Committee Member Sharon McBride called to order the Council Rules Committee meeting at 3:50 p.m.

Bill No. 72-22 – An Ordinance Amending Chapter 1, Section 1-4 of the South Bend Municipal Code Addressing “Six Councilmanic Districts”

Carl King, 1106 Georgiana Street, noted that after the census is completed, precincts are established based on preset requirements. The Common Council is then required within two (2) years to establish districts. Carl King provided an overview of the population percentages, which are within a one percent variance. This was achieved without any adjustments. It will not require any disruptions of existing district relationships.

Committee member Wax thanked the Committee.

Carl King noted that a succession plan should be considered for his role on the next district evaluation.

Committee Member McBride held the public hearing, and nobody spoke.

Committee member Niezgodski motioned to send Bill No. 72-22 to the Committee of the Whole with a favorable recommendation, seconded by Committee member Wax, and carried by a vote of three (3) ayes.

Committee Member Sharon McBride - Aye	Council Member Sheila Niezgodski - Aye
Council Member Eli Wax - Aye	

With no further business, Committee Member McBride adjourned the meeting at 4:04 a.m.

Respectfully Submitted,

Sheila Niezgodski
