of Works, or the Developer has any interest or responsibilities for, or due to, third parties concerning any improvements until such time, and only until such time, that the Commission, the Board of Works, and/or the Developer expressly accepts the same; and

(c) The Parties hereby renounce the existence of any form of agency relationship, joint venture or partnership between the Commission, the Board of Works, and the Developer and agree that nothing contained herein or in any document executed in connection herewith shall be construed as creating any such relationship between the Commission, the Board of Works, and the Developer.

8.2 Conflict of Interest; Commission Representatives Not Individually Liable. No member, official, or employee of the Commission or the City may have any personal interest, direct or indirect, in the Project, nor shall any such member, official, or employee participate in any decision relating to the relationship of the Parties which affects his or her personal interests or the interests of any corporation, partnership, or association in which he or she is, directly or indirectly, interested. No member, official, or employee of the Commission or the City shall be personally liable to the Developer, or any successor in interest, in the event of any default or breach by the Commission or for any amount which may become due to the Developer, or its successors and assigns, or on any obligations under the terms of this Agreement. No partner, member, employee, or agent of the Developer or successors of them shall be personally liable to the Commission under this Agreement.

8.3 Indemnity. The Developer agrees to indemnify, defend, and hold harmless the Commission and the City from and against any third-party claims suffered by the Commission or the City resulting from or incurred in connection with the Local Public Improvements or the Project.

## **SECTION 9. MISCELLANEOUS.**

9.1 Severability. If any term or provision of this Agreement is held by a court of competent jurisdiction to be invalid, void, or unenforceable, the remaining terms and provisions of this Agreement shall continue in full force and effect unless amended or modified by mutual consent of the parties.

9.2 Waiver. Neither the failure nor any delay on the part of a Party to exercise any right, remedy, power, or privilege under this Agreement shall operate as a waiver thereof, nor shall any single or partial exercise of any right, remedy, power, or privilege preclude any other or further exercise of the same or of any right, remedy, power, or privilege with respect to any occurrence be construed as a waiver of any such right, remedy, power, or privilege with respect to any other occurrence. No waiver shall be effective unless it is in writing and is signed by the party asserted to have granted such waiver.

9.3 Other Necessary Acts. Each Party shall execute and deliver to the other Parties all such other further instruments and documents as may be reasonably necessary to accomplish the Project and the Local Public Improvements contemplated by this Agreement and to provide and secure to the other Parties the full and complete enjoyment of its rights and privileges hereunder. Notwithstanding the foregoing, the Parties understand and agree that certain actions contemplated by this Agreement may be required to be undertaken by persons, agencies, or entities that are not a party to this Agreement, including, but not limited to certain permits, consents, and/or approvals (to the extent they have not yet been obtained and completed), and that any action by such third parties shall require independent approval by the respective person, agency, entity, or governing body thereof.

9.4 Dispute Resolution; Waiver of Jury Trial. Any action to enforce the terms or conditions of this Agreement or otherwise concerning a dispute under this Agreement will be commenced in the courts of St. Joseph County, Indiana, unless the Parties mutually agree to an alternative method of dispute resolution. The Parties acknowledge that disputes arising under this Agreement are likely to be complex and they desire to streamline and minimize the cost of resolving such disputes. In any legal proceeding, each Party irrevocably waives the right to trial by jury in any action, counterclaim, dispute, or proceeding based upon, or related to, the subject matter of this Agreement. This waiver applies to all claims against all parties to such actions and proceedings. This waiver is knowingly, intentionally, and voluntarily made by both Parties.

9.5 Attorneys' Fees. In the event the Commission successfully pursues any legal action (including arbitration) to enforce or interpret this Agreement to a final resolution in which the Commission is deemed by the ultimate decision maker to be victorious, Developer shall pay Commission's reasonable attorneys' fees and other costs and expenses (including expert witness fees).

9.6 Equal Employment Opportunity. The Developer, for itself and its successors and assigns, agrees that during the construction of the Project:

(a) The Developer will not discriminate against any employee or applicant for employment because of race, color, religion, sex, or national origin. The Developer agrees to post in conspicuous places, available to employees and applicants for employment, notices setting forth the provisions of this nondiscrimination clause; and

(b) The Developer will state, in all solicitations or advertisements for employees placed by or on behalf of the Developer, that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, or national origin.

9.7 Counterparts. This Agreement may be executed in separate counterparts, each of which when so executed shall be an original, but all of which together shall constitute one and the same instrument. Any electronically transmitted version of a manually executed original shall be deemed a manually executed original.

9.8 Notices and Demands. Any notice, demand, or other communication required or permitted under the terms of this Agreement may be delivered (a) by hand-delivery (which will be deemed delivered at the time of receipt), (b) by registered or certified mail, return receipt requested (which will be deemed delivered three (3) days after mailing), or (c) by overnight courier service (which will be deemed delivered on the next business day) to each Party's respective addresses and representatives stated below.
