CONTROLLER'S CASH REPORT

OVERVIEW:

The Controller's Cash Report is a monthly summary of cash and investment transactions within the current period by Fund. It summarizes the cash received, interest earned, cash disbursed and cash transferred between Funds within the City of South Bend as well as any loans among/between Funds. The report provides a month-end view of the City's cash balance in the reporting period.

The City's management team is responsible for establishing and maintaining an internal control structure designed to ensure that the assets of the City are protected from loss, theft or misuse and to ensure that adequate accounting data is compiled to allow for the preparation of financial statements in conformity with generally accepted accounting principles.

March 2017 HIGHLIGHTS:

Total City Funds (pg. 4): March 2017 beginning cash balance of \$182,196,643 and ending cash balance of \$179,057,402 represents a decrease in cash of ~\$3.1 million. Compared to March 2016, beginning cash balance of \$160,325,038 and ending cash balance of \$157,770,519 represents a decrease in cash of approximately \$2.5 million. In comparison, there is an increase year over year of ~ \$600,000 in expenditures. Also this month, a transfer in the amount of \$1,000,000 for the Community Crossing Project was made to fund 265 (Local Road & Bridge Grant) from fund 257 (LOIT 2016 Special Distribution). The Community Crossing funds will be used to resurface Ironwood Rd. to Edison Rd.

Total Redevelopment Commission Funds (pg.5): March 2017 beginning cash balance of \$60,693,512 and ending cash balance of \$54,200,785 represents a decrease in cash of ~\$6.4 million. Compared to March 2016 beginning cash balance of \$53,548,676 and ending cash balance of \$53,434,487 represents a decrease in cash of ~\$114,000. In comparison, there an increase year over year in expenditures of ~ \$6.2 million due to the addition of certain funds held with trustees for certain projects. Funds 752, 754,756, and 758 have been added to the Controller's Report in order to report all bond proceeds and payments through trustee accounts.

Fund 101 (General Fund): March 2017 actual receipts were \$1,203,882 vs. prior year actual receipts of \$946,883. The largest receipt this month was in the amount of \$139,876 for revenue from the show Annie at the Morris Performing Arts Center.

Fund 201 (Parks & Recreation): March 2017 actual receipts were \$168,621 vs. prior year actual receipts of \$252,781. Disbursements are consistent with normal operating costs.

Fund 313 (Hall of Fame): Negative cash balance reflects a debt service payment of \$635,000 made in January. Revenue will increase when property taxes are received in June 2017.

Fund 701 and 702 (Fire and Police Pension): These funds have a negative balance as a result of monthly pension payments made to firemen and policemen hired prior to May 1, 1977. Revenue will increase once the mandatory state pension relief distribution is received in June 2017.

For March 2017, cash interest received was \$205,325 compared to \$115,853 in March 2016.

Please Contact City Controller John Murphy at (574) 235-7678 with any questions.
