Per section 4-51 of the Municipal Code, the property required review from the South Bend Police Department, the South Bend Fire Department, Neighborhood Resources, and the Zoning Department. All the agencies completed their reviews with no issues found. However, a new valve was installed delaying the initial inspection, which delayed submitting the resolution with the previous package of the scrap metal dealer renewals.

Councilmember Dr. Davis reviewed the Secretary of State website and found that the business had been dissolved and has been inactive since November 5th, 2018. Councilmember Dr. Davis went on to question why the business has been listed as dissolved and if an investigation has taken place.

Erik Glavich stated that he is filling in for Michelle Adams and does not have an answer at the time.

Councilmember Dr. Davis requested that Erik Glavich review and acquire reasonable explanation as to why the business has been without a license for seven (7) years before presenting the resolution to Council again.

IFA provides municipalities access to low interest loans and purchases redevelopment bonds. The project that this loan would support is the redevelopment of the Drewry site and the site is set to house approximately one-hundred and ten (110) housing units ranging from small apartments to single family homes including some duplexes.

In addition to the two point-five-seven-million-dollar (2,570,000.00) loan from the IFA, a three-point-five-million-dollar (3,500,000.00) grant has been requested from the Indiana Economic Development Corporation that could not exceed a five-point five percent (5.5%) interest rate.
