

A Comprehensive Plan *ROADMAP* For the City of South Bend

Laying the foundation for a community-driven, fiscally sound comprehensive plan to cultivate connections and facilitate access to opportunity.

About Us

OUR MISSION

We build better government by cultivating trusted relationships, leveraging cross-sector expertise and advancing public sector innovation.

OUR VISION:

A nation comprised of thriving communities where residents have trust and confidence in each other and in their government's ability to meet their collective needs and respond effectively and equitably to emerging challenges.

OUR VALUES:

We are guided by the principles of trust, dignity, and prudent stewardship of public resources and local governments' role in promoting those values to nurture democracy at the ground level.
