## **SECTION 2. INTERPRETATION, TERMS, AND RECITALS.**

### **2.1 Interpretation.**

(b) Unless otherwise specified, references in this Agreement to (i) “Section” or “Article” shall be deemed to refer to the Section or Article of this Agreement bearing the number so specified, (ii) “Exhibit” shall be deemed to refer to the Exhibit of this Agreement bearing the letter or number so specified, and (iii) references to this “Agreement” shall mean this Agreement and any exhibits and attachments hereto.

(c) Captions used for or in Sections, Articles, and Exhibits of this Agreement are for convenience of reference only and shall not affect the construction of this Agreement.

(d) The terms “include,” “including,” and “such as” shall each be construed as if followed by the phrase “without being limited to.”

2.2 Recitals. The Recitals set forth above are incorporated into and are a part of this Agreement for all purposes.

## **SECTION 3. DEVELOPER’S OBLIGATIONS.**

3.1 Generally. The Parties acknowledge and agree that the Commission’s agreements to perform and abide by the covenants and obligations set forth in this Agreement are material consideration for the Developer’s commitment to perform and abide by the covenants and obligations of the Developer contained in this Agreement. Additionally, the Parties acknowledge that the post-closing terms of the Purchase Agreement may conflict with the terms of this Agreement, and in the event of which, the Parties agree that the term of this Agreement shall prevail. The Parties further acknowledge and agree that Developer’s obligations under this Agreement are hereby conditioned upon the execution and closing of the Loan Agreement. In the event that subsequent negotiations by the Parties do not result in an executed Loan Agreement by January 31, 2024, this Agreement shall become null and void.

### **3.2 The Project.**

(a) The Developer will perform all necessary work to complete the improvements set forth in the Project Plan attached hereto as **Exhibit B** and the plans and specifications to be approved by the City Planner, or his designee, pursuant to Section 3.5 (“Submission of Plans and Specifications for Project”) of this Agreement, which improvements shall comply with all zoning and land use laws and ordinances.

(b) The Developer will expend the Private Investment to complete the Project in accordance with the Project Plan attached hereto as **Exhibit B** and the plans and specifications to be approved by the Commission pursuant to Section 3.5 (“Submission of Plans and Specifications for Project”) of this Agreement.

3.3 Timeframe for Completion. The Developer hereby agrees to complete the Project as set forth in the Project Plan and any other obligations the Developer may have under this Agreement by the completion date established in the Purchase Agreement, or otherwise agreed between the Developer and the Commission, as may be modified due to unforeseen circumstances and delays (the “Mandatory Project Completion Date”). The Developer further agrees the total Project will be completed in accordance with the Project Plan attached hereto as **Exhibit B**. Notwithstanding any provision of this Agreement to the contrary, the Developer’s failure to complete the Project or any other obligations the Developer may have under this Agreement by the Mandatory Project Completion Date will constitute a default under this Agreement without any requirement of notice of or an opportunity to cure such failure, and the Developer will be required to repay all Funding Amounts received pursuant to the terms of the Loan Agreement, except as otherwise provided in Section 6.1 of this Agreement.

3.4 Reporting Obligations.

(a) Upon the letting of contracts for substantial portions of the Project and again upon substantial completion of the Project, the Developer hereby agrees to report to the Commission the number of local contractors and local laborers involved in the Project, the amount of bid awards for each contract related to the Project, and information regarding which contractor is awarded each contract with respect to the Project.

(b) On or before June 30 and December 31 of each year until substantial completion of the Project, the Developer shall submit to the Commission a report, in the format set forth as **Exhibit D**, demonstrating the Developer’s good-faith compliance with the terms of this Agreement. The report shall include the following information and documents: (i) a status report of the construction completed to date, (ii) an update on the project schedule, (iii) an itemized accounting generally identifying the Private Investment to date, and (iv) a status report of the number of jobs created for employment at the Developer Property.

3.5 Submission of Plans and Specifications for Project. Promptly upon completion of all plans and specifications for the Project, or changes thereto, and prior to the Commission’s expenditure of the Funding Amount, the Developer shall deliver a complete set thereof to the City’s Executive Director Department of Community Investment, or his or her designee, who may approve or disapprove said plans and specifications for the Project in his or her sole discretion and may request revisions or amendments to be made to the same.

3.6 Non-Interference. Developer hereby agrees to use commercially reasonable efforts to minimize disruption for those living and working near the Developer Property during construction of the Project.

3.7 Insurance. The Developer shall purchase and maintain comprehensive insurance coverage as is appropriate for the work being performed with respect to the Project. The Developer shall provide proof of such adequate insurance to the Commission and shall notify the Commission and the City of any change in or termination of such insurance. During the period of construction, the Developer shall maintain insurance in the kinds and for at least the minimum amounts as described in Exhibit E attached hereto and the Commission and the City shall be named as additional insureds on such policies (but not on any worker's compensation policies).

