Committee Chair Sheila Niezgodski called to order the Public Works & Property Vacation Committee meeting at 3:45 p.m.

South Bend Traffic-Calming Project

Kara Boyles, City Engineer with offices on the 13th Floor of the County City Building, noted that there has been a backlog of projects. There have been 236 traffic requests through 2021. She explained the 12 rubber speed humps that were installed. They were thought to be a cost-saving measure compared to concrete, but they suffered significant damage since their November 2022 installation. Kara Boyles provided a breakdown of the data and how the scoring system has been applied. For 2023, there are 42 projects for an estimated \$1.9 million in construction costs. Of these projects, 60% are high priority. There will be traffic-calming open houses in various districts to get neighborhood feedback.

With no further business, Committee Chair Sheila Niezgodski adjourned the Committee meeting at 3:48 p.m.

Respectfully Submitted,

Sheila Niezgodski, Committee Chair
