SUBJECT: Leeper St. Bridge Re-deck

SOUTH BEND REDEVELOPMENT COMMISSION

Which TIF? (circle one) River West; River East; South Side; Douglas Road; West Washington

### PURPOSE OF REQUEST:

The request is for \$300,000.00 for replacing the pedestrian surface on the Leeper St. Bridge which is part of the East Bank Trail.

### Specifics:

The portion of the East Bank Trail that goes over the Leeper St. Bridge is currently closed due to safety concerns for the bridge decking. This bridge is a critical part of the East Bank Trail, which will remain impacted until the work is complete. The decking is very old, and the wood is beginning to fail. The replacement of this decking was previously listed as an alternate in another project but was rejected due to lack of funds. This funding will enable Public Works to repackage the design and bid the work as a stand alone project.