3.8 Information. The Developer agrees to provide any and all due diligence items with respect to the Project reasonably requested by the Commission.

#### **SECTION 4. COMMISSION'S OBLIGATIONS.**

4.1 Generally. The Parties acknowledge and agree that the Developer's agreement to perform and abide by the covenants and obligations set forth in this Agreement is material consideration for the Commission's commitment to perform and abide by the covenants and obligations of the Commission contained in this Agreement.

4.2 Cooperation. The Commission agrees to endorse and support the Developer's efforts to expedite the Project through any required planning, design, permitting, waiver, and related regulatory processes, provided, however, that the Commission will not be required to expend any money in connection therewith.

4.3 Public Announcements, Press Releases, and Marketing Materials. The Commission hereby agrees to coordinate all public announcements and press releases relating to the Project with the Developer.

#### **SECTION 5. COOPERATION IN THE EVENT OF LEGAL CHALLENGE.**

5.1 Cooperation. In the event of any administrative, legal, or equitable action or other proceeding instituted by any person not a party to this Agreement challenging the validity of any provision of this Agreement, the Parties shall cooperate in defending such action or proceeding to settlement or final judgment including all appeals. Each Party shall select its own legal counsel; however, Developer shall reimburse the Commission for its reasonable attorneys' fees associated with the Commission's defense of this Agreement against a third-party lawsuit. In no event shall the Commission be required to bear the fees and costs of the Developer's attorneys. The Parties agree that if any other provision of this Agreement, or this Agreement as a whole, is invalidated, rendered null, or set aside by a court of competent jurisdiction, the Parties agree to be bound by the terms of this Section 5.1, which shall survive such invalidation, nullification, or setting aside.

#### **SECTION 6. DEFAULT.**

6.1 Default. Any failure by either Party to perform any term or provision of this Agreement, which failure continues uncured for a period of thirty (30) days following written notice of such failure from the other Party, shall constitute a default under this Agreement. Any notice given pursuant to the preceding sentence shall specify the nature of the alleged failure and, where appropriate, the manner in which said failure satisfactorily may be cured. Upon the occurrence of a default under this Agreement, the non-defaulting Party may (a) terminate this

Agreement, or (b) institute legal proceedings at law or in equity (including any action to compel specific performance) seeking remedies for such default. If the default is cured within thirty (30) days after the notice described in this Section 6.1, then no default shall exist and the noticing Party shall take no further action. In the event that the Developer fails (a) to complete the Project by the Mandatory Project Completion Date, or (b) to expend the full amount of the Private Investment by the Mandatory Project Completion Date, Developer will be considered in default, and the Developer will be required to repay all Funding Amounts received in accordance with the terms of the Loan Agreement; provided, however, that so long as the Developer has completed that portion of the Project consisting of the Affordable Units by the Mandatory Project Completion Date, the Developer shall not be obligated to repay the \$550,000.00 portion of the Funding Amount attributable to the Affordable Units, and shall only be required to repay the remaining \$3,250,000.00 portion of the Funding Amount attributable to the Market Rate Units. Provided further, the failure of the Developer to comply with the terms and provisions of this Agreement related to the development of the Market Rate Units shall not constitute a default by the Developer in connection with the Affordable Units provided that the Developer has constructed or has caused the construction of the Affordable Units in accordance with this Agreement.

6.2 Force Majeure. Notwithstanding anything to the contrary contained in this Agreement, none of the Parties shall be deemed to be in default where delays in performance or failures to perform are due to, and a necessary outcome of, war, insurrection, strikes or other labor disturbances, walk-outs, riots, floods, earthquakes, fires, casualties, acts of God, acts of terrorism, restrictions imposed or mandated by governmental entities, enactment of conflicting state or federal laws or regulations, new or supplemental environments regulations, contract defaults by third parties, or similar basis for excused performance which is not within the reasonable control of the Party to be excused (each, an event of “Force Majeure”). Upon the request of any of the Parties, a reasonable extension of any date or deadline set forth in this Agreement due to such cause will be granted in writing for a period necessitated by the event of Force Majeure, or longer as may be mutually agreed upon by all the Parties.

**SECTION 7. NO AGENCY, JOINT VENTURE, OR PARTNERSHIP; CONFLICT OF INTEREST; INDEMNITY.**

7.1 No Agency, Joint Venture or Partnership. The Parties acknowledge and agree that:

- (a) The Project is a private development;
- (b) None of the Commission or the Developer has any interest or responsibilities for, or due to, third parties concerning any improvements until such time, and only until such time, that the Commission and/or the Developer expressly accepts the same; and
- (c) The Parties hereby renounce the existence of any form of agency relationship, joint venture or partnership between the Commission and the Developer and agree that nothing contained herein or in any document executed in connection herewith shall be construed as creating any such relationship between the Commission and the Developer.

