About this Report

Overview

This report shares an overview of City spending to minority and woman-owned businesses. The information presented in this report is preliminary and unaudited, so it remains subject to change. There are two types of City spending included in this report, defined below.

1. Eligible City Spending

All transactions in which (a) the City receives goods, services, labor, real property, or some combination of these, in exchange for monetary payment, and (b) the City administration is capable of exercising a meaningful measure of decision-making in determining whether to make a purchase or in identifying available vendors. Categories of City spending that are excluded from this spending type is listed in the table below.

Data Source: City's financial ERP system, Microsoft DFO

2. Public Works Projects Spending

All transactions made by the City to a minority and/or women-owned business for a Public Works project that has MBE/WBE goals.

Data Source: City's supplier diversity and equity management system, B2G Now