7.2 Conflict of Interest; Commission Representatives Not Individually Liable. No member, official, or employee of the Commission or the City may have any personal interest, direct or indirect, in this Agreement, nor shall any such member, official, or employee participate in any decision relating to this Agreement which affects his or her personal interests or the interests of any corporation, partnership, or association in which he or she is, directly or indirectly, interested. No member, official, or employee of the Commission or the City shall be personally liable to the Developer, or any successor in interest, in the event of any default or breach by the Commission or for any amount which may become due to the Developer, or its successors and assigns, or on any obligations under the terms of this Agreement. No partner, member, employee, or agent of the Developer or successors of them shall be personally liable to the Commission under this Agreement.

7.3 Indemnity. The Developer agrees to indemnify, defend, and hold harmless the Commission and the City from and against any third-party claims suffered by the Commission or the City resulting from or incurred in connection with the Local Public Improvements or the Project.

## **SECTION 8. MISCELLANEOUS.**

8.1 Severability. If any term or provision of this Agreement is held by a court of competent jurisdiction to be invalid, void, or unenforceable, the remaining terms and provisions of this Agreement shall continue in full force and effect unless amended or modified by mutual consent of the parties.

8.2 Waiver. Neither the failure nor any delay on the part of a Party to exercise any right, remedy, power, or privilege under this Agreement shall operate as a waiver thereof, nor shall any single or partial exercise of any right, remedy, power, or privilege preclude any other or further exercise of the same or of any right, remedy, power, or privilege with respect to any occurrence be construed as a waiver of any such right, remedy, power, or privilege with respect to any other occurrence. No waiver shall be effective unless it is in writing and is signed by the party asserted to have granted such waiver.

8.3 Other Necessary Acts. Each Party shall execute and deliver to the other Parties all such other further instruments and documents as may be reasonably necessary to accomplish the Project and the Local Public Improvements contemplated by this Agreement and to provide and secure to the other Parties the full and complete enjoyment of its rights and privileges hereunder. Notwithstanding the foregoing, the Parties understand and agree that certain actions contemplated by this Agreement may be required to be undertaken by persons, agencies, or entities that are not a party to this Agreement, including, but not limited to certain permits, consents, and/or approvals (to the extent they have not yet been obtained and completed), and that any action by such third parties shall require independent approval by the respective person, agency, entity, or governing body thereof.

8.4 Dispute Resolution; Waiver of Jury Trial. Any action to enforce the terms or conditions of this Agreement or otherwise concerning a dispute under this Agreement will be commenced in the courts of St. Joseph County, Indiana, unless the Parties mutually agree to an alternative method of dispute resolution. The Parties acknowledge that disputes arising under this

Agreement are likely to be complex and they desire to streamline and minimize the cost of resolving such disputes. In any legal proceeding, each Party irrevocably waives the right to trial by jury in any action, counterclaim, dispute, or proceeding based upon, or related to, the subject matter of this Agreement. This waiver applies to all claims against all parties to such actions and proceedings. This waiver is knowingly, intentionally, and voluntarily made by both Parties.

8.5 Attorneys' Fees. In the event the Commission pursues any legal action (including arbitration) to enforce or interpret this Agreement, Developer shall pay Commission's reasonable attorneys' fees and other costs and expenses (including expert witness fees).

8.6 Equal Employment Opportunity. The Developer, for itself and its successors and assigns, agrees that during the construction of the Project:

(a) The Developer will not discriminate against any employee or applicant for employment because of race, color, religion, sex, or national origin. The Developer agrees to post in conspicuous places, available to employees and applicants for employment, notices setting forth the provisions of this nondiscrimination clause; and

(b) The Developer will state, in all solicitations or advertisements for employees placed by or on behalf of the Developer, that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, or national origin.

8.7 Counterparts. This Agreement may be executed in separate counterparts, each of which when so executed shall be an original, but all of which together shall constitute one and the same instrument. Any electronically transmitted version of a manually executed original shall be deemed a manually executed original.

8.8 Notices and Demands. Any notice, demand, or other communication required or permitted under the terms of this Agreement may be delivered (a) by hand-delivery (which will be deemed delivered at the time of receipt), (b) by registered or certified mail, return receipt requested (which will be deemed delivered three (3) days after mailing), or (c) by overnight courier service (which will be deemed delivered on the next business day) to each Party's respective addresses and representatives stated below.
